

PROSPECTUS 2021-22

BACHELOR'S DEGREE PROGRAMS

Acknowledgment

All Photographs in this Prospectus feature our current students. We'd like to thank them for their involvement.

Disclaimer

The information in this prospectus is correct at the time of publishing. The Institute reserves the right to add or remove courses and to make changes in syllabuses, courses options and modules, fees etc. without prior notice. Although every effort is made to ensure accuracy at the time of publication, University reserves the right to make any corrections in the contents and provisions without notice. For further information or for alternative formats of this prospectus please contact us on admissions@admin.muet.edu.pk

Vision: lass educational and
To become world class educational and research institute and contribute effectively towards building up indigenous & technological capabilities for sustainable socio-economic development.

Mission:
To equip our undergraduate, postgraduate and doctoral students with advance knowledge through collaborative opportunities emerged from linkages with academia, industry and government.

Quality Policy:
In line with its vision and mission, the management and faculty have developed broad based Quality Management System in the University with a strong commitment to the following:

1. **Quality Brand**
   University aims to be recognized for its leadership position in higher education through designing interactive courses and carrying out multidisciplinary research programs and projects that are distinctive and relevant to social needs, and are of national and international quality standards.
2. **Compliance with Statutory Requirements**
   University ensures that every individual working for and / or studying in the university shall comply with the University Act, Statutes, Regulations and Rules.
3. **Stakeholders Focus**
   University considers every stakeholder very important and therefore endeavors to provide encouraging, flexible, empowered, cohesive and congenial working environment to assimilate, synthesize and analyze knowledge for the ultimate benefit of academia, industry, government and society.
4. **Student Focus**
   University considers students as its direct customers and is committed to produce highly qualified manpower related to multidisciplinary engineering and technology, policy and management and business fields. University ensures meeting students' professional needs and expectations and appreciates their participatory role in maintaining progressive learning environment.
5. **Knowledge Creation and Dissemination**
   University is focused on conducting multidisciplinary research in order to create knowledge to resolve political, technological, social and environmental issues and to disseminate this knowledge through trainings, workshops, conferences and research journals to various national and international institutions.
6. **Business Startup**
   University is focused on facilitating startups and creating businesses based on multidisciplinary fields.
7. **Linkages and Networking**
   University establishes strong ties with various national and international universities, industries and government.
8. **Optimization of Resources**
   University is focused that the human capital, infrastructure and financial resources must be utilized optimally for accruing and sustaining benefits.
9. **Environment Friendly**
   University is committed to make our university environment safest, greenest and cleanest in the region.
10. **Continual Improvement**
    University is committed to provide a rewarding and challenging environment for faculty, staff and students to kindle and sustain a passion for excellence.

PROGRAM LEARNING OUTCOMES (PLOS) FOR B.E. PROGRAMS

Introduction

The twelve graduate attributes provided by the PEC as per Manual of Accreditation 2019 (3rd Edition) have been adopted as the PLOs for its Bachelor of Engineering Programs in MUET Jamshoro. It is ensured that these PLOs are achieved by respective CLOs of Engineering curriculum as assessed through both direct and indirect methods.

List of PLOs

The twelve PLOs for Undergraduate (B.E) Engineering Program are:

1. **GA1 Engineering Knowledge:** An ability to apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

2. **GA2 Problem Analysis:** An ability to identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences.

3. **GA3 Design/Development of Solutions:** An ability to design solutions for complex engineering problems and design systems, components or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

4. **GA4 Investigation:** An ability to investigate complex engineering problems in a methodical way including literature survey, design and conduct of experiments, analysis and interpretation of experimental data, and synthesis of information to derive valid conclusions.

5. **GA5 Modern Tool Usage:** An ability to create, select and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modeling, to complex engineering activities, with an understanding of the limitations.

6. **GA6 The Engineer and Society:** An ability to apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to professional engineering practice and solution to complex engineering problems.

7. **GA7 Environment and Sustainability:** An ability to understand the impact of professional engineering solutions in societal and environmental contexts and demonstrate knowledge of, and need for, sustainable development.

8. **GA8 Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

9. **GA9 Individual and Team Work:** An ability to work effectively, as an individual or in a team, on multifaceted and /or multidisciplinary settings.

10. **GA10 Communication:** An ability to communicate effectively, orally as well as in writing, on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

11. **GA11 Project Management:** An ability to demonstrate management skills and apply engineering principles to one's own work, as a member and/or leader in a team, to manage projects in a multidisciplinary environment.

12. **GA12 Lifelong Learning:** An ability to recognize the need for, and have the preparation and ability to engage in, independent and life-long learning in the broadest context of technological change.

OUR MAJOR ACHIEVEMENTS

UNIVERSITY OF TODAY – WORKING FOR TOMORROW

- Ranked amongst top 400 engineering universities of the world in 2010
- Ranked 2nd best public sector engineering university of country and 1st in Sindh province
- 14 Patents registered
- Lifelong Learning Resource Centre Established
- FM Radio Frequency 96.2 Allotted
- Five start-up Companies Registered
- Launching of Mechatronics Engineering Program
- 150+ PHD faculty members
- Internationally published books by faculty
- First ever UNESCO/ICTP Regional Workshop on "FGPA Design for scientific instrumentation" held at MUET (indico.ictp.it/event/a14228/)
- Innovation & Entrepreneurship Centre (IEC) Established (iec.muet.edu.pk)
- US-Pak center for advanced studies in Water (USPCAS-W) Established (Water.muet.edu.pk)
- Baby Day Care Centre Established
- Establishment of Society of Women Engineers (SWE)
- Establishment of Student international societies and Chapters
- International Science-Policy Conference on Climate Change in Pakistan, held at Islamabad (sp3c.com.pk)
- 18 international conferences in last 4 years
- Organized conferences in Spain, Malaysia, Nepal and Ireland
- Collaborative linkages with International/National Universities and Industries
- Leading partner university in Erasmus Mundus, European Mobility Program
- First time in MUET history, more than 80 companies participated in Job Fair
- Students Financial Aid Office providing scholarships to more than 40% students
- Social events (Alumni reunion, Model United Nations, Big Event, MUET Gala)
- Serving communities through Corporate Social Responsibility (CSR) program
- DICE Energy & Water (DEW'1 First ever in history of MUET (dew.muet.edu.pk)
- Gender policy introduced by MUET, Jamshoro at: (www.muet.edu.pk/sites/default/files/MUET-Gender-Policy-Statement.pdf)

ACADEMIC CALENDAR 2021-22 FOR BACHELOR'S DEGREE PROGRAMS (TENTATIVE)*

Duration of a Semester:	
Teaching	16 Weeks
Mid Semester	01 Week
Final Semester Exam Preparation	01 Week
Final Semester Exam Conduct	02 Weeks
Semester Break	01 Week
Total	**21 Weeks**

Duration of a Year:	
Two Semesters	21 x 2 = 42 Weeks
Summer Semester/Winter Vacation	08 Weeks
Winter Break	02 Weeks
Total	**52 Weeks**

Minimum attendance requirement to be eligible to appear in the Semester Examination is 75%.
Minimum number of Lectures during the Semester in a subject of 3 CH shall be 45.
Minimum number of contact hours for a practical of 1 CH per Semester is 45.

FALL SEMESTER	
Batch & Semester	**21-Batch (1st Semester)**
Date of Start of Classes	**08-11-2021**
Conduct of Mid Semester Exam	**17-01-2022**
Winter Vacation 25-12-2021 to 09-01-2022	
Date of Suspension of Classes	**18-03-2022**
Schedule of Examination	**25-03-2022**
Display of Sessional Marks	**25-03-2022**
Examination Preparation up to	**27-03-2022**
Conduct of Final Semester Exam	**28-03-2022**
Semester Break 11-04-2022 to 17-04-2022	
Announcement of Result (Expected)	**22-04-2022**
Transcript Issuance (Expected)	**29-04-2022**

SPRING SEMESTER	
Batch & Semester	**21-Batch (2nd Semester)**
Date of Start of Classes	**18-04-2022**
Conduct of Mid Semester Exam	**15-08-2022**
Summer Vacation 28-05-2022 to 24-07-2022	
Date of Suspension of classes	**07-10-2022**
Schedule of Examination	**14-10-2022**
Display of Sessional Marks	**14-10-2022**
Examination Preparation up to	**16-10-2022**
Conduct of Final Semester Exam	**17-10-2022**
Semester Break 31-10-2022 to 06-11-2022	
Announcement of Result (Expected)	**11-11-2022**
Transcript Issuance (Expected)	**18-11-2022**

SUMMER SEMESTER	
Registration	**16-05-2022 to 27-05-2022**
Date of Start of Classes	**30-05-2022**
Conduct of Mid Semester Exam	**25-06-2022**
Date of Suspension of Classes	**22-07-2022**
Conduct of Final Semester Exam	**23-07-2022**

* The classes may vary due to Covid-19 Pandemic situation.

The classes for the Academic Session 2022-23 (22-Batch) shall be started with effect from **Monday, November 7, 2022**.

TABLE OF CONTENTS

1. INTRODUCTION

1.1 The University

The Mehran University of Engineering and Technology is known as MUET or Mehran UET in short. It is a public sector university catering to the future engineering professionals' demand of the Sindh Province in particular and the country in the broader sense. It was initially established as Sindh University Engineering College of the University of Sindh 1963. Accordingly, the college was first declared as an additional campus of the University of Sindh headed by a Pro-Vice-Chancellor in July 1976 and later upgraded to the level of a full-fledged independent University on March 1, 1977 through an ordinance issued by the Governor of Sindh. The ordinance was later converted into an Act of the Provincial Assembly of Sindh Province.

The new University was named as "Mehran University of Engineering and Technology". In 2004, the Centre of Excellence in Arts & Design was established in the University. In 2009, a constituent college named as 'Mehran University College of Engineering & Technology' was established at Khairpur Mirs' to cater the increasing demand of qualified engineers. Later on in 2013, it was upgraded as MUET, SZAB Campus, Khairpur Mirs'.

In 2013 HEC ranked, Mehran University of Engineering and Technology as the 4thbest engineering degree awarding institution in Pakistan, number one Engineering University of Sindh Province that attracts a number of students from all around Pakistan and from foreign countries, mostly from South Asia, Middle East and North Africa.

The University has a mission to produce high quality engineering graduates with extraordinary skills to fulfill the rising demand of the industry. The University is focusing on establishing stronger linkages with the industry in order to better understand their present and future engineering requirements. As of 2016, it is ranked among the top ten institutions of higher engineering learning in Pakistan by HEC. The University offers various engineering degree programs to undergraduate, postgraduate and doctoral students.

Mehran UET has the honor of being the first Public Sector Engineering University of the country to have successfully obtained the ISO 9000 Certification, when accreditation and quality standards certification was seen as unimportant to many higher education institutes. Mehran University of Engineering and Technology is a member of Association of Commonwealth Universities of the United Kingdom.

MUET has switched its paradigm from conducting research to its commercialization. Number of research projects are filed for patent, number of student startups are started through ORIC-IEC departments. Furthermore, the University has started to organize conferences and workshops globally.

1.2 Officers of the University

Followings are the main Officers of the University, responsible for overall administration, academic activities and development work in the University.

SR. NO.	POST	NAME	PHONE
1.	Vice-Chancellor	Prof. Muhammad Aslam Uqaili	022-2771197
2.	Pro-Vice-Chancellor Main Campus, Jamshoro	Prof. Dr. Tauha Hussain Ali	022-2771360
3.	Pro-Vice-Chancellor MUET, SZAB Campus, Khairpur Mir's	Prof. Dr. Abdul Sami Qureshi	0234-714005
4.	Dean, Faculty of Architecture and Civil Engineering	Prof. Dr. Khan Mohammad Brohi	022-2771638
5.	Dean, Faculty of Electrical, Electronic & Computer Engineering	Prof. Dr. Mukhtiar Ali Unar	022-2771558
6.	Dean, Faculty of Engineering	Prof. Dr. Khanji Harijan	022-2771312
7.	Dean, Faculty of Science, Technology & Humanities	Prof. Dr. Khan Mohammad Brohi (Incharge)	022-2771352
8.	Registrar	Prof. Dr. Abdul Waheed Umrani	022-2771371
9.	Director Finance	Mr. Zeeshan Ahmed Memon	022-2771442
10.	Controller of Examinations	Mr. Khalid Feroz Channa	022-2771631
11.	Director Admissions	Prof. Dr. Agha Faisal Habib	022-2771704
12.	Provost (Hostels)	Prof. Ghulam Abbas Mahar	022-2772299
13.	Director Works & Strategic Planning	Mr. Saghir Ahmed Memon	022-2771311
14.	Director Services / Incharge Transport Section	Mr. Qazi Riaz Hassan Qureshi	022-2109073
15.	Resident Auditor	Mr. Sagheer Ahmed Chandio	022-2772285
16.	Incharge Librarian	Mr. Azam Ali Halepoto	022-2771169

2. FACULTY OF ARCHITECTURE AND CIVIL ENGINEERING

2.1 Department of Architecture

2.1.1 The Department

The complexity of modern buildings calls for the effective combination of skill and talent in the best interest of Architecture & Environment. The Department of Architecture offers a comprehensive curriculum in a modern field that encompasses City Planning includes environmental consideration for both urban and sub-urban setting. Studies in Architecture are related to design and construction of houses and other building types keeping in view the appearance, comfort, usability, optimization between expenditure, facilities and environmental friendliness.

The Department of Architecture offers a full-time five-year course leading to the degree of "Bachelor of Architecture (B.Arch.)". The syllabus of the subjects is designed in such a way to acquaint the students with basic planning, aesthetics, design and drawing of plans and specification of various buildings. At the same time, some subjects concerning the basic Architectural design including Computer Aided Design (CAD) and socio-economic design are also included in the curriculum. Teachings through lectures in the class rooms are adequately supported by studios and laboratory work.

2.1.2 The Faculty

Chairman of the Department:
Prof. Moazam Ali Pathan
Phone: 022-2772293 / **Ext.:** 3100

Assistant Professors:

Mr. Moazam Ali Pathan
PgD, Pakistan.

Mr. Irfan Ahmed Memon
PgD, Pakistan.

Dr. Sabeen Qureshi
PhD, Malaysia.

Ms. Raheela Laghari
M.E, Pakistan.

Ms. Shahnila Ansari
M.E, Pakistan.

Lecturers:

Ms. Khalida Baloch
PgD, Pakistan.

Ms. Fareeda Mughari
B.Arch., Pakistan.

Mr. Abdul Waheed Memon
PgD, Pakistan.

Ms. Naheed Rohail
M.E, Pakistan.

Mr. Abdul Salam Talpur
PgD, Pakistan.

Ms. Firdous Parveen
PgD, Pakistan.

Studio Architects:

Mr. Jam Zeeshan Ali Korejo
PgD, Pakistan.

Lab. Supervisors:

Ms. Sania Rehman Memon
PgD, Pakistan.

Ms. Sabeen Shah Jilani
PgD, Pakistan.

Ms. Zoya Gul Kaka
B.Arch., Pakistan.

2.1.3 Laboratory Facilities

Thus, the numbers of laboratories have been established in the department, which include;

1. Model Making Lab
2. Computer Graphics Lab
3. Computer Lab
4. Photographic Lab
5. Surveying and Environment Materials Lab

Seminar Hall & Seminar Library have also been established to conduct the seminars and reference facilities in the department. In addition, frequent field visits are organized for the students to keep them abreast with the latest design and architectural practices in the country.

During the 5th / Final Year the students are also given a project/dissertation mostly for a building, in which they are expected to prepare design, drawings and a project report. The degree of B. Arch. is awarded to the students after they have fulfilled all the requirements for the degree including passing of all examinations and tests for practical work.

2.1.4 Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	AR111	Foundation Studio-I	02	04
	AR 112	Visual Communication	02	04
	AR 113	Sociology	02	00
	SS 111	Islamic Studies/Ethics	02	00
	PS 106	Pakistan Studies	02	00
		Total	**10**	**08**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	AR121	Foundation Studio-II	02	04
	AR 122	Building Materials-I	02	00
	AR 123	Model Making	00	03
	CE 135	Surveying	02	01
	EN 101	Functional English	03	00
		Total	**09**	**08**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
3rd Semester	AR 211	Architectural Design-I	02	04
	AR 212	Building Materials-II	02	00
	AR 213	Physical Environmental Studies	02	00
	AR 214	History of Art & Architecture-I	03	00
	AR 215	Computer Aided Design-I	00	02
	CE 250	Statics	02	00
		Total	**11**	**06**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
4th Semester	AR 221	Architectural Design-II	02	04
	AR 222	Building Construction-I	02	00
	AR 223	Building Services-I	03	00
	AR 224	History of Art & Architecture-II	03	00
	AR 225	Computer Aided Design-II	00	02
	AR 226	Structure in Architecture-I	02	00
		Total	**12**	**06**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
5th Semester	AR 311	Architectural Design-III	02	04
	AR 312	Building Construction-II	02	00
	AR 313	Building Services-II	02	00
	AR 314	History of Art & Architecture-III	03	00
	AR 315	Computer Aided Design-III	00	02
	AR 316	Structure in Architecture-II	02	00
		Total	**11**	**06**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
6th Semester	AR 321	Architectural Design-IV	02	04
	AR 322	Working Drawings & Details-I	00	03
	AR 323	Landscape Design	02	01
	AR 324	Muslim Architecture	02	00
	AR325	Theories & Criticism in Architecture	02	00
	AR 326	Structure in Architecture-III	02	00
		Total	**10**	**08**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
7th Semester	AR 411	Architectural Design-V	02	04
	AR 412	Working Drawings & Details-II	00	03
	AR 413	Interior Design	02	01
	AR 414	Architecture in Pakistan	02	00
	AR 415	Building Economics	02	00
	AR 416	Structure in Architecture-IV	02	00
		Total	**10**	**08**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
8th Semester	AR 421	Architectural Design-VI	02	04
	AR 422	Urban Planning & Design	03	00
	AR 423	Energy Efficient Architecture	03	00
	AR 424	Architectural Conservation	02	01
	AR 425	Architectural Research Methods	03	00
		Total	**13**	**05**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
9th Semester	AR 511	Architectural Design-VII	02	04
	AR 512	Research & Development project –I (Thesis	00	05
	AR 513	Sustainable Architecture	03	00
	CE 510	Quantity Surveying & Accounting	03	00
		Total	**08**	**09**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
10th Semester	AR 521	Research & Development Project-II (Thesis Project)	00	10
	AR 522	Disaster Management	02	00
	AR 523	Professional Practice & Management	02	00
		Total	**04**	**10**

2.1.5 Career Opportunities

Plenty of jobs available in government organization and private organizations / firms and a lot of opportunities to start once self-business firm.

2.2 Department of Civil Engineering

2.2.1 The Department

Civil Engineering is the process of directing and controlling natural resources for the use and benefit of humankind through the construction of various structures. It applies engineering practices to the planning and designing, construction, operation and maintenance of structures such as buildings, roads, bridges, railways, industries, airports, irrigation schemes, docks, harbors, dams, flood control systems, water supply, sewerage disposal schemes etc. Thus, civil engineering is the largest and broadest discipline of engineering.

The Department of Civil Engineering is the biggest department of the University in terms of infrastructure, student enrollment and faculty. It provides essential and advanced engineering education according to the requirements of the field. All the classrooms of the department are equipped with audio-visual facilities. The laboratories have the latest equipment and tools. Highly experienced faculty and technical staff are available to supervise the laboratories.

The Department of Civil Engineering has successfully adopted Outcome Based Education (OBE) system to meet the criteria of Pakistan Engineering Council (PEC) as per the Washington Accord. All the class tests, class & field assignments and semester exams are being assessed based on specific course learning objectives associated with each course.

The designed curriculum covers a wide range of various sub-discipline of the department including Structural Engineering, Concrete Technology, Geotechnical Engineering, Foundation Engineering and Design, Irrigation & Drainage Engineering, Transportation Engineering, Environmental Engineering, Construction Engineering, Construction Project Management etc. The courses fulfil the present demand of the construction industry as they are designed by involving the industrial experts. Various subjects require tutorials and laboratory work, for which adequate facilities and equipment are available.

The student-centric approach of the department focuses on outcomes from the individual student by the end of the course. Final year students also discover the various specialization fields through the Final Year Project assigned to them. The thesis projects may be specific to a particular branch of Civil Engineering like Structural Engineering, Geotechnical Engineering, Irrigation Engineering, Highway Engineering and Construction Management etc.

Besides, the students go to the field visits of the Civil Engineering projects such as water distribution structures, bridge & building structures, geotechnical works etc. During the summer vacations, the students are involved in various Civil Engineering projects in the form of internship in the organizations such as WAPDA, NESPAK, NHA, Works and Services Department, Irrigation Department, etc. These internships help them to gain practical engineering knowledge. The Survey Camp is conducted which consists of surveying activities such as levelling, traversing and detailing, and also introduces the usage of latest technologies of surveying tools in civil engineering projects.

The Department of Civil Engineering has a well-organized student's-based society with the name of Mehran University Civil Engineers' Society (MUCES). The society is actively engaged in conducting several curriculum & extra curriculum activities such as seminars, workshops, training, short courses, sports events, debates, competitions etc.

The Department of Civil Engineering also offers various postgraduate degrees such as Master of Engineering (M.E.) and Doctor of Philosophy (PhD) in the following fields.

1. Civil Engineering
2. Structural Engineering
3. Geotechnical and Highways Engineering
4. Construction Management

Vision of the Department:
The vision of the Department of Civil Engineering is to become an institution that provides state-of-the-art education to aspiring civil engineering graduates, and to evolve as a research-based solution provider to the civil engineering industry.

Mission of the Program:
The undergraduate program of Department of Civil Engineering aims to develop highly competent professionals, preparing them for entry-level positions in civil engineering, further study in graduate school, life-long learning, and societal leadership, by providing a dynamic learning environment that emphasizes problem-solving skills, teamwork, communication, and leadership skills.

Program Educational Objectives (PEOs):

1. Solve civil engineering problems faced by the industry by utilizing their theoretical, technical, and professional knowledge.
2. Function in team-oriented activities considering the societal, environmental, and economic impacts.
3. Continue professional growth through ethical, moral, and learning attitude.

2.2.2 The Faculty

Chairman of the Department:
Prof. Dr. Rizwan Ali Memon
Phone: 022-2772254-72 / **Ext.:** 7100

Professors:

Dr. Tauha Hussain Ali
PhD, Australia.

Dr. Aneel Kumar
PhD, Japan.

Dr. Rizwan Ali Memon
PhD, Pakistan.

Dr. Khalifa Qasim Laghari
PhD, Pakistan.

Dr. Nafees Ahmed Memon
PhD, Romania.

Dr. Safi Muhammad Kori
PhD, Pakistan.

Dr. Ashfaque Ahmed Memon
PhD, Pakistan.

Dr. Agha Faisal Habib
PhD, United Kingdom.

Dr. Zaheer Ahmed Almani
PhD, United Kingdom.

Dr. Pervez Shaikh
PhD, Pakistan.

Dr. Fareed Ahmed Memon
PhD, Malaysia.

Assistant Professors:

Mr. Jawaid Kamal Ansari
M.E, Pakistan.

Mr. Arshad Ali Memon
M.E., Pakistan.

Mr. Samar Hussain Rizvi
M.E, Pakistan.

Mr. Azizullah Jamali
M.E, Pakistan.

Mr. Amjad Ali Pathan
M.E, Pakistan.

Mr. Masroor Ali Jatoi
M.E., Pakistan.

Mr. Abdul Raqeeb Memon
M.E, Pakistan.

Lecturers:

Mr. Shabir Hussain Khero
M.E, Malaysia. (On Lien)

Mr. Farhan Qureshi
M.E, Pakistan.

Mr. Ali Murtaza Phull
(On Study Leave Abroad)

Mr. Fida Hussain Siddiqui
(On Study Leave Abroad)

Mr. Anees Raja
(On Study Leave Abroad)

Mr. M. Rehan Hakro
M.E, Malaysia.

Mr. Lal Chand
M.E, Pakistan.

Mr. Shankar Lal Meghwar
(On Study Leave Abroad)

Mr. Muhammad Ali Moriyani
M.E, Pakistan.

Mr. Anees Ahmed Vighio
M.E, Pakistan.

Mr. Manoj Kumar Sutehar
M.E, Pakistan.

Mr. Rabinder Kumar Lohano
M.E, Malaysia.

Mr. Hafiz Usama Imad
M.E, Pakistan.

Mr. Abdul Qudoos Malano
M.E, Pakistan.

Dr. Naeem Aziz Memon
PhD, United Kingdom.

Mr. Ali Raza Khoso
(On Study Leave Abroad)

Mr. Izat Ali Sahito
M.E, Pakistan.

Associate Professors:

Dr. Ashfaque Ahmed Pathan
PhD, Pakistan.

Mr. Fahad Ali Shaikh
M.E, Pakistan.

2.2.3 Laboratory Facilities

The Department of Civil Engineering has following laboratories. All the laboratories are well equipped with advanced and conventional testing equipment.

1. Soil Mechanics Laboratory
2. Highway Engineering Laboratory
3. Engineering Geology Laboratory
4. Concrete Laboratory
5. Material Testing Laboratory
6. Engineering Mechanics Laboratory
7. Environmental Engineering Laboratory
8. Hydraulics Laboratory
9. Software laboratory
10. Surveying Laboratory

2.2.4 The Courses

	Course Code	Subject	Credit Hours	
			Theory	Practical
First Semester	CE102	Geometrical Drawing	02	01
	CE106	Civil Engineering Materials	03	01
	CE116	Engineering Mechanics	03	01
	FE101	Functional English	03	00
	CS146	Introduction to Computing &Programming	02	01
		Total	**13**	**04**

	Course Code	Subject	Credit Hours	
			Theory	Practical
Second Semester	CE112	Surveying-I	02	01
	MTH108	Applied Calculus	03	00
	SS111/SS104	Islamic Studies / Ethics	02	00
	PS106	Pakistan Studies	02	00
	CE122	Civil Engineering Drawing	02	01
	CE125	Engineering Geology	03	01
		Total	**14**	**03**

	Course Code	Subject	Credit Hours	
			Theory	Practical
Third Semester	CE202	Surveying-II	03	01
	CE207	Transportation Engineering	03	00
	CE211	Strength Materials-I	03	00
	MTH204	Differential Equations, Fourier Series and Laplace Transforms	03	00
	CE227	Fluids Mechanics and Hydraulics	03	01
		Total	**15**	**02**

	Course Code	Subject	Credit Hours	
			Theory	Practical
Fourth Semester	CE221	Theory of Structures	03	00
	CE241	Applied Hydraulics	03	01
	CE231	Construction Engineering	03	00
	CE250	Strength of Materials-II	03	00
	MTH206	Complex Analysis, Statistical Methods and Probability	03	00
	CE246	Architectural and Town Planning	02	00
		Total	**17**	**01**

			Theory	Practical
Eight Semester	CE426	Foundation Engineering	03	00
	CE431	Environmental Engineering-II	03	00
	CE437	Construction Planning& Management	03	00
	CE442	Drainage Engineering	02	00
	CE451	Traffic Management and Pavement Design	02	01
	CE499	Final Year Project (FYP)-II	00	03
		Total	**13**	**04**

2.2.5 Career Opportunities

The BE program at MUET, Jamshoro provides a clear route to a professional career in Civil Engineering. Our graduates can follow careers in many different fields and organizations related with Civil Engineering Projects and can also set up their own businesses. Typical employment sectors for civil engineers include, consulting firms, contractors, local authorities, public sector departments (Buildings, Highways, Railways, Airports, Irrigation, Water and Power, Ports etc.), non-profit and research organizations.

2.3 Department of City & Regional Planning

2.3.1 The Department

In order to meet the ever-increasing demand for qualified Urban and Regional planners, to provide better and pollution-free living environment to the people, to ensure planned growth, and to control and guide future planning activities in urban and rural areas of the country, a full-time four-year course is offered in the field of City and Regional Planning.

The aim of the program is to produce Urban and Regional Planners with the interdisciplinary skill s to meet the demands of rapidly increasing cities which can meet the sustainable development and planning millennium goals.

Keeping in view the baseline curriculum prepared by the National Curriculum Revision Committee constituted by the Higher Education Commission (HEC), the curriculum was revised and updated for 13-Batch and onwards, to bring it in line with local, national and international requirements and to introduce innovation to ensure quality of education and uniformity of curriculum in the Pakistani universities, which is also in accordance with the recommendations of the Pakistan Council of Architects and Town Planners (PCATP).

The curriculum is designed in such a way that it involves a wide spectrum of activities regarding the preparation of master plans and development plans for villages, towns, cities, and regions. To provide the practical knowledge, the study visits of different towns and cities are conducted to collect the primary data about the physical, social and economic aspects of housing, infrastructure, traffic and transportation, slums and katchi-abadies, etc. It also involves analysis, preparation and implementation of proposed policies, programs and plans for improvement of old urban areas and development of new settlements at both urban and regional levels.

On successful completion of the entire requirement for the degree, the students will be awarded the degree of Bachelor of City and Regional Planning (B.CRP). Four batches are admitted in year 2017, 2018, 2019 and 2020 respectively. The department also offers the degree of Masters (M.CRP and Doctor of Philosophy (PhD) in the field of City and Regional Planning.

Objectives of the Department

Following are the main objectives of the Department:

- To provide world-class advanced education knowledge and skills in the field of City and Regional Planning;
- To conduct outstanding technical basis and applied research in the field of City and Regional Planning profession;
- To provide professional in various streams of specializations in City and Regional Planning.

2.3.2 The Faculty

Chairman of the Department:
Dr. Imtiaz Ahmed Chandio
Phone: +92 (0) 22 2772294 / **Ext.:** 7200

Associate Professor:

Dr. Imtiaz Ahmed Chandio
PhD, Malaysia.

Dr. Mir Aftab Hussain Talpur
PhD, Malaysia.

Assistant Professors:

Dr. Saima Kalwar
PhD, Malaysia.

Dr. Irfan Ahmed Memon
PhD, Malaysia.

Mr. Fahad Ahmed Shaikh
M.CRP., Pakistan.

Dr. Noman Sahito
PhD, China.

Mr. Taufique Ahmed Qureshi
B.CRP., Pakistan
(On Study Leave)

Mr. Muhammad Yousif Mangi
M.CRP., Pakistan.

Mr. Ubedullah Soomro
B.CRP., Pakistan.

Lecturer:
Mr. Naveed Agro
B.CRP., Pakistan.
(On Study Leave)

Mr. Shahbaz Khan
M.CRP., Pakistan.

2.3.3 Laboratory Facilities

The following laboratory facilities are available in the department:

1. Computer Lab
2. Graphic & Model Making Lab.
3. Photographic Developing & Printing Lab.
4. Surveying Lab.
5. Drawing Studio

2.3.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
First Semester	CRP111	Introduction to Planning	03	01
	CRP112	Technical Drawing	02	02
	MATH110	Calculus & Statistical Methods	03	00
	SS111	Islamic Studies / Ethics	02	00
	PS106	Pakistan Studies	02	00
	AR154	Model Making	00	02
		Total	**12**	**05**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Second Semester	CRP121	Socio-economic Aspects of Planning	03	00
	CRP122	Architectural Design for Planners	02	02
	CE120	Surveying-I	03	01
	MATH 114	Planning Data Analysis	03	00
	ENG 111	Functional English	03	00
		Total	**14**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Third Semester	CRP 211	History of Urban Planning	03	00
	CRP212	Transportation Engineering	03	01
	CRP213	Construction Technology	03	01
	CE 201	Surveying-II	03	01
	CRP214	Communication Skills & Report Writing	02	00
		Total	**14**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Fourth Semester	CRP 221	Planning Law	03	00
	CRP 222	Housing	03	00
	CRP223	Transportation Planning	03	01
	CRP224	Mapping & Remote Sensing	03	01
	CRP 225	Computer Aided Design	02	01
		Total	**14**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Fifth Semester	CRP 311	Urban Renewal	02	01
	CRP 312	Planning Techniques	03	00
	CRP313	Site Planning and Urban Design	03	01
	CRP314	Environmental Engineering	03	01
	CRP315	Information & Database Management	02	01
		Total	**13**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Sixth Semester	CRP 321	Research Methods	03	00
	CRP 322	Planning of New Towns	03	01
	CRP 323	Rural Planning	02	01
	CRP 324	Environmental Planning & Management	03	01
	CRP 325	Introduction to Geographical Information System	02	01
		Total	**13**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Seventh Semester	CRP 411	Master Planning-I	02	01
	CRP 412	Landuse & Building Control	02	01
	CRP 413	Project Planning and Management	03	01
	CRP 414	District & Regional Planning	03	01
	CRP 415	Community Development	02	01
	CRP 499	Thesis/Project*	00	00
		Total	**12**	**05**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Eight Semester	CRP 421	Master Planning-II	03	02
	CRP 422	Estate Management	03	00
	CRP 423	Finance Planning & Management	03	00
	CRP 424	Planning Practice	02	00
	CRP 425	Project	00	06
		Total	**11**	**08**

2.3.5 Career Opportunities

After qualifying, our graduates can serve the nation as professional Planners in the public sectors such as, Ministry of Planning and Development (Housing and Physical Planning), Ministry of Local Government (Sindh Building Control Authority), Ministry of Communication, Planning Commission of Pakistan, Ministry of Environment, Military Engineering Services (MES) of Pakistan, Private Planning and Development Consultant Firms and nonprofit research organizations.

The department of City & Regional Planning has played a vital role not only in Town Planning Education but also in the development of Urban Research in the Country.

2.4 Institute of Environmental Engineering and Management

2.4.1 The Institute

With increased awareness about environmental issues at the global and national levels, environmental engineering has become a fast-emerging discipline with vast scope for progression in the future. The Institute of Environmental Engineering & Management (IEEM) has been established to create new ideas and find innovative solutions related to local, regional, and global environmental issues. Today, Pakistan stands on the threshold of implementing environmental standards. Environmental Protection Agencies (EPAs) of the five provinces and federal government have been assigned the task to implement environmental standards that will provide a large number of qualified experts in Environmental Engineering. The scope of Environmental Engineer goes beyond the community and regional levels to a global level.

The Bachelor of Engineering (B.E.) program is based on comprehensive theoretical knowledge and thorough practical training supported by field visits and industrial training. The syllabus of the B.E degree program includes a variety of subjects related to the scope of environmental engineering. The Institute of Environmental Engineering & Management (IEEM) faculty members are highly qualified, having PhD and M.E degrees in the relevant field.

Mission of the Program

Environmental Engineering program imparts high-quality education with the vision of producing engineers to provide innovative solutions to the environmental challenges and nurture personal growth skills as creative and entrepreneurial minds along with professional ethics to have successful career.

Program Educational Objectives (PEOs)

Program educational objectives are based on the needs of the program's constituencies and are linked to student learning outcomes and assessment process. The program needs to demonstrate a well-defined and published program mission which are based on stakeholder's needs. After 5 years of graduation, our students will be able to:

Sr. No.	PEOs
1	Apply engineering knowledge to design, build and improve environmental engineering-based systems to address the technical and socio-economic problems.
2	Perform their professional and societal obligation by promoting public health, safety, and welfare and address the environmental issues through their services and practices.
3	Work effectively as a member or lead multidisciplinary teams to serve the community for professional development and continual improvement.

2.4.2 The Faculty

Director of the Institute:
Dr. Sheeraz Ahmed Memon
Phone: 022-2772253 / **Ext.:** 7300

Professors:

Dr. Khan Muhammad Brohi
PhD, Japan.

Associate Professors:

Dr. Abdul Razaque Sahito
PhD, Pakistan.

Dr. Sheeraz Ahmed Memon
PhD, Korea.

Assistant Professor:

Dr. Muhammad Safar Korai
PhD, Pakistan.

Mr. Azizullah Channa
M.E, Pakistan.

Ms. Maryam
M.E, Pakistan.

Lecturers:

Engr. Sajid Hussain Mangi
M.E, Pakistan.

Engr. Barkatullah Kandhro
M.E, Pakistan. (On Contract)

Engr. Kundan Kumar
M.E, Pakistan.
(On Contract)

2.4.3 Laboratory Facilities

The department is also equipped with the laboratories are listed below, having advanced and latest instruments.

1. Hi-Tech Laboratory
2. Water & Soil Pollution Control Laboratory
3. Solid Waste Management Laboratory
4. Air & Noise Pollution Control Laboratory
5. GIS & Computer Laboratory
6. Thermo Laboratory
7. Microbiology Laboratory

2.4.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	EE101	Introduction to Environmental Engineering	3	0
	CS146	Introduction to Computing and Programming	2	1
	CE137	Surveying	3	1
	ENG101	Functional English	3	0
	EE110	Environmental Physics	2	0
		Total	**13**	**02**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	IS111/ SS104	Islamic Studies/Ethics	2	0
	PS106	Pakistan Studies	2	0
	MTH108	Applied Calculus	3	0
	EE121	Environmental Chemistry	2	1
	CE116	Engineering Mechanics	3	1
	EE131	Introduction to Microbiology	2	1
		Total	**14**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
3rdSemester	EE204	Ecological Management	2	0
	CE277	Engineering Drawing Practices	2	1
	MTH236	Linear Algebra & Analytical Geometry	3	0
	CE263	Fluid Mechanics	2	1
	MT250	Engineering Materials and Environment	2	1
	EE203	Water Supply Engineering	3	1
		Total	**14**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
4thSemester	EE242	Environmental Economics	2	0
	ME276	Applied Thermodynamics	3	1
	MTH212	Differential Equations & Fourier Series	3	0
	CE276	Computer Aided Design (CAD)	2	1
	EE272	GIS & Remote Sensing	2	1
	EE233	Wastewater Engineering	3	1
		Total	**15**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
5thSemester	ENG310	Communication Skills& Technical Writing	3	0
	MTH319	Numerical Analysis	3	1
	EL301	Electrical Technology	2	1
	CE372	Water Resources Engineering and Management	3	1
	EE331	Environmental Biotechnology	2	1
		Total	**13**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
6thSemester	ME390	Renewable and Emerging Energy Technologies	3	1
	EE313	Solid Waste Engineering & Management	3	1
	EE323	Entrepreneurship	2	0
	MTH317	Statistics and Probability	3	0
	EE326	Air and Noise Pollution Control Engineering	3	1
		Total	**14**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
7thSemester	CE461	Soil Mechanics for Environmental Engineers	3	1
	EE414	Modelling of Environmental Systems	3	1
	EE494	Natural Resources Management	3	0
	CE471	Project Planning & Management	3	0
	EE434	Environmental Management System &Standards	2	0
	EE498	Final Year Project-I	0	3
		Total	**14**	**05**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
8thSemester	EE465	Hazardous Waste Risk Assessment & Management	3	0
	EE424	Health, Safety &Environment	3	0
	EE454	Environmental Impact Assessment	3	0
	EE484	Cleaner Production Techniques	2	1
	EE404	Professional Ethics	2	1
	EE499	Final Year Project-II	0	3
		Total	**13**	**04**

2.4.5 Career Opportunities

Environmental Engineering undergraduate and postgraduate programs offer you opportunities to work in different aspects of environmental protection. The major areas include:

- Water Supply and Wastewater Engineering and Treatment
- Air Pollution Control and Management
- Solid Waste Engineering and Management
- Hazardous Waste Management
- Storm Water Management
- Health, Safety and Environment (HSE)
- Environmental Impact Assessment (EIA)
- Green Engineering
- Natural resource management.
- Public Health and Land Pollution Control.

Environmental engineers are also leaders in developing, planning, and implementing environmental sustainability principles, including waste reduction, alternative energy, and life-cycle analysis. Within each of these major categories, there are also many sub-categories.

This institute provides opportunities to the students with unique hands-on and pragmatic approaches by arranging internships abroad such as Turkey, China, and Sri Lanka to help students become aware of environmental problems encompassed by the world.

Environmental Engineering provides opportunities for the type of work, for whom you work, and where you work. A career in Environmental Engineering offers a comfortable salary, job security, and considerable personal satisfaction.

3. FACULTY OF ELECTRICAL, ELECTRONICS AND COMPUTER SYSTEMS ENGINEERING

3.1 Department of Biomedical Engineering

3.1.1 The Department

Mehran university of Engineering and technology has the privilege to establish the Biomedical Engineering Department for the first time in the history of all Public Sector Universities of Pakistan. The program of Biomedical Engineering was started in 2003. Since 2011, the Department of Biomedical Engineering is housed in a separate spacious building with young, dynamic and visionary leadership. It is a progressive educational unit of Mehran UET and serving the nation by producing engineers who have a very versatile scope of studies in the area of Medical Imaging, Diagnostics, Radio and laser surgery, Biotechnology, Nano technology, Computer Science, Electronics, Telemedicine, and other related domains.

The department aims to produce engineers who can serve as computational medicine designers, prosthetic device designer, biomedical equipment designers, maintenance engineers, sales managers, after-sale service managers, telemedicine solution designers and researchers.

Currently, the Department of Biomedical Engineering is accredited under Outcome Based Education system with the Pakistan Engineering Council. A continuous process for Quality Improvement is in place and involvement of all stakeholders in this knowledge economy can be witnessed. The Bachelor of Biomedical Engineering Program has following Program Educational Objectives (PEOs), to produce engineers with the capabilities to:

1. Work in a multidisciplinary field at the interface of engineering, medicine, and biology to design sustainable healthcare solutions.
2. Lead as an entrepreneur / a manager to contribute towards knowledge-based economy in the field of healthcare.
3. Independently master new knowledge and technologies, as well as successfully engage in post-graduate studies and research in biomedical engineering and allied fields.

The department has all the necessary infrastructure to support its vibrant academic, research and co-curricular activities, including spacious and airy edifice, seminar library, state-of the-art laboratory equipment, efficient administrative staff, free internet (both Ethernet and Wi-Fi), and the printing and scanning facilities.

Directorate of Industrial liaison, Office of Research Innovation and Commercialization, as well as Innovation Entrepreneurship Centre facilitate our students in their training in the industry, hospitals, and other national / international healthcare institutions, through study visits and internships. We are actively involved in guiding the students on their research projects with close interaction of the industry, to have them the right feel of the current issues in the field and to come up without-of-the-box solutions to address the problems of the suffering humanity.

The Department has also signed the Memoranda of Understanding with Atomic Energy Commission of Pakistan, Liaquat University of Medical and Health Sciences Jamshoro, Hashmani Hospital Karachi along with many others (https://www.muet.edu.pk/departments/biomedical-engineering/industrial-linkages/ mous).

3.1.2 The Faculty

Chairman of the Department:
Prof. Dr. Ahsan Ahmad Ursani
Phone: 022-2772279

Professor:
Dr. Ahsan Ahmad Ursani
PhD, France.

Associate Professors:
Dr. Syed Amjad Ali Shah
PhD, China.

Dr. Abdul Qadir Ansari
PhD, Pakistan.

Assistant Professors:
Engr. N.P. Chowdhry
M.S, United Kingdom.

Dr. Muhammad Arif
PhD, United Kingdom
(On Leave Abroad)

Engr. Rabia Chandio
M.E, Pakistan

Dr. Maheen Mahwish Surahio
PhD, China.

Lecturers:
Engr. Syed Faisal Ali
B.E, Pakistan.

Engr. Salman Afridi
M.E, Pakistan.

Dr. M. Aamir Panhwar
PhD, China.

Engr. Kandeel Fatima
M.E, Pakistan.

3.1.3 Laboratory Facilities

Biomedical Engineering department has the following five well-equipped laboratories:

1. Biomedical Instrumentation lab
2. Biomedical Sciences Lab
3. Biomedical Computing Lab
4. Biomedical Engineering lab
5. Telemedicine and Research Lab
6. Nano-medicine Laboratory

3.1.5 Career Opportunities

Biomedical Engineering is a broad and multidisciplinary field that encompasses industry ranging from Pharmaceutics to Genetics, and from Diagnostics to Rehabilitation. Therefore, its graduates find their full role within the auspices of state-of-the-art diagnostic centers, hospitals, telemedicine centers, biomedical equipment manufacturers and distributors, drug manufacturers, software development houses, automobile industry, research laboratories and research institutions.

There is a growing demand for biomedical engineers in Pakistan. Biomedical engineers who monitor and maintain the databases of electronic patient records, medical instrumentation and work with physicians to adapt instrumentation for the specific needs of the physician and hospitals are most wanted in hospitals in Pakistan. Biomedical engineers who develop hardware, software, computer adaptations and provide cognitive aids to assist patients with memory impairment are also sought after. Our graduates are serving at national and international organizations of high repute here and abroad such as National Specialty Alloys Inc. USA, Siemens, Almosawiq Al-Arabia SA, Al-Sharq Hospital, Fujairah Hospital Dubai, Al-Noor Hospital Bahrain, Austin Health Group Australia, and many others.

Modern hospitals, pharmaceutical companies, biomedical device manufacturers and vendors, Diagnostic Research laboratories, Government, Automobile industry, and even Software Development Companies hire Biomedical Engineers. Biomedical engineering is the design and manufacturing faction of the healthcare industry. Employers look for biomedical engineers to manage hospitals, help develop and use many innovative instruments to diagnose and treat diseases, restore self-reliance and functionality to patients.

3.2 Department of Computer Systems Engineering

3.2.1 The Department

Computer Systems Engineering is a discipline that integrates fields of Electrical Engineering and Computer Science required developing Computer Systems. Computer Engineers usually have training in Electronic Engineering, Software Design, and Hardware-Software integration instead of only Software Engineering or Electronic Engineering. Computer Engineers are involved in many hardware and software aspects of computing, from the circuit design of individual microprocessors, personal computers, and supercomputers, to latest development of communication system and networks. Therefore, this field of engineering not only focuses on how computer systems work, but also how they integrate into the larger picture.

Usual tasks involving Computer Engineers include writing software and firmware for embedded microcontrollers, designing analogue sensors, designing mixed signal circuit boards, and designing operating systems. Computer Engineers are also suited for robotics research, which relies heavily on using digital systems to control and monitor electrical systems like motors, communications, and wireless sensors. Due to increasing job requirements for engineers, who can concurrently design hardware, software, firmware, and manage all forms of computer, information and management systems used in industry. The department offers a carefully designed multidisciplinary courses and degree programs.

The Department of Computer System Engineering is leaving no stone unturned to achieve its transformation to practice in true spirit the education system based on outcome-based education (OBE) system.

Vision of the Department

To lead in computing education for a smart, secure and sustainable future.

Mission of the Program

The mission of the department of Computer Systems Engineering is to impart world class education to computer engineers, enabling them to become successful in their professional career and lifelong learning by exhibiting moral and ethical values, thereby becoming a useful part of the society and contributing positively to the socio-economic growth of the country.

Program Educational Objectives (PEOs)

The program educational objectives (PEOs) are prepared by the OBE implementation committee for outcome-based education implementation and are approved through the Board of Studies, Board of Faculty and Academic Council. The PEOs are prepared on the basis of stakeholders' needs and linked with twelve program learning outcomes. Three PEOs have been finalized after thorough deliberation and comprehensive meetings.

1. To produce graduates having strong computer engineering knowledge that will be leading towards the development of technical competency and participate in professional engineering practices with appropriate consideration for health and safety, environmental, legal, social and cultural aspects
2. To prepare graduates to attain success in technical careers and demonstrate professional skills in the field of computer systems engineering.
3. To prepare graduates to become responsible citizens with high ethical and professional standards as well as awareness of the societal impact of computer and information technologies.

The twelve graduate attributes provided by the PEC as per Manual of Accreditation 2014 have been adopted by the Department of Computer Systems Engineering (CSE) MUET Jamshoro as the Program Learning Outcomes (PLOs) for its bachelor's in CSE Program. It is ensured that these PLOs are achieved by respective CLOs of CSE curriculum as assessed through both direct and indirect methods. The curriculum has also been updated and CLOs for each course is designed along with its difficulty level as per Blooms Taxonomy, i.e., cognitive, affective and psychomotor.

3.2.2 The Faculty

Chairman of the Department
Prof. Dr. Shahnawaz Talpur
Phone: 92- 022-2772276-2772250-73 / **Ext.:** 4202

Meritorious Professor:
Dr. Mukhtiar Ali Unar
PhD, United Kingdom.

Professor Emeritus:
Dr. A. Q. K. Rajput
PhD, United States of America.

Professor:
Dr. T.J. Saifullah Khanzada
PhD, Germany.
(On Lien: Ex-Pakistan)

Associate Professors:
Dr. Sheeraz Memon
PhD, Australia.
(On Lien: Ex-Pakistan)

Dr. Shahnawaz Talpur
PhD, China.

Dr. M. Moazzam Jawaid
PhD, United Kingdom.

Assistant Professors:
Mr. Arbab Ali Samejo
M.E, Pakistan.

Ms. Zartasha Baloch
PhD, Pakistan (waited for Result)

Mr. Rizwan Badar Baloch
M.E, Pakistan.

Dr. Adnan Ashraf
PhD, Pakistan.

Dr. Sammer Zai
PhD, South Korea.

Dr. M. Ahsan Ansari
PhD, South Korea.

Dr. Sanam Narejo
PhD, Italy.

Dr. Irfan Ali Bhacho
PhD, South Korea.

Dr. Bushra Naz
PhD, China.

Mr. Ali Asghar Manjotho
M.E., Pakistan.
(On Study Leave)

Lecturers:
Mr. Salahuddin Jokhio
M.E, Pakistan.
(On Study Leave)

Mr. Fawad Ali Mangi
M.E, Pakistan.
(On Study Leave)

3.2.3 Laboratory Facilities

Following state-of-the-art laboratories are available for the students where hands-on experiences provided. These laboratories provide high speed internet services in centralized environment.

1. Computing Lab-I
2. Computing Lab-II
3. Microprocessor Lab
4. Communication Lab
5. Advance Software Engineering & Research Lab
6. Multimedia and Visual Design Studio Lab
7. Data Management and Internet Lab
8. Software Development Lab

3.2.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	MTH-102	Applied Calculus	3	0
	CS-111	Information and Communication Technologies	2	1
	CS-151	Computer Programming	3	1
	ENG-101	Functional English	2	0
	EL-101	Basic Electrical Engineering	3	1
		Total	**13**	**03**

2nd Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	MTH-112	Linear Algebra and Analytical Geometry	3	0
	EL-103	Electrical Circuit Analysis	3	1
	CS-153	Object Oriented Programming	3	1
	IS-111/SS-104	Islamic Studies / Ethics	2	0
	PS-106	Pakistan Studies	2	0
	ENG-102	Communication Skills	2	0
		Total	**14**	**02**

3rd Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	CS-211	Digital Logic and Design	3	1
	CS-203	Technical Report Writing	3	0
	ES-128	Electronic Circuits and Devices	3	1
	CS-221	Discrete Structures	2	0
	MTH-224	Differential Equations	3	0
		Total	**14**	**02**

4th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	TL-231	Signals And Systems	3	1
	MTH-226	Fourier Series and Transforms	2	0
	CS-251	Data Structures and Algorithms	3	1
	CS-201	Computer Architecture and Assembly Programming	3	1
	IND-202	Engineering Economics and Project Management	3	0
		Total	**15**	**03**

5th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	CS-311	Microprocessors and Interfacing	3	1
	CS-321	Computer Networks	3	1
	CS-331	Software Engineering	3	0
	MTH-311	Statistic and Probability	3	0
	CS-302	Operating Systems	3	1
		Total	**14**	**03**

6th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	TL-376	System and Network Security	2	0
	CS-373	Web Engineering	3	1
	CS-353	Database Management System	3	1
	ES-316	Embedded Systems	2	1
	CS-363	Digital Image Processing	3	1
		Total	**13**	**04**

7th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
		CEDE-I	3	**0**
	CS-431	Mobile & Wireless Communication	3	1
	CS-452	Artificial Intelligence	3	1
	ENT-421	Entrepreneurship	2	0
	CS-498	Final Year Project-I	0	3
		Total	**11**	**05**

8th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	CS-461	Data Science Tools and Techniques	3	1
		MDEE-I	2	1
	CS-471	Human Computer Interaction	2	0
	MGT-426	Organizational Behavior	2	0
	CS-499	Final Year Project	0	3
		Total	**09**	**05**

Computer Engineering Depth Electives (CEDE)

1. **(CS-481)** Internet of Things
2. **(CS-485)** Cloud and Distributed Computing
3. **(CS-482)** Systems Programming

Multi-Disciplinary Engineering Electives (MDEE)

1. **(CS-491)** Block chain Technologies and Applications
2. **(CS-492)** Neural Networks and Fuzzy logic
3. **(CS-493)** Mobile Application/Game Development
4. **(CS-494)** Data Warehousing and Big Data

CQI Mechanisms

The procedures for reviewing and revising the program conduct and attainment of PEOs, PLOs and CLOs and to ensure the correct actions for continuous quality improvement are performed by different committees. **Departmental Management Review Committee (DMRC)** and **Curriculum Revision Committee (CRC)** are responsible to design, update and revise the curriculum of the Department of Computer Systems Engineering, from time to time depending on need of industry and suggestions given by stakeholders. The establishments and revisions are then approved through Board of Studies, **Board of Faculty and Academic Council. Industrial Liaison Committee (ILC)** is responsible to look after matters related to student and industry collaborations, such as internships, study visits, obtaining feedback from alumni/industry stakeholders, communicating job opportunities for graduating students, managing job recruitment in industries and other related activities. **Final Year Project Committee (FYPC)** is responsible to facilitate students for creating final year project groups, planning project presentations in different phases, and maintaining, managing theses records and other final year project related activities. **Industrial Advisory Board (IAB)** is responsible to facilitate departmental coordination with industry in order to prepare graduates that are ready for the industry.

3.2.5 Career Opportunities

The computerization of most facets of modern business and industry, together with the great demand for technical manpower creates a multitude of possibilities. As a career option that can allow an individual to be involved in the creation and implementation of a Computer System, Computer Systems Engineers are professionals who are actively engaged in the process of matching current technology with the needs of a company. As part of this task, the Computer Systems Engineer engages in the evaluation and installation of software, hardware, and other types of support equipment into a workable network that supports a variety of functions within a corporation. The Computer Systems Engineer may function as an employee of the company, a representative of a computer components and hardware, or as an independent consultant. Moreover, the computer system engineer has a wide range of job opportunities available, including electronic, telecommunication and software engineering fields.

The Computer Systems Engineer finds employment in a wide variety of computerized environments such as hardware, software, networking, research and development, process or information control systems or a combination of the above mentioned. The engineer might specialize further in any one of these chosen fields. Responsibilities may include maintenance or optimization of such environments. Additional functions could include the design, development, and implementation of additional or new systems, liaison with other departments such as management, production and instrumentation as well as with clients is an important aspect of his job. The dedicated Computer Systems Engineer may seek a senior post such as filling the post of System Administrator, Lead System or Project Manager.

3.3 Department of Electrical Engineering

3.3.1 The Department

Electrical Engineering is a branch of Engineering concerned with the study and application of electricity, electronics and electromagnetism. It also deals with the large-scale electrical systems such as power generation, transmission, distribution and utilization of electrical energy.

The department of Electrical Engineering is one of the oldest and prestigious department of the university supported and equipped with highly qualified faculty and technical staff. The department has 27 full-time faculty members. Several faculty members have won prestigious awards for their teaching and research work.

Our department labs serve not only undergraduate and postgraduate students but they also provide services to the public and private sectors like training, equipment testing, calibration and consultancy to academia & industry. Besides academic activities, the department's faculty and students are involved in research and development activities in collaboration with industries.

The degree conferred to the undergraduate students is based on successful completion of four-year degree program. The postgraduate students receive M.E degree after successful completion of 18-months course and research work. Currently 518 undergraduate, 82 postgraduate and 20 PhD students are enrolled in the department.

The undergraduate and postgraduate students are drawn from across the country and abroad. The undergraduate program emphasizes teaching Electrical Engineering fundamentals and applications as well as advanced engineering studies, enabling young graduates to work in industry or pursue higher education with great confidence.

3.3.2 The Faculty

Chairman of the Department:
Prof. Dr. Ashfaque Ahmed Hashmani
Phone: 022-2771351

Professors:

Dr. Muhammad Aslam Uqaili
PhD, United Kingdom.

Dr. Ashfaque Ahmed Hashmani
PhD, Germany.

Dr. Abdul Sattar Larik
PhD, Pakistan.

Dr. Zubair Ahmed Memon
PhD, Pakistan.

Dr. Syed Asif Ali Shah
PhD, Austria.

Dr. Mukhtiar Ahmed Mahar
PhD, Pakistan.

Dr. Ali Asghar Memon
Ph.D. United Kingdom

Associate Professors:

Dr. Amir Mahmood Soomro
PhD, China.

Dr. Nayyar Hussain Mirjat
PhD, Pakistan.

Dr. Faheemullah Shaikh
PhD, China.

Dr. Mahesh Kumar Rathi
PhD, Malaysia.

Assistant Professors:

Dr. Anwar Ahmed Memon
PhD, Pakistan.

Mr. Noor Nabi Shaikh
B.E, Pakistan.

Mrs. Mokhi Maan Chang
M.E, Pakistan.

Mr. Muhammad Rashid Memon
M.E, Pakistan.

Mr. Mansoor Ahmed Soomro
M.E, Pakistan. (On Study Leave)

Mr. Shah Murad Tunio
M.E, Pakistan. (On Lien)

Dr. Abdul Hakeem Memon
PhD, China.

Mr. Shoaib Ahmed Khatri
M.E, Pakistan.
(On Study Leave)

Mr. Shafi Muhammad Jiskani
M.E, Pakistan.

Lecturers:

Mr. Abdul Latif Samoon
M.E, Pakistan.

Mr. Zohaib Ahmed Leghari
M.E, Pakistan.
(On Study Leave)

Mr. Faheem Shafeeque Channar
M.E, Pakistan.

Mr. Shoaib Shaikh
M.E, Pakistan.

Mr. Mustafa Memon
M.E, Pakistan.

3.3.3 Laboratory Facilities

It possesses state of the art laboratories and equipped with latest equipment up to mark for the electrical engineering program such as:

- Power System Lab
- Power Electronics Lab
- Electrical Machines Lab
- High Voltage Engineering Lab
- Clean Energy Lab
- Control and Automation Lab
- Electrical Circuit &Measurement Lab
- Equipment and Training Lab
- Applied Electricity Lab
- Communication Lab
- Computer Lab
- Advance Computer Lab
- Electrical Workshop Lab
- Electrical Power Transmission & Distribution Lab

3.3.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	EL-111	Electrical Workshop Practice	0	1
	EL-112	Applied Physics	3	1
	EL-113	Linear Circuit Analysis	3	1
	CS-104	Introduction to Computing and Programming	3	1
	ENG-101	Functional English	2	0
	MTH-102	Applied Calculus	3	0
		Total	**14**	**4**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	EL-122	Electrical Network Analysis	3	1
	CE-141	Applied Mechanics	3	1
	MTH-112	Linear Algebra and Analytical Geometry	3	0
	PS-106	Pakistan Studies	2	0
	IS-111/SS-104	Islamic Studies / Ethics	2	0
	ENG-102	Communication Skills	2	0

	EL-499	Senior Design Project	0	3
		Total	**9**	**6**

3.3.5 Career Opportunities

Electrical engineering is a field of engineering that generally deals with the study and application of electricity, electronics and electromagnetism. Electrical engineering is an amalgamation of what is now called electrical, electronics, communication, instrumentation and computer engineering. The well recognized branches of electrical engineering are power & energy, communications, robotics, electronics and control systems. In broader sense, this field covers a wide range of sub-disciplines including those that deal with power& energy, digital electronics, analogue electronics, artificial intelligence, control systems, electronics, signal processing and telecommunications. Overlapping of this field with computer has opened up the door to a career distribution in almost every industry. Following are the few companies and institutions in which the electrical graduates can find job.

1. WAPDA
2. Fertilizer Industries
3. Chemical Industries
4. Textile Industries
5. Pharmaceutical Companies
6. Mechanical & Automobile
7. K-Electric
8. Pakistan Atomic Energy Commission (PAEC)
9. Oil & Gas Companies
10. Research Institutes
11. Lucky Cement Factory
12. Al Rahim Textile Industries
13. KAD Consultants Electrical & Solar System Engineers
14. Dawlance United Refrigeration Industries Ltd.
15. Civil Aviation Authority
16. Johnson & Philips Pakistan Ltd
17. Tuwairqi Steel Mills Ltd.
18. National Transmission and Dispatch Company (NTDC) Ltd.
19. Philip Morris Pakistan Ltd.
20. Technology Links Pvt. Ltd
21. National Electric Power Regulatory Authority (NEPRA)
22. Distribution companies (HESCO, IESCO, PESCO, QUESCO etc.)
23. Sugar Industries
24. Karachi Port Trust (KPT)
25. Environmental Network International (ENI)

3.4 Department of Electronics Engineering

3.4.1 The Department

Electronic Engineering is an increasingly important engineering discipline that significantly affects the other disciplines of engineering. It is in great demand in both developed and developing nations. Continual advances in electronic engineering in the areas of materials, processes, devices, and circuits have been leading to rapid advances, in the existing applications of engineering as well as in the emergence of new applications. To harness the full potential of electronic engineering developments and further advance the state of electronic technology, it is important to have strong programs to educate and train individuals in this key discipline of engineering.

Electronic Engineering artifacts play major role in the evolution of mankind and culture. Today, the Electronic Engineering profession and the education of engineers are challenged by the rapidly changing nature of those engineering systems which determine what is meant by 'modern technology'. The advent of Microprocessor Technology has probably made Electronic Engineering the exemplary technology of this century, along with emergence of new species, with higher levels of integration. The existing and potential uses and applications of Electronics are multitudinous. Indeed, it is difficult to point to any industrial or commercial area which may not eventually be affected by this technology.

The Department of Electronic Engineering offers degrees at undergraduate and postgraduate level equally. It offers:

- B.E. (Electronic Engineering)
- M.E. (Electronic System Engineering) under the umbrella of Institute of Information & Communication Technologies.

It fulfills the more acute need of the development of the country by producing more qualified Engineers at undergraduate & postgraduate levels. The programs offered provide technical manpower for the development and production of the Electronic Engineering in the country to provide qualified human resources as engineers and technology experts to develop indigenous capability of planning, designing and executing various projects in Electronic Engineering.

The field of Electronic Engineering encompasses the knowledge of electronic circuits & devices and their applications. The students learn variety of subjects of diverse fields including, Microprocessors & Interfacing, Automation and Robotics, Analog & Digital Communication, Optoelectronics, Wired & Wireless Communications, Signal Processing, Industrial Electronics, Integrated Electronics, Instrumentation & Control, Embedded System, Sequential Circuit Design, Laser & Fiber Optics, Microwave Engineering, FPGA, Electromagnetic Fields, Computer Communication & Networking, Mechatronic Applications, Advanced Communication Systems, Artificial Intelligence etc.

The department has played major role in sending undergraduate and postgraduate students abroad (Europe and USA) on scholarships and short visits on Erasmus Mundus Program and US Fulbright Program.

Frequent visits to industries are also organized by the department to acquaint students with practical environment. Specifically, internship program is launched in collaboration with local industry during summer break for third year and final year students. In addition to that, students are also encouraged to participate in Seminars, Conferences and Software Competitions, such as IEEEP student seminar, A.Q. Khan Software at national level software competition held annually on and around campus. The department has centrally air-conditioned seminar library named after the late Professor M.D. Makhdoom.

Vision of the Department

To provide the highest quality of learning and research opportunities for the students in the field of Electronic Engineering as well as make them competent professionals with high professional ethics to compete on a global scale.

Mission of the Program
To produce Quality Electronic engineers with high intellect and broad vision who can meet current needs and foresee future needs of the nation in the field of electronic by serving research and professional practice.

Program Educational Objectives (PEOs)
The program educational objectives (PEOs) were prepared by the OBE implementation committee for outcome-based education implementation and approved through the DBoS, FBoS and ACM. The PEOs were prepared on the basis of stakeholders needs and linked with twelve PLOs. The PEOs of B.E. Electronic Engineering degree program are:

1. Apply in-depth electronic engineering knowledge and analytical skills to initiate innovative solutions for the society
2. Quest for learning, establishing collaborations and engaging in continuous professional development nationally and internationally.
3. Adaptive in multidiscipline and multicultural environment and work effectively as a team lead or team member possessing strong soft skills and high moral ethics.

3.4.2 The Faculty

Chairperson of the Department:
Prof. Dr. Arbab Nighat Kalhoro
Phone: +92-22-2771334, +92-22-2772250-70 / **Ext.:** 4100

Emeritus Professor:
Dr. B.S Chowdhry
PhD, United Kingdom.

Professors:
Dr. Wajiha Shah
PhD, Austria.

Dr. Arbab Nighat Kalhoro
PhD, China.

Associate Professors:
Dr. Tayab Din Memon
PhD, Australia.
(On Ex-Pakistan Leave)

Dr. Irfan Ahmed Halepoto
PhD, Pakistan.

Dr. Farzana Rauf Abro
PhD, Pakistan.

Dr. Farida Memon
PhD, Pakistan.

Dr. Attiya Baqai
PhD, Pakistan.

Assistant Professors:
Mr. Tufail Ahmed Waseer
M.E, Pakistan.

Dr. Khalil-ur-Rehman Dayo
PhD, Pakistan.

Mr. Mehboob Khuwaja
M.E, Pakistan.

Ms. Kehkashan Asma
M.E, Pakistan.

Mr. Kamran Kazi
M.E, Pakistan.

Ms. Saba Baloch
(On Study Leave)

Ms. Shakila Memon
M.E, Pakistan.

Ms. Yasmeen Naz Panhwar
(On Study Leave)

Mr. Khuhed Memon
M.E, Singapore.

Mr. M. Zaigham Abbas Shah
(On Study Leave)

Mr. Aamir Ali Patoli
M.E, Pakistan.

Ms. Sara Qadeer Rajput
M.E, Pakistan.

Mr. Mansoor Ali Teevno
(On Study Leave)

Dr. Shoaib Rehman Soomro
PhD, Turkey.

Lecturers:
Mr. Qurban Ali Memon
M.E, Pakistan.

Engr. Qudsia Memon
M.E, Pakistan.

Engr. Komal Khuwaja
M.E, Pakistan.

Engr. Bharat Lal
M.E, Pakistan.

3.4.3 Laboratory Facilities:
The courses taught are regularly updated to keep abreast of new knowledge and development. The students also undertake a project during their final year, which helps them to enhance their capabilities as young design engineers. The department is also equipped with state-of-the-art laboratories such as:

- Analog Electronics Laboratory
- Digital System Design Laboratory

- Communication Systems Laboratory
- Computing Laboratory
- Modeling & Simulation Laboratory
- Power Electronics & Drives Laboratory
- Research Laboratory
- Instrumentation &Control Laboratory
- Electronic Design Automation Laboratory (IICT Building)
- Project Laboratory-I
- Project Laboratory-II (IICT Building)

These laboratories are well equipped with latest equipment ranging from basic electronic devices, simulators and trainers to more advanced embedded system trainers. Excellent course work and due practical experience, provide ample job opportunities to our graduates in both public and private sector organizations, national & multinational companies. There is a huge job market of Electronic Engineers in Middle East, Europe, USA and Canada.

3.4.4 The Courses

	Course Code	Name of Subject	Credit Hour	
			Theory	Practical
1st Semester	ENG-111	Functional English	3	0
	MTH-108	Applied Calculus	3	0
	CS-150	Introduction to Computing	2	1
	EL-116	Applied Physics	3	1
	SS -125	Professional Ethics	2	0
	ES-102	Electronics Workshop	0	1
		Total	**13**	**3**

	ES-423	Embedded Systems Design	3	1
	ENG-401	Technical Report Writing & Presentation Skills	2	0
	ES-498	Electronic Engineering Project-1	0	3
		Total	**11**	**6**

8th Semester	Course Code	Name of Subject	Credit Hour	
			Theory	Practical
	SS-411	Entrepreneurship	3	0
	ES-451	Mechatronics Systems & Applications	3	0
	CS-490	Artificial Intelligence	3	1
	ES-433	Digital Signal Processing	3	1
	ES-499	Electronic Engineering Project-2	0	3
		Total	**12**	**5**

3.4.5 Career Opportunities

Electronic Engineering Department works in strong collaboration with Directorate of Student Affairs along with the student societies of similar scope for career counseling of graduating students. The emphasis is on the effective placement of students and graduates in the industry along with counseling sessions, which provide career advice to the students. The Department organizes different workshops in routine e.g., “Interviewing Skills”, “Resume Writing”, “Effective Job Hunting” and “Study Abroad”.

With acquired educational and technical skill set, an electronic engineer can find a competitive position in well-reputed public and private sector organizations for last several years. Highly recognized organizations such as SUPARCO, KE, Agro Pakistan, PTCL, etc. arranges on campus recruitment test-hiring candidates straightaway.

3.5 Department of Software Engineering

3.5.1 The Department

The Department of Software Engineering is home to research and academic units that addresses issues and recent advances in Software Engineering. The department provides research areas and cutting-edge facilities in Software engineering. The Goal has been, and continues to be, to provide a high degree program in Software Engineering, that prepares students for lifelong learning as they take on professional careers in computing. Software Engineering program enables to gain a thorough understanding of the role of IT in enterprise and how information systems impact on business and organizational processes.

The department offers a range of courses that teach the fundamentals of programming to advanced topics in computing such as software testing and software architecture and design. The Department of Software Engineering has completed its transformation to newly advised education system based on outcome-based education (OBE). The Mission of the department is defined in line with the University's vision and mission. The PEOs have been finalized after thorough deliberation and comprehensive meetings. The program has adapted twelve PLOs in accordance with PEC guidelines. The curriculum has been updated and CLOs for each course are designed along with its difficulty level as per Blooms Taxonomy, i.e., Cognitive, Affective and Psychomotor.

Vision of the Department

To become the center of excellence and the aspiration in the discipline of software engineering by producing the highly skilled professionals, who with their analytical capabilities and proficiencies apply the technical knowledge for the socio-economic development.

Mission of the Program

To provide technically sound ambiance of learning and realizing the frequently changing traits of software industry to pursue sustainable socio-economic growth with the sense of ethics, professionalism and leadership to serve community and humanity at large.

Program Educational Objectives (PEOs)

The Program Educational Objectives (PEOs) were prepared by the OBE implementation committee for Outcome Based Education implementation and recommended through the DBoS, FBoS and finally approved by ACM. The PEOs were prepared based on stakeholders needs and linked with twelve PLOs. The PEOs of B.E. Software Engineering degree program given in the following:

A Software Engineering graduate:

PEO 1: Performs his / her professional role in the Software Industry and related fields.
PEO 2: Adheres to professional responsibilities in multicultural environment with continual improvement.
PEO 3: Works effectively as a team lead or team member in challenging ventures.
PEO 4: Communicates technical and managerial information efficiently in oral and written forms.

3.5.2 The Faculty

Chairman of the Department:
Prof. Dr. Naeem Ahmed Mahoto
Phone: 022-2772255 / **Ext.:** 6900

Associate Professors:

Dr. Sania Bhatti
PhD, United Kingdom.

Dr. Naeem Ahmed Mahoto
PhD, Italy.

Ms. Amirita
M.E, Pakistan.

Ms. Areej Fatemah
M.E, Pakistan.

Mr. Junaid Ahmed Baloch
M.E, Pakistan.

Lecturers:

Mr. Zubair Sangi
M.E, Pakistan.

Dr. Mohsin Ali Memon
PhD, Japan.

Dr. Isma Farah Siddiqui
PhD, South Korea.

Dr. Qasim Ali Arain
PhD, China.

Assistant Professors:

Mr. Din Muhammad Sangrasi
M.E, Pakistan.
(On study leave)

Mr. Salahuddin Sadar
M.E, Pakistan.

Mr. S. M. Shehram Shah
M.Sc., United Kingdom.
(On study Leave)

Mr. Zahid Hussain Khaskheli
M.E, Pakistan.

Ms. Hira Nouman
M.E, Pakistan.

Ms. Shafia Qadeer Memon
M.E, Pakistan.

Ms. Memoona Sami
M.E, Pakistan.

Ms. Anoud Shaikh
M.E, Pakistan.

Mr. Vijdan Khalique
M.E, Pakistan.
(On study Leave)

Ms. Rabeea Jaffari
M.E, Pakistan.
(On study Leave)

Ms. Mariam Jawaid
M.E, Pakistan.

Ms. Rabia Iftikhar
M.E, Pakistan.

3.5.3 Laboratory Facilities

To meet the latest treads in software and hardware technology the department has 6 well-resources IT laboratories where students are skilled to meet the future needs of the technology.

1. Software Quality Assurance & Testing Laboratory.
2. Visual Informatics and Image processing Laboratory.
3. Data Warehousing and Management Laboratory.
4. 3-DModeling and Visualization Laboratory.
5. Software Research and Development Laboratory.
6. Parallel Processing and Cluster Computing Laboratory.

The maximum class for laboratory practical is also constituted in accordance with the optimum standards set by PEC and HEC. The Department of Software Engineering has a total of 6 labs, all of which are equipped with 50 thick and thin clients altogether. All such systems are equipped with the latest engineering software such as MATLAB, ORACLE, NETBEANS and DREAMWEAVER etc. The laboratory rooms are spacious, equipped with air conditioners and safety/health standards to accommodate 50 students at a time with 1:1 student and PC ratio.

3.5.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	MTH108	Applied Calculus	3	0
	SW112	Programming Fundamentals	3	1
	SW113	Introduction to Info. & Comm. Technologies	2	1
	ENG111	Functional English	3	0
	EL119	Applied Physics	3	0
		Total	**14**	**2**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	SW121	Object Oriented Programming	3	1
	SW123	Professional Practices	3	0
	MTH112	Linear Algebra & Analytical Geometry	3	0
	SW124	Introduction to Software Engineering	3	0
	PS106	Pakistan studies	2	0
	IS111 / SS104	Islamic Studies / Ethics	2	0
		Total	**16**	**1**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
3rd Semester	SW212	Data Structures & Algorithms	3	1
	SW215	Database Systems	3	1
	SW216	Software Requirements engineering	3	0
	SW211	Software Economics & Management	3	0
	SW217	Operations Research	3	0
		Total	**15**	**2**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
4th Semester	SW225	Operating Systems	3	1
	SW226	Computer Networks	3	1
	SW227	Software design & architecture	2	1
	SW228	Data Warehousing	3	0
	ENT121	Introduction to Entrepreneurship and creativity	3	0
		Total	**14**	**3**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
5th Semester	SW315	Software Construction and Development	2	1
	MTH317	Statistics & Probability	3	0
	SW316	Information Security	3	0
	SW317	Human computer Interaction	3	0
	SW318	Agent based Intelligent Systems	3	0
	ENG311	Communication and presentation Skills	3	0
		Total	**17**	**1**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
6th Semester	SW322	Software Project Management	3	0
	SW325	Discrete Structures	3	0
	ENG319	Technical & business Writing	3	0
	SW326	Data Science and Analytics	3	1
	SW327	Mobile Application Development	3	1
		Total	**15**	**2**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
7th Semester	SW415	Software Re-engineering	3	0
	SW416	Multimedia Communication	3	1
	SW417	Web Engineering	3	1
	SW418	Formal Methods in Software Engineering	3	0
	SW498	Thesis/Project - I	0	3
		Total	**12**	**5**

8th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	SW424	Simulation & Modeling	3	0
	SW425	Cloud Computing	3	1
	SW426	Software Quality Engineering	3	1
	SW499	Thesis/Project - II	0	3
		Total	**9**	**5**

Software engineering is at the core of Information Technology and the increasing need for computers in the daily life of people has made it imperative that new designs and new computer software systems be developed so that advancing technology can be applied in a growing range of applications. The work assigned to people who are called software engineers evolves very fast, which reflects the changes in technology as well as the increase of new specializations which keep cropping up in this field along with the preferences and practices of employers. The principles and knowledge of computer science, engineering, and mathematical analysis are employed by software engineers for designing, developing, testing, and evaluating the software and the systems that computers use to carry out various applications.

Our department works in strong collaboration with Directorate of Student Affairs along with the student societies of similar scope for career counselling of graduating students. The emphasis is on the effective placement of students and graduates in the industry along with counselling sessions, which provide career advice to the students. Our graduates have very successful careers in industry and research. Our graduates work for software consultancy companies, specialized software development companies and the IT departments of large institutions (financial, telecommunications and public sector). Recent employers include *Software Houses, Banks, NADRA, PIA, PTCL, OGDCL, SSGC, WAPDA, and SPARCO.*

3.5.5 OBE Implementation Model

To ensure the essence of OBE based learning system; the department has four essential committees namely Departmental CQI (Continuous Quality Improvement) Committee, Industrial Advisory Board, Departmental Curriculum Review Committee and Departmental Board of Studies. The overall monitoring of administrative as well as teaching activities are monitored through senior faculty under the chair of chairman termed as Departmental Management Review Committee in accordance with ISO requirements.

Departmental CQI Committee (DCQI): This committee monitors the OBE based activities and is responsible for Curriculum revision according to the suggestions given by stakeholders (employer, alumni, and industrial representatives). The committee is also responsible to prepare corrective action request forms with CQI suggestions for further discussion/approval.

Industrial Advisory Board (IAB): Key responsibilities of this board include providing recommendations for B.E (Software) Course Curriculum, improvement of technical and communication skills, review of FYP ideas and suggestions to meet with the trends of the hour for the degree program.

Departmental Curriculum Review Committee (DCRC): The major responsibility of this committee includes the design of course curriculum for the degree program in accordance with need of the hour and in corporation HEC/PEC and IAB members suggestion within the curriculum whenever desired.

Departmental Board of Studies (DBoS): DBoS is responsible to provide the recommendations for B.E (Software) Course Curriculum, check attainment of CLOs and PLOs and to discuss any changes / improvements as suggested by the faculty.

Additional Committees:

Industrial Liaison Committee (ILC): This committee is responsible to establish link between academia and Industry. In particular, it would help in making arrangements for internships, job interviews, seminars, trainings, workshops for the students of our department.

3.6 Department of Telecommunication Engineering

3.6.1 The Department

Keeping in view the demand of Telecommunication sector, MUET got the privilege to establish the Telecommunication Engineering Department for the first time in the history of all Public and Private sector universities of Pakistan in the year of 2001. The main objective of department is to augment its existing programs to produce high quality Telecom personnel in various specialized areas such as Mobile and Wireless Communication, Terrestrial Satellite Communication, Multimedia and Broadband Communication etc. The department is under the establishment of Institute of Communication Technologies (ICT). In last 12 years, graduates of this Institute have established their footprint in leading telecom industries of Pakistan, and they are playing vital role in ICT development. The opportunities for Telecom engineers have been further extended with the emerging growth of 4G/5G mobile networks.

Mission of Program

To produce quality Telecommunication engineers with in-depth knowledge and skills who can meet current and future needs of society by serving in professional domains and carrying out quality research through collaborative environment.

Program Educational Objectives (PEOs)

1. To produce telecommunication graduates who can work as academicians, researchers, system designers, analysts and managers to meet market requirements.
2. To inculcate self-learning and problem-solving skills in telecommunication students through modern scientific methods and tools.
3. To nurture telecommunication students who can effectively work both individually and in a team to meet sustainable environmental and societal needs while maintaining professional ethics.

3.6.2 The Faculty

Chairman of the Department:
Dr. Faisal Karim Shaikh
Phone: +92-22-2772277 / **Ext.:** 6000

Meritorious Professor:
Dr. Aftab Ahmed Memon
PhD, Japan.

Professors:
Dr. Abdul Waheed Umrani
PhD, Singapore.

Dr. Faisal Karim Shaikh
PhD, Germany.

Associate Professors:
Dr. Fahim Aziz Umrani
PhD, United Kingdom.

Dr. Abdul Latif Memon
PhD, China.

Dr. Imran Ali Qureshi
PhD, China.

Dr. Faheem Yar Khuhawar
PhD, Italy.

Assistant Professors:
Dr. Faisal Ahmed Memon
PhD, Italy.

Dr. Abi Waqas Memon
PhD, Italy.

Dr. Zafi Sherhan Shah
PhD, United Kingdom.

Dr. Umair Ahmed Korai
PhD, United Kingdom.

Engr. Nafeesa Bohra
M.E, Pakistan.

Engr. Naeem Aijaz Yousfani
M.E, Pakistan.

Engr. Zulfiqar Ali Arain
M.E, Pakistan.
(On Study Leave)

Engr. Saima Hafeez
M.E, Pakistan.
(On Study Leave)

Engr. Shakeel A. Laghari
M.E, Pakistan.

Engr. Mehran M. Memon
M.E, Malaysia.

Engr. Saadullah Kalwar
M.E, Pakistan. (On Study Leave)

Engr. Hyder Bux Mangrio
M.E, Pakistan.

Engr. Syed Rizwan Ali Shah
M.E, Pakistan.

Lecturers:
Engr. Umair M. Qureshi
M.E, Pakistan.
(On Study Leave)

Dr. Sajjad Ali Memon
PhD, China.

Dr. Nasrullah Pirzada
PhD, Malaysia.

Dr. Badar Munir
PhD, China.

Engr. Syed Mohsin Ali Shah
M.E, Pakistan.
(On Study Leave)

Engr. Shanzah Mohsin
M.E, Pakistan.

Engr. Riaz Ahmed Soomro
M.E, Pakistan.
(On Study Leave)

Engr. Zuneera A. Memon
M.E, Pakistan.
(On Study Leave)

Engr. Anum Talpur
M.E, Pakistan.
(On Study Leave)

3.6.3 Laboratory Facilities

Keeping in view the industry demands, the department of Telecommunication Engineering has established state of the art laboratories. These laboratories enable students with the latest technological advancements and make them able to meet with the market requirements.

Following laboratories are available at the Department of Telecommunication, MUET, Jamshoro;

1. Analog and Digital Communication Laboratory
2. Project Laboratory
3. Transmission and Switching Laboratory
4. Networking and Protocol Design Laboratory
5. Optical Communication and Photonics Laboratory
6. PC Laboratory I & II
7. Cellular Communications Laboratory
8. Advanced Computing Laboratory
9. Digital Signal Processing Laboratory
10. Radio Communication Laboratory
11. Internet of Things (IoT) Laboratory

3.6.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
First Semester	MTH108	Applied Calculus	03	00
	TL121	Applied Physics	03	01
	CS104	Introduction to Programming	03	01
	ENG101	Functional English	03	00
	SSS111	Islamic Studies / Ethics	02	00
	PS106	Pakistan Studies	02	00
		Total	**16**	**02**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Second Semester	ES112	Basic Electronics	03	01
	CS123	Object Oriented Programming	03	01
	TL112	Introduction to Simulation Tools	00	01
	EL102	Circuit Analysis	03	01
	MTH112	Linear Algebra and Analytical Geometry	03	00
		Total	**12**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Third Semester	ES205	Amplifiers and Oscillators	03	01
	ES215	Digital Logic Design	03	01
	MTH212	Differential Equations and Fourier Series	03	00
	IN202	Engineering Management	03	00
	ENG201	Communication Skills	02	00
		Total	**14**	**02**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Fourth Semester	ES256	Microprocessors and Microcontrollers	03	01
	TL231	Signals and Systems	03	01
	TL202	Electromagnetics	03	00
	MTH213	Complex Variables and Transforms	03	00
	SS221	Professional Ethics	02	00
		Total	**14**	**02**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Fifth Semester	TL323	Communication Systems	03	01
	TL304	Antennas and Wave Propagation	03	01
	TL354	Probability and Stochastic Processes	03	00
	TL345	Digital Signal Processing	03	01
	MTH336	Numerical Analysis and Computer Applications	02	01
		Total	**15**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Sixth Semester	TL371	Digital Communication	03	01
	TL334	Computer Communication and Networking	03	01
	TL391	Optoelectronics	02	01
	TL362	Microwave Engineering	03	01
	ENG320	Technical Report Writing Skills	02	00
		Total	**13**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Seventh Semester	TL474	Fiber Optic Communication Systems	03	01
	TL445	Transmission and Switching Systems	03	01
	TL431	Queueing Theory	02	01
	TL424	Wireless Communications	03	01
	TL498	Thesis/Project	00	03
		Total	**11**	**07**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
Eighth Semester	TL413	Satellite and Radar Communications	03	00
	TL484	Emerging Wireless Technologies and RF Planning	02	00
	TL455	Network Protocols and Architecture	02	01
	TL461	Telecom Policies and Standards	02	00
	STD951	Entrepreneurship	02	00
	TL499	Thesis/Project	00	03
		Total	**11**	**04**

3.6.5 Career Opportunities

Telecommunication engineers work within a number of industries based on Internet and computing technologies, telephone networks, radio wave transmission and reception, satellite communication, radar and navigation, etc. Some engineers concentrate on applying technical knowledge, whilst others focus on managerial activities. Many posts include elements of both managerial and technical responsibilities. The technical aspect of the role includes using specialist knowledge to design and deliver solutions, as well as providing technical guidance to others within the organization.

- **Telecom Industries in Pakistan**
  - Pakistan Telecommunication Corporation Limited (PTCL)
  - Pakistan Telecommunication Authority
  - Wateen Telecom
  - Warid Telecom
  - Jazz
  - Telenor
  - Zong
  - Ufone
  - Special Communication Organization

- **WLL Companies in Pakistan**
  - PTCL
  - Telecard Limited
  - Wi-Tribe Pakistan Limited
  - DV Com Data (Pvt.) Limited
  - World Call Telecom Ltd.
  - Wateen WiMax (Pvt.) Ltd.
  - Cyber Internet Services Limited
  - LINKDotNET Telecom Ltd.
  - Super Dialogue (Pvt.)
  - MyTel (Pvt.) Ltd.
  - Metrotel (Pvt.) Ltd.
  - Sharp Communications (Pvt.) Ltd.

- **Telecom. Vendors in Pakistan**
  - Nokia Siemens Networks (NSN) – Huawei
  - Ericson
  - ZTE
  - Nortel
  - Myson Telecom
  - Combit Telecom
  - People’s Logic Telecom

- Satellite TV channels in Pakistan
  - Numerous groups of channels such as Sindh TV, Geo Group, Dawn Group etc.

- **Pakistan Forces**
  - Pakistan Army (Communication Core)
  - Pakistan Navy (Communication Sector)
  - Pakistan Air Force (Communication Sector)
  - Maritime Technologies Complex
  - Pakistan Space and Upper Atmosphere Research Commission

- **Aeronautical Companies**
  - Civil Aviation Authority of Pakistan
  - Civil Aviation Training Institute
  - Pakistan International Airline
  - Airblue
  - Air Indus
  - Shaheen Air

4. FACULTY OF ENGINEERING

4.1 Department of Chemical Engineering

4.1.1 The Department

Chemical Engineering is a discipline that focuses on the application of engineering principles to plan, design, construct, operate and control the chemical processing plants dealing with petrochemicals, fertilizers, cement, sugar, polymers, pharmaceuticals, petroleum and gas, bio products, food products, materials and variety of other processes. Due to its versatility, Chemical Engineering is known as one of the prominent engineering disciplines that has a huge market both at national and international level. Due to booming demand of chemical engineers, the Department of Chemical Engineering at Mehran University of Engineering and Technology was established in 1970 with the vision to produce high quality industry-oriented chemical engineers having excellent innovative approach, problem solving attitude, professional and management skills.

The department offers undergraduate, master's and doctoral programs in chemical engineering. The degree programs are chartered and certified by Higher Education Commission (HEC) Pakistan and accredited by Pakistan Engineering Council (PEC). The high qualified and experienced faculty members are involved in delivering high quality teaching and research according to the needs of industries. The Department has fourteen well-maintained laboratories with sophisticated equipment where the students are provided with hand-on experience related to Chemical Process Industries. Besides, the department provides excellent academic and social environment to its students to nurture their academic, professional and socializing skills.

The department also maintains a computer and software laboratory provided with latest software such as ASPEN PLUS, SIMULINK, FLUENT, MATLAB, and others for students. In the later years of undergraduate program, the department provides internships to its students to get industrial experience as part of their academic activity. Moreover, the department organizes various professional seminars, short courses, workshops, conferences and exhibitions for grooming of students. Since the establishment of the department, its graduates are actively contributing and fulfilling the needs of industries both at national and international level. It is worth mentioning that the graduates of this department are working at various top-level positions in industries both locally and globally. The department actively arranges various on-campus recruitment drives for job placement of fresh graduates. Apart from this, the department maintains good relationship with its alumni and from times to time organizes various professional forums for betterment of students.

The Department of Chemical Engineering at MUET Jamshoro has various active collaborations with national and international institutions such as Western Sydney University Australia, Exeter University UK, Arizona University USA, Winston University UK, Brunel University UK, Xi'an Jiaotong University, Xi'an, China, SUPARCO Karachi, PCSIR Karachi, Sui Southern Gas Company Ltd (SSGC) Karachi. The collaborations intend to provide international exposure to students and faculty in academic and research activities.

Funded Projects of Department of Chemical Engineering:

- HEC-BC Knowledge Economy Partnership Pakistan-UK (KEP) Program funded by Higher Education Commission, Pakistan & British Council, 2015-2017 in Collaboration with University of Manchester, UK **"*Effective Utilization and Up-Gradation of Nagar Parker Kaolin, a Natural Resource Mineral for Economic Development of Thar Desert*"**
- HEC-BC Higher Education link with Brunel University, West London, UK funded by Higher Education Commission, Islamabad 2007-2009 ***"Waste Treatment & Management"***
- Pakistan – US Science and Technology Program, 2010-2013 in Collaboration with University of Arizona, USA. "***Removal of Arsenic from Drinking Water using Iron Ores as Low-Cost Reactive Adsorbent Media"***
- HEC-BC DelPHE project, 2008-2009 in Collaboration with Exeter University U.K. ***"Grey water characterization and treatment"***

- National Research Program for Universities funded by HEC, 2019-21, ***"Parametric Investigation of Arsenic Adsorption in Modified Polyacronitrile Packed Bed Column through Dynamic Simulations***";
- National Scientific Research and Development Board Islamabad 1991-1992, "***Environmental problems due to sugar mills of Sindh and its solution***",
- National Research Program for Universities funded by HEC, **"*Enhanced production of Biofuel*"**

Department has organized a couple of international events such as; First and Second Workshops on Food and Bioprocessing, International Workshop on Women Professionals, three International Conferences on Chemical Engineering and Advanced Materials and Processing. The department provides academic cooperation to other institutions in training their students and conduct Laboratory Practical's. Dawood College of Engineering and Technology Karachi, Quaid-e-Awam University of Engineering, Sciences and Technology Nawabshah and Baluchistan University of Information and Technology, Quetta remained main beneficiary of this academic support. Laboratory facilities has been provided to Rafhan Maize Products Kotri; a unit of *Ingredion* Incorporated, *USA* and Shah Murad Sugar Mills Jhoke Sharif, Thatta, Gul Paper Industry, Kotri. Faculty members are serving in many professional bodies such as Pakistan Engineering Council, Pakistan Institute of Chemical Engineers, Institute of Engineers Pakistan, Society of Women Engineers, USA are the sole examples.

The department also organizes Professional training courses for students of the department and other Universities and institutes and young professional engineers from industry. The courses include Maintenance Management System (MMS), Aspen HYSYS, Computational Fluid Dynamics (CFD), ANSYS FLUENT, High Performance Liquid Chromatography HPLC, Food and Bio Processing, Health. Safety and Environment, Fuel cell, Process Safety, Human Resources Management, Publication Skills and Analytical Techniques. A new trend has been developed by the department that Professional Seminars for the Professional Engineers and managers at their industries and respective fields are organized by the Resource Persons of International repute. Recently two Seminars have been organized by the department at SSGC Hyderabad Region and Archroma Pakistan at Jamshoro. A close linkage has been developed with the industry and as result SSGC has financed our 04 energy related Research Projects at Masters and PhD level through formal agreement. Mehran University Chemical Engineers' Society (MUCES) has been established in 2010 by this department. Graduates from all over the world are members of this Society. MUCES serves as a bridge between academia and industry. Chapters of two international bodies' i.e.; American Institute of Chemical Engineers (AIChE) and American Chemical Society are initiated in the department to work with the international community.

Vision of the Department

To provide excellent education in the field of Chemical Engineering as per International Standards, and develop Research Based Solutions to Process Industry for National Development.

Mission of the Program

To produce Quality Professional Engineers with Problem Solving Expertise, Integrity and Strive to enhance their Skills and ideas related to chemical industry.

Program Education Objectives (PEOs)

PEO1. Demonstrate proficiency of applying the acquired knowledge & skills to solve engineering problem related to the chemical industry.

PEO2. Contribute to the development of the society by partaking in chemical engineering projects utilizing their high-level of competence.

PEO3. Exhibit effective skill-set comprising of skills such as communication, interpersonal, leadership and being a team player.

PEO4. Excel and grow professionally with value-added skills of integrity and creativity.

4.1.2 The Faculty

Chairperson of the Department
Prof. Dr. Khadija Qureshi
Phone: 022-2771262, 022-772255-3 / **Ext.:** 4400

Professors:

Dr. Khadija Qureshi
PhD, Pakistan.
Post Doctorate USA

Dr. Suhail Ahmed Soomro
PhD, Pakistan.

Dr. Shaheen Aziz
PhD, Pakistan.

Dr. Inamullah Bhatti
PhD, Malaysia.
Post Doctorate USA

Dr. Abdul Rehman Memon
PhD, United Kingdom.

Dr. Zeenat Muhammad Ali
PhD, Pakistan.

Dr. Aziza Aftab
PhD, Pakistan.

Associate Professors:

Dr. M. Shuaib Shaikh
PhD, Malaysia.

Dr. Imran Nazir Unar
PhD, Pakistan.

Assistant Professors:

Engr. Ashfaque H. Pirzada
M.E, Pakistan.

Engr. Khan M. Qureshi
M.E, Pakistan.

Dr. Zulfiqar Ali Bhatti
PhD, Pakistan.

Engr. Aisha Kousar Effendi
M.E, Pakistan.

Engr. Sikander Mustafah Almani
M.E, Pakistan.
(On Study Leave)

Dr. Masroor Ahmed Abro
PhD, China.

Lecturers:

Engr. Zulfiqar Ali Solangi
M.E, Pakistan.

4.1.3 Laboratory Facilities

1. Water Quality Research Laboratory
2. Computer Laboratory
3. Polymer Research Laboratory
4. Biochemical and Food Processing Laboratory
5. Particulate Technology Laboratory
6. Mass Transfer Laboratory
7. Chemical Reaction Laboratory

1. Analytical Research Laboratory
2. Chemistry Laboratory
3. Fluid Mechanics Laboratory
4. Heat Transfer Laboratory
5. Fuel and Energy Laboratory
6. Coal Research Laboratory
7. Instrumentation and Process Control Lab.

4.1.4 The Courses

	Course code	Name of Subject	Credit Hours	
			Theory	Practical
1st Semester	CH101	Inorganic & Organic Chemistry	2	1
	CH102	Chemical Process Calculations-I	2	0
	PS106	Pakistan Studies	2	0
	IS111/SS104	Islamic Studies/ Ethics	2	0
	MTH108	Applied Calculus	3	0
	ME102	Engineering Drawing &Computer Graphics	2	2
	ME142	Workshop Practice	0	2
		Total	**13**	**5**

4.1.5 Career Opportunities

A chemical engineer may be involved in industry or university research where they are tasked in designing and performing experiments to create new and better ways of production, controlling pollution, conserving resources and making these processes safer. They may be involved in designing and constructing plants as a project engineer. In this field, the chemical engineer uses their knowledge in selecting plant equipment and the optimum method of production to minimize costs and increase profitability. After its construction, they may help in upgrading its equipment. They may also be involved in its daily operations. Chemical engineers may be permanently employed at chemical plants to manage operations. Alternatively, they may serve in a consultant role to troubleshoot problems, manage process changes and otherwise assist plant operators. Many graduates of the chemical engineering department are now serving in important public as well as private sector organizations within Pakistan for example Engro Chemicals, Engro Polymers, FFBL, FFC, SUPARCO, Pakistan Atomic Energy Commission, NRL, PRL, BYCO Refinery, PCSIR, OGDCL, SSGC, SNGPL, BHP Oil and gas, OMV Oil and gas PPL, Novatex, Novartis, Archroma, ICI Chemicals, etc. and even outside the country.

4.2 Department of Industrial Engineering& Management

4.2.1 The Department

The Department of Industrial Engineering and Management was established in the year 1987. Industrial Engineering is a rapidly developing and broad professional discipline. It deals with design, installation, operations and management of integrated systems of men, materials and machines drawing upon specialized knowledge of physical and social sciences and technology. It especially deals with managerial problems requiring knowledge of fundamental science and engineering practice for their solutions. While manufacturing industry has a wide scope and demand for Industrial Engineering, increasing numbers are finding satisfying employment in other kinds of business, hospitals, Hotels, Banks, Air Lines are availing the services of Industrial Engineers.
Our graduates are already serving the reputed organizations both in Pakistan and abroad. The department offers Bachelor of Engineering (B.E) undergraduate and postgraduate (M.E / PhD) programs exclusively in Industrial Engineering and Management.

Vision of the Department

This program intends to be globally recognized as a leader in Industrial Engineering and Management.

Mission of the Program

The program mission is to produce quality engineers, professionals and leaders having sound managerial and technical skills in the core areas of Industrial Engineering and Management and can play their leading role in academia and industry for socio-economic development of society.

Program Education Objectives (PEOs)

The Graduates of B.E Industrial Engineering and Management will have:

PEO-1: The ability to competently make a use of managerial and technical knowledge in decision making pertaining to the designing and complexity of systems, both in manufacturing and service industry.

PEO-2: The ability to conduct research and apply their analytical and IT related skills for continuous learning and developing innovative ideas for professional and career growth.

PEO 3: The capability to act as ethical and responsible professionals in fostering innovative activities considering economic, environmental and societal aspects.

PEO-4: Ability to effectively lead, work and communicate in cross functional teams or be able to develop entrepreneurial skill to operate their own business.

4.2.2 The Faculty

Chairman of the Department:
Prof. Dr. Abdul Salam Soomro
Phone: +92 22 2771247

Professors:

Dr. Abdul Salam Soomro
PhD, Pakistan / Malaysia.

Dr. Ghulam Yasin Shaikh
PhD, Pakistan.

Dr. Muhammad Saleh Jumani
PhD, United Kingdom.

Associate Professors:

Dr. Shakeel Ahmed Shaikh
PhD, United Kingdom.

Assistant Professors:

Mr. Abdul Qayoom Lakhair
PgD, Pakistan.

Mr. Hafiz Karim Bux Indhar
M.E, Pakistan.

Dr. Sonia Irshad Mari
PhD, South Korea.

Dr. Muhammad Saad Memon
PhD, South Korea.

Mr. Ali Arsalan Siddiqui
M.E, Pakistan.

Mr. Muhammad Ali Khan
M.E, Pakistan.

Lecturers:

Mr. Miskeen Ali Gopang
M.E, Pakistan.

4.2.3 Laboratory Facilities

- Workshop
- Operations Research Lab
- Computer Aided Design and Simulation Modeling Lab
- Vicon Motion Capture System Lab
- Additive Manufacturing Lab
- Condition Monitoring Lab
- Human Factors and Time & Motion Study Lab
- Computer Integrated Manufacturing Lab

4.2.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	MTH108	Applied Calculus	03	00
	SS111	Islamic Studies	02	00
	SS104	Ethics (Elective)	02	00
	PS106	Pakistan Studies	02	00
	INM101	Industrial Economics and Management	03	00
	INM111	Engineering Drawing & CAD	03	01
	EL102	Electrical Technology	03	01
		Total	**16**	**02**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	MTH103	Linear Algebra Differential Equations & Analytical Geometry	03	00
	INM121	Basic Business Management	02	00
	ENG101	Functional English	03	00
	CE145	Mechanics of Materials	03	01
	INM131	Manufacturing Processes	02	02
		Total	**13**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
3rdSemester	MT220	Materials & Processes	03	01
	INM201	Management Information Systems	02	00
	ME281	Mechanics of Machines	02	01
	INM221	Applied Thermodynamics	02	01
	CS218	Introduction to Computer& C++ Programming	03	01
		Total	**12**	**04**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
4th Semester	INM231	Production Planning and Control	03	00
	INM241	Industrial Probability and Estimations	03	01
	INM251	Managerial Accounting	03	00
	INM261	Machine Design	03	00
	CE261	Fluid Mechanics	03	01
		Total	**15**	**03**

5th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	INM301	Quality Control and Reliability	03	00
	MTH336	Numerical Analysis & Com. Application (N.A.C.A)	03	01
	INM311	Operations Research I	03	01
	INM321	Production Management	02	00
	ES361	Instrumentation & Control	03	01
		Total	**14**	**03**

			Theory	Practical
	INM401	Human Resources Management	03	00
	INM411	Human Factors Engineering	03	01
	INM421	Operations Research II	03	01
	INM431	Industrial Maintenance and Safety	03	00
	INM498	Thesis / Project I	00	03
		Total	**12**	**05**

8th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	INM451	Entrepreneurship	03	00
	INM461	Production Systems Design	03	00
	INM471	Supply Chain and Logistics	03	00
	INM481	Advanced Manufacturing Technologies	03	01
	INM499	Thesis / Project II	00	03
		Total	**12**	**04**

4.2.5 Career Opportunities

Graduates in the industrial engineering program take courses in areas of production planning, engineering economics, computer integrated manufacturing, human factors and ergonomics, operations research, statistics, principles of decision making, supply chain management and quality management.

Employment of industrial engineers is projected to grow 10 percent from 2016 to 2026, faster than the average for all occupations. This occupation is versatile both in the nature of the work it does and in the industries in which its expertise can be put to use. Industrial engineers are employed in a wide range of industries, including major manufacturing industries, consulting and engineering services, research and development firms, and wholesale trade. This versatility arises from the fact that these engineers focus on reducing internal costs, making their work valuable for many industries. For example, their work is important for manufacturing industries that are considering relocating from overseas to domestic sites. In addition, growth in healthcare and changes in how healthcare is delivered will create demand for industrial engineers in firms in professional, scientific, and consulting services.

Industrial Engineers solve a variety of problems:

- Determining the best location of machines in a factory, based on economic and operation considerations; designing computer-aided process planning systems that flexibly vary the sequence of operations to produce a product.
- Developing a system for controlling the inventory levels of a product in a warehouse.
- Designing automated material handling systems for the movement of parts in a factory.
- Designing computer-integrated manufacturing systems and decision support systems for integrating information and control between manufacturing systems, automated guided vehicles, automated warehouse facilities, and management personnel.
- Designing a new plan for scheduling of production orders in a factory.
- Developing reliability and quality management systems to ensure that a manufactured product is free from defects.
- Developing programs for analyzing human reliability to assess work place safety.
- Designing computer graphics systems to assist operators in the monitoring and control of industrial processes.

4.3 Department of Mechanical Engineering

4.3.1 The Department

Department of Mechanical Engineering was established in 1963. It is one of the prominent departments of the university with student's strength of about 600. With devoted faculty and staff, the department strives to produce the engineers, which are capable to contribute in exploration of affordable and sustainable development of the country.

Vision of the Department

Mechanical Engineering Department intends to become a hub of high-quality engineering education and research so as to produce skilled, innovative, entrepreneurial engineers who meet the ever-changing engineering demands.

Mission of the Program

Mechanical Engineering Department strives to produce engineers and researchers with sound knowledge of traditional and emerging areas of engineering together with the ability of having critical and innovative thinking and make them globally competitive.

Mechanical Engineering Department offers undergraduate program of four-year duration, leading to the degree of Bachelor of Engineering.

1-Mechanical Engineering

The goal of the undergraduate programs is to produce the graduates that are globally competitive for the requirements of industries. The student, graduated from this department, becomes capable of taking leading positions in industry, academia and government in both Pakistan and abroad. The department also offers the PhD and postgraduate programs in Manufacturing Engineering, and Energy System Engineering

4.3.2 Mechanical Engineering Undergraduate Program

Mechanical engineering department strives to produce engineers and researchers with sound knowledge of traditional and emerging areas of engineering together with innovative design abilities to achieve sustainable national development. Moreover, it attempts to develop the skill of the students to make them globally competitive engineers and researchers by providing quality education and research facilities.

Program Education Objectives (PEOs):

PEO-1: To produce engineers with clear concepts about fundamentals of Mechanical Engineering discipline and allied subjects.
PEO-2: To produce engineers with analytical and problem-solving abilities.
PEO-3: To produce engineers with high level of professionalism and integrity.
PEO-4: To produce engineers with sound communication and leadership abilities along with the desire of continuously improving their knowledge and skills.

4.3.3 The Faculty

Chairman of the Department:
Prof. Dr. Dur Muhammad Pathan
Phone: +92-022- 2771275, 022-22772250-70 / **Ext.:** 2300

Professors:

Dr. Dur Muhammad Pathan
PhD, Pakistan.

Dr. Khanji Harijan
PhD, Pakistan.

Engr. M. Atif Qaimkhani
M.E, Pakistan.

Engr. Imtiaz Ali Memon
M.E, Pakistan.

Engr. Abdul Hafeez Khoharo
M.E, Pakistan.

Engr. Farhan Haider Joyo
M.E, Pakistan.

Dr. Rizwan Ahmed Memon
PhD, Hong Kong.

Dr. Abdul Fatah Abbasi
PhD, Pakistan.

Dr. Tanweer Hussain Phulpoto
PhD, United Kingdom.

Associate Professor
Dr. Abdul Ghafoor Memon PhD, Pakistan.

Assistant Professors:
Engr. Ghulam Yasin Mughal
M.E, Pakistan.

Engr. Muhammad Sharif Jamali
M.E, Pakistan.

Engr. Shoukat Ali Memon
B.E, Pakistan.

Engr. Muhammad Jurial Sangi
M.E, Pakistan.

Lecturers:
Engr. Javed Rehman Larik
M.E, Pakistan.

Engr. Laveet Kumar
M.E, Pakistan.
(On Study Leave)

Engr. Roshan Kumar
M.E, Pakistan.

Engr. Samiullah Qureshi
M.E, Pakistan.
(On Study Leave)

Engr. Ans Memon
M.E, Pakistan.

Engr. Waqas Ali Chandio
M.E, Pakistan.

Engr. Intizar Ali Tunio
M.E, Pakistan.

Engr. Zain-ul-Abdin Qureshi
PgD, Pakistan.

4.3.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	(SS 111)/(SS 104)	Islamic Studies/Ethics	2	0

4.3.5 Workshop Instructors

Engr. Afaque Rafique Memon	M.E, China.
Engr. Jamaluddin Veenjher	B.E, Pakistan.
Mr. Ameer Ali Memon	B.E, Pakistan.
Mr. Jawaid Ahmed Sarhandi	B.E, Pakistan.
Mr. Aurangzeb Halepoto	B.E, Pakistan.
Mr. Abdul Qadir Jamali	B.Tech. (Hons), Pakistan.
Mr. Jameel Ahmed Mangi	B.Tech. (Hons), Pakistan.

4.3.6 Laboratory Facilities

- Instrumentation Laboratory
- Control Engineering Laboratory
- Computer Laboratory
- Modeling & Simulation Laboratory
- Engineering Drawing Laboratory
- Engineering Mechanics Laboratory
- Fluid Mechanics Laboratory
- Material Testing Laboratory
- Thermodynamics Laboratory
- Mechanics of Machines Laboratory
- Mechanical Vibrations Laboratory
- Power Plant Laboratory
- Mechanical Engineering Workshop

4.4 Department of Mechatronic Engineering

4.4.1 The Department

Mechatronic Engineering is the newest department (established in the year 2021) by the University. Initially, the Master in Mechatronic Engineering degree program was offered from the year 2014. Subsequently, Ph.D. in Mechatronic Engineering was also offered. Both of these postgraduate programs are Higher Education Commission (HEC) approved. The four-year undergraduate degree program in Mechatronic Engineering was launched in the year 2016 under the administration of the Mechanical Engineering Department. After the establishment of the separate Department of Mechatronic Engineering, this program is being managed by the same. Mehran University of Engineering and Technology is the first and the only public sector university in the province of Sindh offering the four-year B.E. in Mechatronic Engineering program. The first batch of this program has already graduated. The program has been adapted to Outcome-Based Education (OBE) and is duly accredited by Pakistan Engineering Council (PEC) in level II (highest possible level).

A mechatronic engineer pursues an inter-disciplinary approach, which enables him/her to design and develop devices and systems that encompass multiple conventional engineering disciplines. With the advent of the Fourth industrial revolution (Industry 4.0), modern smart technology is taking automation to the next higher level thus bringing fundamental changes to our lives. The undergraduate program in mechatronic engineering provides a right mix of subjects from mechanical, electronic and computer engineering domains that is aimed to design and develop innovative technological interventions into the modern-day challenges of industrial, medical and agricultural sectors. In addition to faculty of the Mechatronic Engineering Department, the subjects are also taught by faculty members from Mechanical Electronic and Computer System Engineering departments. In addition to the Department's dedicated laboratories, practical work is also carried out in the labs of other departments of the University.

Mechatronic Engineers have opportunities to work in emerging fields in public and private sectors. A Mechatronic system is composed of integration of mechanical and electronic components, sensors, actuators, and controllers. Modern industry has transformed from electromechanical type to fully automated type; thus, Mechatronic engineering skills are in demand by both national and international companies. They require personnel with multi-disciplinary expertise having knowledge of all the related systems to run industries and improve automated systems. Plenty of opportunities exist for postgraduate studies/scholarships nationally and internationally. Mechatronic Engineers are in demand in the following sectors:

- Automation and Control
- Robotics
- Automobile
- Renewable energy
- Power Plants
- Oil refineries
- Manufacturing process plants
- Marine engineering
- Biomedical
- Food processing
- Petrochemical
- Research and Development, etc.

Vision of the Department

The Department's vision is to be a leader in mechatronic engineering education and research by building capabilities for technological solutions to achieve sustainable development.

Mission of the Program

The missions of the B.E in Mechanical Engineering Programs is to provide a high-quality education by dissemination knowledge and developing problem-solving abilities. The program also strives to nurture integrity, professionalism and leadership skills.

Program Education Objectives (PEOs):

PEO-1: To produce Mechatronic Engineers with core knowledge of related multiple disciplines.
PEO-2: To inculcate analytical and problem-solving abilities in graduating students.
PEO-3: To produce professionals with integrity and demonstrable communication and leadership skills.

4.4.2 The Faculty

Chairman of the Department:
Prof. Dr. Jawaid Daudpoto
Phone: +92-22772250-70 / **Ext.:** 2331

a. Dedicated Faculty:

Professor:
Dr. Jawaid Daudpoto
PhD, United Kingdom.

Assistant Professors:
Dr. Saifullah Samo
PhD, China.

Dr. Shadi Khan Baloch
PhD, Turkey.

Engr. Raheel Ahmed Nizamani
M.E, Pakistan.

Lecturer:
Engr. Adrash Ali
M.E, Pakistan.

Engr. Aeeman Soomro
M.E, Pakistan.

Engr. Memona Memon
M.E, Pakistan.

b. Shared Faculty:

Assistant Professors:
Engr. M. Atif Qaimkhani
M.E, Pakistan.

Engr. Imtiaz Ali Memon
M.E, Pakistan.

Mr. Arbab Ali Samejo
M.E, Pakistan.

Engr. Abdul Jabbar Memon
M.E, Pakistan.

Dr. Wahid Bux Mangrio
PhD, Pakistan.

Mr. Abdul Saleem Memon
M.Phil., Pakistan.

Lecturers:
Dr. Mahesh Kumar Rathi
PhD, Malaysia.

Engr. Shoaib Shaikh
M.E, Pakistan.

Engr. Faheem Shafeeque Channar
M.E, Pakistan.

Mr. Shafqat Shahzoor Chandio
M.Phil., Pakistan.

4.4.3 Laboratory Facilities

Following lab facilities are available to students of Mechatronic Engineering.

1. Instrumentation Lab.
2. Robotics & Control Lab.
3. Computer Lab.
4. Modeling & Simulation Lab.
5. Mechatronic System Design Lab.
6. Circuit Design & Project Lab.
7. Computer Lab
8. Engineering Drawing Lab.

9. Engineering Mechanics Lab.
10. Fluid Mechanics Lab.
11. Workshop
12. Material Testing Lab
13. Thermodynamics Lab.
14. Mechanics of Machines Lab.
15. Mechanical Vibration Lab.
16. Equipment and Training Lab.
17. Electrical Circuit and Measurement Lab.
18. Power Electronics and Control Lab.
19. Digital System Design Lab.
20. Analog Electronics Lab.
21. Embedded Systems Lab.
22. Computer Integrated Manufacturing (CIM) Lab

4.5 Department of Metallurgy and Materials Engineering

4.5.1 The Department

The Department of Metallurgy & Materials Engineering is one of the leading departments in the engineering disciplines at Mehran University of Engineering & Technology. Metallurgy & Materials Engineering is an inter-disciplinary field, that spanning the physics and chemistry of matters, industrial manufacturing processes and engineering applications. The scope of Metallurgy and Materials Engineering is to produce the metallic and nonmetallic materials of desired shapes and properties. The advancement in technology is escalating with time therefore department aims to incorporate and accommodate the new trends in materials.

The mission of Metallurgy and Materials Engineering program is to produce material engineers and scientists with adequate understanding of structure-property-processing-performance relationships for engineering materials. Metallurgy and Materials Engineering is the only discipline in Mehran University of Engineering & Technology which is equipped with advanced research equipment and highly qualified academics staff, including research fellows. Henceforth, research activity traverse around all the important area of Metallurgy & Materials Engineering, which includes energy, bio-medical and synthesis of advanced materials. The department has promoted the research environment due to which the students feel comfortable to work in research projects without the time restrictions. Moreover, department is playing dominate role in promoting the adequate research environment through facilitating research activities to students of rest academic disciplines of MUET and other institutions of Pakistan.

The Bachelor of Engineering program covers the subject from its foundations in physics and chemistry to the design, manufacture and applications of metals and their alloys, composites, nanomaterials and advanced materials. In order impart practical knowledge among' individual labs have been introduced. The Department also offers Master of Engineering (M.E.) and Doctor of Philosophy (Ph.D.) in Metallurgy and Materials Engineering, which at present is a part time evening program. The Department is continuing to grow and will be a nationally recognized leader in the education of students in the field of metallurgy and materials engineering. MME department has adopted the **out-come based education (OBE)** system on 2017 batch and onwards.

The scope of Metallurgy &Materials Engineering is truly vast. It is an inter-disciplinary field, which is covering almost all areas of engineering. If you are enthusiastic and do not yet wish to be limited to a single engineering discipline and are looking for a fascinating degree subject and career then our Bachelor of Metallurgy & Materials Engineering program could be for you.

4.5.2 Career Opportunities

The graduates of this program earn the title of "Metallurgy and Materials Engineer", and can hunt their jobs in any public and private metal/materials working industries in inland and abroad. In Pakistan graduate can seek job opportunities in Peoples Steel Mill, Bolan Casting limited, Agha Steel Mill, Pakistan Machine tool factory, Heavy Mechanical Complex, Pakistan Ordinance Factory, Sui Southern Gas, Pak Suzuki etc. Other interesting areas may be automotive industry, high tech ceramic industry. Graduates can work in many different areas and industries such as facilities that produce iron, steel, and non-ferrous metals (aluminum, copper, etc.), the metal casting industry, the automotive industry, traditional and high-tech ceramic manufacturing facilities, heat treatment companies, materials research and development centers, the defense industry, quality control firms, surveillance companies, oil and gas sector and biomedical applications.

Vision of the Department

The department intends to provide quality education in order to produce global leaders in the field of Metallurgy and Materials Engineering.

Mission of the Program

The program mission is to produce engineering graduates of metallurgy and materials, who become pillars and market leaders of the related industries through their expert knowledge and problem-solving attributes with sustainability approach and professional attitude.

Program Educational Objectives (PEOs):
Graduates in Metallurgy & Materials Engineering will have following key attributes:

PEO-1: Excel in the field of Metallurgy and Materials Engineering with adequate knowledge and technical skills considering sustainability aspects.
PEO-2: Contribute in solving the complex engineering problems and be in a leading position due to their acquired professional attributes.
PEO-3: Partake effectively for the development of society utilizing strong ethical values, communication and interpersonal skills.

4.5.3 The Faculty

Chairman of The Department:
Prof. Dr. Muhammad Ishaque Abro
Phone: 0333-2705953 / **Ext.:** 4500 - 4501

Professors:
Dr. Muhammad Ishaque Abro
PhD, Pakistan.

Assistant Professors:
Mr. Nisar Ahmed Memon
M.E, Pakistan.

Mr. Ashfaque Ahmed Issani
M.E, Pakistan.

Dr. Muhammad Wasim Akhtar
PhD, Korea.

Dr. Umair Aftab
PhD, Pakistan.

Mr. Shafique Ahmed
M.E, Pakistan.
(On study leave)

Lecturers:
Mr. Muddassir Ali Memon
M.E, Pakistan.
(On study leave)

Mr. Imtiaz Ali Soomro
M.E, Pakistan.
(On study leave)

Mr. Ayatullah Qureshi
M.E, Pakistan.

Mr. Mukesh Kumar
M.Phil., Pakistan.

4.5.4 Laboratory Facilities
The department is also equipped with following laboratories, having latest equipment:

- Material Testing Lab-1
- Material Testing Lab-2
- Non-Destructive Testing Lab
- Sand Testing Lab
- Heat Treatment Lab
- Fabrication Lab
- Advanced Characterization Lab
- Materials Synthesis Lab
- Metallography Lab
- Electrochemical and Corrosion Lab
- Computer and Simulation Lab

4.5.5 The Courses

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
1st Semester	MT131	Introduction to Engineering Materials	3	0
	MT132	Applied Chemistry	2	1
	MT133	Applied Physics	2	1
	MTH108	Applied Calculus	3	0
	IS111	Islamic studies	2	0
	SS104	Ethics (For Non-Muslims)		
	PS106	Pakistan studies	2	0
		Total	**14**	**2**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
2nd Semester	MT135	Mineral Processing	2	1
	MT136	Engineering Drawing and CAD	2	1
	MTH125	Linear Algebra and Differential Equation	3	0
	ENG101	Functional English	3	0
	CS115	Introduction to Computing	2	1
	ME176	Workshop Practice	0	2
		Total	**12**	**5**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
3rd Semester	MT231	Materials Thermodynamics	3	0
	MT232	Physical Metallurgy-I	3	0
	EE214	Industrial Safety & Environmental Engineering	3	0
	ENG201	Communication Skills	3	0
	ES292	Instrumentation & Control	2	1
		Total	**14**	**1**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
4th Semester	MT234	Iron and Steel Making Technology	3	0
	MT235	Non-Ferrous Metallurgy	3	0
	MT236	Mechanical Behavior of Materials	3	1
	MT237	Engineering Ceramics & Glasses	3	0
	MTH215	Numerical Methods & Computation	3	1
		Total	**15**	**2**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
5th Semester	MT331	Inspection and Testing of Materials	3	1
	MT332	Polymeric Materials	3	0
	MT333	Physical Metallurgy-II	3	1
	MT334	Advanced Steels	2	0
	ENG301	Technical and Scientific Writing	2	0
	MTH317	Statistics & Probability	3	0
		Total	**16**	**2**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
6thSemester	MT336	Foundry Engineering	3	1
	MT337	Powder Metallurgy	2	0
	MT338	Manufacturing Processes	3	1
	MT339	Welding & other Joining Processes	3	1
	MT340	Corrosion & Protection	3	1
	MT341	Composite Materials	2	0
		Total	**16**	**4**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
7thSemester	MT431	Heat Treatment Processes	3	1
	MT432	Advanced Materials & Nanotechnology	3	0
	MT433	Nuclear Metallurgy & Materials	2	0
	MT434	Research Methodology	2	0
	MT435	Metallurgical Plants and Quality Control	2	0
	MT499	Project	0	3
		Total	**12**	**4**

	Course Code	Subject Name	Credit Hour	
			Theory	Practical
8thSemester	MT437	Fracture Mechanics and Failure Analysis	3	1
	MT438	Design of Materials	2	0
	MT439	Computational Materials Science	2	1
	MT440	Tribology and Surface Engineering	2	0
	INM491	Entrepreneurship and Marketing	3	0
	MT499	Project	0	3
		Total	**12**	**5**

4.6 Department of Mining Engineering

4.6.1 The Department

"If it is not Grown, it has to Mine", Mining may well have been the second of humankind's earliest endeavors, granted that agriculture was the first. The two industries ranked together as the primary or basic industries of early civilization.

Mineral sector always plays a vital role for industrial development and economic growth of nations. The demand for minerals of all kinds is higher today than ever before, and it continues to increase as the nations of the world strive to improve their standards of living. Mining Engineering is a highly technical field. Today the challenges of mining are greater than before. Now high-tech techniques are being designed to make tomorrow's mines more productive, safer, and economically successful. Mining engineers are seeking ways to extract essential raw materials without causing undue disturbance to the environment.

Mining provides the mineral resources for society, including coal, metallic & non-metallic minerals, ores, gemstones as well as basic products such as; gravel, limestone, sandstone etc., that are essential for the construction of highways, bridges, power plants, and building foundations. Wherever productive minerals deposits are found in our country, the technical skills of Mining and mineral processing engineers are required. The Department of Mining Engineering offers degrees in B.E. in Mining Engineering, M.E. in Mining Engineering and Ph.D. in Mining Engineering

Department of Mining Engineering is actively engaged in various projects of national and strategic importance in the fields of coal mining, coal gasification and mineral processing, and have developed strong academic and research collaboration with university of Nottingham UK, Montan University, Leoben Austria, Hacettepe University, Turkey and China University of Mining and Technology, Xuzhou, China.

Vision of the Department

To provide excellent education in the field of Mining Engineering as per International Standards, and develop Research Based Solutions to Mining Industry, for National Development.

Mission of the Program

To produce Quality Professional Engineers with Problem Solving Expertise, Integrity and Strive to enhance their Skills and Ideas related to Mining industry.

Program Educational Objectives (PEOs)

To produce Mining Graduates who will be able to:

1. Demonstrate proficiency of applying the acquired knowledge & skills to solve engineering problem related to the exploitation of mineral resources.
2. Consider economic and environmental impacts on mining engineering projects and contribute to the society through their problem-solving attitude.
3. Exhibit effective communication, teamwork, leadership skills.
4. Pursue professional growth through moral and continuous learning attitude.

4.6.2 The Faculty

Chairman of the Department:
Dr. Fahad Irfan Siddiqui
Phone: 022-2771391, 022-2772260-73 Ext. 4600

Professor:
Dr. Abdul Ghani Pathan
PhD, United Kingdom.

Associate Professors:
Dr. Fahad Irfan Siddiqui
PhD. Pakistan

Mr. Muhammad Yaqoob Behan
M.E, Pakistan.

Mr. Saeed Ahmed Memon
B.E, Pakistan.

Lecturers:
Mr. Agha Shafi Muhammad Pathan
M.E, Pakistan.

Mr. Muhammad Raheel Memon
M.E, Pakistan (On Study Leave).

Mr. Parvez Ahmed Shakeel
Honorary
MSc., Pakistan.

Mr. Sikandar Ali Channa
M.E. Pakistan

Mr. Safiullah Memon
M.E, Pakistan.

Dr. Munawar Ali Pinjaro
PhD, China.

Dr. Sultan Ahmed Khoso
PhD, China.

Mr. Mairaj Hyder Soomro
M.E, Pakistan.
(On Study Leave)

Mr. Muhammad Burhan Memon
M.E, Malaysia.

Mr. Saleem Raza Baloch
M.E, Pakistan.

Assistant Professors:

Mr. M. Hashim Rind
B.E, Pakistan.

4.6.3 Laboratory Facilities

The department has following well-equipped laboratories, which meets the academic needs of the students and faculty. These laboratories hold promise in providing superior consultancy services and supporting several research programs.

1. Rock Mechanics Laboratory
2. Mineral Processing Laboratory
3. Software Laboratory
4. Surveying and Mine Planning Laboratory
5. Mine Ventilation Laboratory
6. Advanced Research Laboratory

4.6.4 The Courses

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
1st Semester	MTH102	Applied Calculus	3	0
	PS106	Pakistan Studies	2	0
	IS111/SS104	Islamic Studies / Ethics	2	0
	MN121	Engineering Drawing	0	2
	ME181	Workshop Practice	0	2
	MN102	Mining Engineering Fundamentals	3	0
		Total	**10**	**4**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
2nd Semester	EN101	Functional English	3	0
	MTH111	Linear Algebra and Analytical Geometry	3	0
	MN111	Applied Chemistry	3	1
	EL102	Electrical Technology	3	1
	CE115	Engineering Mechanics	3	1
		Total	**15**	**3**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
3rd Semester	MTH201	Differential Equation & Fourier Series	3	0
	ENG201	Communication Skills	2	0
	MN201	General Geology	3	1
	ME292	Applied Thermodynamics	3	1
	CE265	Strength of Material	3	1
		Total	**14**	**3**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
4th Semester	MN261	Mine Surveying	3	1
	CE285	Fluid Mechanics	3	1
	MN222	Mineralogy and Petrology	2	1
	MN232	Mineral Processing – I	2	1
	MN252	Coal Technology	2	1
		Total	**12**	**5**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
5th Semester	MTH301	Numerical Analysis and Computer Programming	3	1
	MN312	Mineral Processing - II	2	1
	MN301	Structural Geology	3	0
	MN321	Rock Mechanics	3	1
	MN332	Mining Laws	2	0
	MN362	Mine Management	2	0
		Total	**15**	**3**

	MN391	Mineral and Ore Deposits	3	0
		Total	**15**	**2**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
7th Semester	MN401	Strata Control	3	0
	MN442	Mineral Resource Estimations	2	1
	MN411	Mine Water and Dewatering Design	3	1
	MN422	Planning and Design of Underground Mines	3	0
	MN443	Mine Economics	2	0
	MN491	Project/Thesis-I	0	3
		Total	**13**	**5**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
8th Semester	MN452	Computer Application to Mining Industry	0	2
	MN471	Mine Rescue and Safety	3	1
	MN462	Surface Mine Design and Practice	3	0
	MN482	Cement Technology	2	0
	MN491	Project / Thesis-II	0	3
		Total	**8**	**6**

4.6.5 Career Opportunities

A degree in Mining Engineering offers attractive careers in both private and public sectors. The graduates of the Mining engineering department are employed in various organization/industries including Directorate of Mineral Development, Government of Sindh, Sindh Coal Authority (SCA), Sindh Engro Coal Mining Company (SECMC), Sino-Sindh Resource Limited (SSRL), Sindh-Lakhra Coal Mining Company (SLCMC), Pakistan Atomic Energy Commission (PAEC), Pakistan Mineral Development Corporation (PMDC), and various other mineral related projects like; coal mines, cement Industries, mineral processing units, tunneling and underground excavations.

4.7 Institute of Petroleum and Natural Gas Engineering

4.7.1 The Institute

In view of facts and figures regarding the explored resources of petroleum reveal that the province of Sindh is the leading producer of oil and gas in Pakistan. This plays an important role in the economic growth and the maintaining life line of country's development. The exploration and production of these reserves offer broad spectrum of challenges and opportunities for the graduates and post graduates to utilize their expertise and skills for the betterment and progress of the country.

At the very outset the Fuel Engineering department was established in Mehran UET in the province of Sindh in 1983 to provide the graduates an opportunity to serve in the oil & gas industry as Petroleum Engineers. Later on, as per recommendation of University Grants Commission (UGC), it was renamed as department of Petroleum & Gas Engineering.

Petroleum and Gas Engineering department has great history of Excellence through Innovation, pioneering and producing qualified graduates. In this regard, the tradition continued as the research and talent produced shapes the future of Institute of Petroleum & Natural Gas (IPNGE) in 1996. The Institute is offering BE, ME & PhD in Petroleum and Natural Gas Engineering. We are leading center of Excellence in Petroleum & Natural Gas Engineering recognized internationally for the quality of our teaching, training and research.

The aim of higher studies in Petroleum Engineering is designed to equip students with the knowledge and skills to tackle the oil & gas industry challenges. Upon graduating students will be able to understand, frame and solve the most complex upstream problems in today's industry.

Students in the Institute come from a wide variety of urban and rural back ground of Sindh, Pakistan. Most of the graduates have been employed by oil and gas operating companies, services companies, refinery and marketing companies in country and abroad.

Technical and experimental studies carried out under the pioneer ship of the institute include standards and basic methods of research and exploration. These also include drilling simulation, reservoir simulation and natural gas measuring techniques which equally meet international standards.

The Institute has seminar hall with a capacity of 70 persons with latest audio-visual facilities. The Institute of Petroleum and Natural Gas Engineering and Society of Petroleum Engineers (SPE) is regularly arranging and conducting technical lectures / Short courses / initial and Final Seminars of research projects / thesis of undergraduate and postgraduate students and technical sessions in the facility. The Institute has air-conditioned Seminar Library with the original and latest books, research Journals, annual technical reports of Director General Petroleum and Concession Department (DGPC) and Hydrocarbon Development Institute of Pakistan (HDICP), Newsletters, thesis/projects of undergraduate and postgraduates in addition to e-resources of HEC.

Vision of the Institute

The visionary approach of our Institute is concentrated in Petroleum & Natural Gas Engineering towards international standards, technical achievements through research and producing competent Engineers to serve Petroleum Industry.

Mission of the Program

The mission of Petroleum & Natural Gas Engineering is to provide student focused excellent teaching and educational environment that nurtures the intellectual and professional growth of students, who will become leading human resources in upstream petroleum industry.

Program Educational Objectives (PEOs)

The program educational objectives (PEOs) of the curriculum are prepared on the basis of stakeholders' need and linked with different program learning outcomes. The PEOs of Bachelor of Petroleum & Natural Gas Engineering are:

1. To produce dynamic petroleum graduates capable of practising advanced knowledge to promote oil and gas industry.
2. To produce the leadership and communication skills to promote teamwork for strengthening the petroleum industry.
3. To provide quality learning in multi-disciplinary environment for broader context of innovation and technological developments to enhance environment friendly oil and gas production to meet the global fuel demand.

4.7.2 The Faculty

Director of the Institute
Prof. Dr. Abdul Haque Tunio
Phone: 022-2771241, 2772250-73 / **Ext.:** 4300

Professors:
Dr. Abdul Haque Tunio
PhD, Pakistan.

Dr. Sarfraz Ahmed Jokhio
PhD, USA.

Assistant Professors:
Engr. Shahzad Ali Baladi
M.E, Pakistan.

Engr. Allah Dino Samoon
B.E, Pakistan.

Dr. Muhammad Khan Memon
PhD, Malaysia.

Dr. Aftab Ahmed Mahesar
PhD, Pakistan.

Dr. Khalil Rehman Memon
PhD, Pakistan.

Engr. Naveed Ahmed Ghirano
M.E, Pakistan.

Engr. Muhammad Zubair
M.E, Pakistan.

Lecturers:
Engr. Abdul Qadir Shaikh
M.E, Pakistan.

Engr. Mukhtiar Ali Talpur
M.E, Pakistan.

Dr. Ubedullah Ansari
PhD, China.

Engr. Irshad Ali Gopang
M.E, Pakistan.

Engr. Faisal Najam Abro
M.E, Pakistan.

Engr. Muhammad Ali Memon
M.E, Pakistan.

Engr. Sohail Nawab
M.E, Pakistan.

Engr. Imran Ahmed Hulio
M.E, Pakistan.

Lab Engineer:
Engr. Ghulam Mustafa Kamboh
B.E, Pakistan.

Lab Supervisors:
Engr. Sheeraz Ahmed Soomro
M.E, Pakistan.

Engr. Habibullah Sargani
M.E, Pakistan.

4.7.3 Laboratory Facilities

The following laboratories are available in the Institute with modern equipment and named as:

a) Petroleum Refinery Engineering
b) Gas Engineering
c) Drilling & Reservoir Simulation
d) Production Engineering
e) Drilling Fluids
f) Computer
g) General / Oil Testing
h) PVT laboratory

These laboratories serve not only undergraduate and postgraduate students, but they also provide services to the researchers. Besides normal academic activities, the Institute, faculty and students are involved in research and development activities in collaboration with industries.

4.7.4 The Courses

The curriculum includes courses in reservoir analysis, drilling techniques, production techniques, processing, transmission, distribution, storage and economics of oil and natural gas. Additional subject such as geology, computer applications and programming, mathematics are also included in the courses. Regular visits of oil and gas field for up-to-date practical knowledge is the key feature of the program. Well-equipped laboratories have been established to cover the practical aspect of the

reservoir analysis, gas engineering, refinery process and drilling fluid properties. Students are facilitated with a computer laboratory with latest computers, where they can work on their projects, assignments and have access to the Internet facilities.

	Course Code	Name of subject	Credit Hours	
			Theory	Practical
1st Semester	PG-101	Fundamentals of Petroleum Engineering	3	0
	HU-101	Functional English	3	0
	PS-106	Pakistan Studies	2	0
	IS-111/SS-104	Islamic Studies / Ethics	2	0

4.7.5 Carrier Opportunities:

Internship / Graduate Training Program:
The Institute also arranges summer internship to third/final year students with the coordination of oil and gas exploration and production companies operating in Pakistan. The internships enhance the knowledge of students and provide hands on experience. In the final year the students are assigned to work on a project related to the field operations. The project is usually designed and completed in collaboration with the petroleum industry. After completing graduation, the reputed oil/gas sectors are usually requiring top ten students for their graduate training program.

4.7.6 Linkage with National / International Organizations:

A Student Chapter of *Society of Petroleum Engineers (SPE) International "Mehran Student Chapter"* was also established at this Institute in 1998. The purpose to establish the chapter was to help the students in updating their relevant knowledge by organizing technical short courses, seminars, sessions and field trips. The chapter also helps the Institute to liaison with all the major national and multinational companies in the oil and gas sector in Pakistan.

The University signed an agreement with Pakistan Petroleum Ltd to establish a PPL Chair in the Institute. PPL Chair was populated on November 1, 2017 with main objective to strengthen academia-industry partnership for nurturing young talent informed with latest research and technology. The purpose of establishing PPL chair is to promote scientific research activities, strengthen the quality of academic programs offered by the institute, and high learning in the field of Petroleum engineering.

4.8 Department of Textile Engineering

4.8.1 The Department

The Department of Textile Engineering was established in 1993 for undergraduate program (i.e., Bachelor of Engineering (B.E) in Textile Engineering) with the aim of imparting the knowledge and skills in the field of textile materials, manufacturing and processing to the students as per international standards. Consequently, after graduation, students could contribute towards the development and modernization of Pakistan's Textile Industry and Services. This department is the first Textile Engineering Institute in Sindh province and Pakistan's first recognized institute by Pakistan Engineering Council. The department also offers masters and PhD programs in the field of Textile Engineering since 2005. Further, since 2016, the Outcome Based Education (OBE) system has been implemented in the department as per revised PEC accreditation manual 2014 and in pursuance of Washington Accord.

In addition of B.E, ME and PhD in Textile Engineering, the Department has started BS program in Garment Manufacturing since 2019.

Vision of the Department

Attending university is mainly considered a way to leverage promising career prospects, but university is also a unique opportunity where you can look at yourself and think about how you can benefit and grow personally from the experience. Our vision is to be an educational institution that provides an education at the international level and research-based solution providers to the industry.

Mission of the Program

B.E. Textile Engineering program aims to provide a quality education to produce professionals with adequate knowledge, skills and attitude for successful career. Most courses combine theory and practice. The theory elements draw from a range of areas including Spinning, Weaving, Wet Processing, and Textile Testing & Quality Control etc. The Practical element of the program involves looking at academic development, as well as educational strategies which involves developing communication skills, looking at future career aspirations, leadership and teamwork.

Program Educational Objectives (PEOs)

The PEOs are prepared on the basis of stakeholders' needs and linked with twelve program-learning outcomes. The PEOs of Bachelor of Textile Engineering describe that our graduates, 5 years after graduation, should be able to:

1 Participate in professional engineering practices with appropriate consideration for health and safety, environmental, legal, social and cultural aspects.
2 Conduct themselves as responsible professionals to complete their tasks/projects.
3 Pursue professional growth through moral and continuous learning attitude.

4.8.2 The Faculty

Chairman of the Department:
Prof. Dr. Zeeshan Khatri
Phone: 022-2771565

Professors:

Dr. Zeeshan Khatri
PhD, Japan.

Dr. Farooq Ahmed
PhD, Pakistan.

Associate Professors:

Dr. Mazhar Hussain Peerzada
PhD, England.

Dr. Alvira Ayoub Arbab
PhD, South Korea.

Mr. Abdul Wahab Memon
M.E, Pakistan.
(On Study Leave)

Dr. Anam Ali Memon
PhD, South Korea.

Engr. Nadir Ali Rind
M.E, Pakistan.

Dr. Umaima Saleem Memon
PhD, Turkey.

Engr. Abdul Khalique Jhatial
M.E, Pakistan.

Dr. Awais Khatri
PhD, Australia.

Dr. Iftikhar Ali
PhD, South Korea.

Dr. Shamshad Ali Shaikh
PhD, South Korea.

Dr. Samander Ali Malik
D.Eng., Germany.

Assistant Professors:
Dr. Raja Fahad Qureshi
PhD, Pakistan.

Ms. Sanam Irum Memon
PhD, Pakistan.

Dr. Naveed Mengal
PhD, South Korea.

Dr. Noor Ahmed Sanbhal
PhD, China.

Dr. Abdul Wahab Jatoi
PhD, Japan.

Lecturers:
Dr. Sadaf Aftab Abbasi
PhD, Australia.

Dr. Rabia Almas Arain
PhD, Pakistan.

Lab Engineer:
Dr. Pardeep Kumar Gianchandani
PhD, Italy.

Lab Supervisors:
Dr. Aijaz Ahmed Babar
PhD, China.

Engr. Abdul Rahim Narejo
B.E, Pakistan.

Engr. Aftab Ahmed Kumbhar
M.Phil., Pakistan.

Engr. Rashid Hussain Memon
M.E, Pakistan.

4.8.3 Laboratory Facilities

1. Yarn Manufacturing Lab
2. Weaving Lab
3. Knitting Lab
4. Textile Chemical Processing Lab
5. Color Research Lab
6. Garment Manufacturing Lab
7. Textile Testing and Quality Control Lab
8. Textile Composite lab
9. Nano-materials Lab
10. Functional Materials and Polymer Engineering Lab
11. Smart Organic Materials Research Lab

Second Semester	TE121	Textile Raw Materials	02	00
	TE122	Applied Physics	03	01
	EL118	Basic Electrical and Electronics	03	01
	MTH115	Differential Equations and Laplace Transform	02	00
	TE123	Thermodynamics and Fluid Mechanics	03	01
	ME146	Workshop Practice	00	01
		Total	**13**	**04**

Third Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE211	Fiber Science	02	01
	TE212	Pre-Spinning Processes-I	02	01
	TE213	Fabric Preparatory Processes	02	01
	TE214	Textile Industry Utilities and Services	02	00
	ENG-101	Functional English	02	00
	CS115	Introduction to Computing	02	01
		Total	**12**	**04**

Fourth Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE221	Manufactured and High-Performance Fibers	03	00
	TE222	Pre-spinning Processes-II	02	01
	TE223	Textile Pretreatment	03	01
	TE224	Entrepreneurship	02	00
	MTH220	Numerical Analysis and Computer Applications	03	01
		Total	**13**	**03**

Fifth Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE311	Yarn Production Engineering	03	01
	TE312	Weaving Machines and Mechanisms	03	01
	TE313	Textile Colorants and Coloration	03	01
	TE314	Automation and Control Engineering	02	01
	ENG-402	Technical and Scientific Writing	03	00
		Total	**14**	**04**

Sixth Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE321	Advanced Spinning Techniques	02	01
	TE322	Fabric Design and Structure	02	01
	TE323	Color Physics	03	01
	TE324	Textile Testing and Quality Control	02	01
	ENG-301	Communication Skills	02	00
	MTH311	Statistics and Probability	03	00
		Total	**14**	**04**

Seventh Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE411	Knitted Fabric Manufacturing	03	01
	TE412	Textile Finishing and Coating	03	01
	TE413	Garment Manufacturing	03	01
	TE414	Engineering Economics	03	00
	TE498	Final Year Project-I	0	03
		Total	**12**	**06**

Eight Semester	Course Code	Subject	Credit Hours	
			Theory	Practical
	TE421	Nonwoven and Specialty Fabrics	02	00
	TE422	Denim Manufacturing and Processing	03	01
	TE423	Textile Sales and Marketing	02	00
	TE424	Environment, Health and Safety	03	00
	TE425	Engineering Project Management	02	00
	TE499	Final Year Project-II	00	03
		Total	**12**	**04**

4.8.5 Seminar Library

The department has a Seminar Library in addition to the Central Library of the university. The seminar library is well equipped with thousands of books and journals on Textile & Garments. The students are provided with a clam and serene environment to enhance their subject knowledge within the building.

4.8.6 Career Opportunities

After graduation, the candidate will be:

- able to secure academic position in Pakistan and abroad.
- able to join various textile industry sectors including manufacturing, processing, testing, merchandising, and auditing etc. in Pakistan and abroad.
- eligible for admission in Master degree program (also PhD degree in some cases) in any reputed university in the country and around the globe. The areas of further study may be expanded to other Science, Engineering, Management and Applied Sectors such as Technical and Smart Textiles, Material Science & Nanotechnology, Environment, Medical, Automobile and Aerospace, Defense, and so on.

5. FACULTY OF SCIENCE, TECHNOLOGY & HUMANITIES

5.1 Bachelor of Science in Mathematics (BSM)

5.1.1 The Department (Department of Basic Sciences & Related Studies)

The faculty of this department teaches / offers various fundamental compulsory courses including Mathematics, Statistics, Computer Science, Pakistan Studies and Islamic Studies/ Ethics. Students are also assisted to understand theoretical work of Mathematics with the help of programming languages such as C++ and MATLAB in well-equipped computer laboratory of the department. The courses of Mathematics and Computer Sciences are also being taught to the Postgraduate students of the University by the faculty of Basic Sciences and Related Studies. In this way, this department is helping students to equip with necessary mathematical expertise to deal with problems being occurred in current technological era. The department also participates in offering short courses on various aspects of computer-oriented courses. The department currently comprises of 23 teachers of Mathematics, 03 teachers of Islamic Studies/Ethics, 03 teachers of Pakistan Studies,03 Visiting Faculty, 03 Teaching Assistants and 07 non-academic staff.

The extensive research work is also being carried out by the qualified faculty members of this department and produced PhD and M.Phil. students in the field of Mathematics.

The department commenced a 2-year M.Phil. and 4-year PhD program in Applied Mathematics from the year 2014. Presently, Department running two batches of M.Phil. in Applied Mathematics, which comprises of about 40 students. Whilst in 2019, BS (Mathematics) program has been launched and successively running with the satisfaction of the students.

This will help the students of Mathematics, Statistics, Physics and Engineering to further improve their qualifications and knowledge in Applied Mathematics and relevant fields.

Role of the Department

The department has main focus to provide overall knowledge of Mathematics and other subjects to not only students of this university but also other interested public across country and outside. Several faculty members of this department are maintaining their blogs and share academic notes and other things online for interested audience. This way the Department is providing global knowledge sharing and tries to continuously improve it. In addition, some of books in Mathematics on various courses are also written by our faculty members as author/co-author.

Achievements of the Department

- The success and the achievement of any academic institution and its departments can be gauged by the success and reputation enjoyed by its faculty members. In this context, department tries to hire position holders in subjects of Mathematics, Islamic studies and Pakistan studies from other universities. All faculty members hired here have strong academic record and mostly departmental and faculty positions to their credit and most of the faculty members are highly qualified with M.Phil. and PhD degrees and engaged in research with various disciplines of mathematics and their research work is published in National as well as international journals with high impact factors.
- Department produced 60 M.Phil. students and 01 PhD student in applied Mathematics and 20 PhD students are enrolled.
- Department regularly fulfills ISO objectives every year.
- Many of the consultancy projects have been successfully completed by the department.
- Established computational fluid dynamics laboratory from the project of "strengthen the laboratories" by Higher Education Commission

Future objectives of the Department
The (BSRS) department at MUET, will offer various specializations and a strong post-graduate program leading to PhD in Applied Mathematics including collaboration with the industries.

Vision of the Department:
The department of Basic Sciences and Related Studies aspires to the highest standards of excellence in teaching and service.

Program Educational Objectives (PEOs):
To skill students with the instinctive knowledge of Mathematics and its uses in all fields in general and engineering in particular and further to equip them for higher studies and research in different disciplines.

5.1.2 Laboratory Facilities

The department of Basic Sciences and Related Studies comprises of following two computer laboratories:

i. Computer Lab for Undergraduate Students
ii. Computer Lab for Postgraduate Students

Both of the labs have latest Corei-7 PCs with high-speed internet connection. Forty PCs for undergraduate lab are used for conducting C++ programming practical of students in addition to that same are being used for conducting various short courses related to C++, MATLAB, LaTeX and many others. The lab is extensively used by undergraduate student in order to complete their assignments and projects with the help of various software such as Microsoft Office etc.

Postgraduate lab consists of about ten PCs and mostly remained occupied by students of M.Phil., PhD and sometimes faculty members of the department. This lab plays a substantial role in order to meet research needs of Postgraduate students. Printers installed in both labs are accessed by postgraduate students and teachers to get hard copy of most needed research papers, proceedings and other official documents.

5.1.3 The faculty

Chairman of the department:
Prof. Dr. Asif Ali Shaikh
Phone: +92-22772250-70 / **Ext.:** 2200

Professor:

Dr. Asif Ali Shaikh
PhD-Maths, Pakistan.

Dr. Syed Feroz Shah
PhD-Maths, China.

Dr. Muhammad Anwar Solangi
PhD-Maths, Pakistan.

Assistant Professors:

Mr. Saifullah Abro
M.Phil.-Maths, Pakistan.

Mr. Ghulam Abbas Mehar
M.A-Pakistan Studies, Pakistan.

Ms. Saima Bhatti
M.Phil.-Maths, Pakistan.
(On Study leave)

Ms. Fozia Shaikh
M.Phil.-Maths, Pakistan.
(On Study leave)

Mr. Imran Qasim Memon
M.Phil.-Maths, Pakistan.
(On Study leave)

Dr. Kashif Ali Abro
PhD-Maths, Pakistan.

Mr. Hammeer Abro
M.Phil.-Maths, Pakistan.

Lectures:

Ms. Naseem Khalid Memon
M.Sc.-Maths, Pakistan.

Hafiz Abdul Aziz Memon
M.Phil.-Islamic Studies, Pakistan.

Mr. Shafqat Chandio
M.Phil.-Maths, Pakistan.

Hafiz Shoaib Ahmed Kalhoro
M.Phil.-Islamic Studies, Pakistan.

Mr. Mansoor Ali Bhagat
M.Phil.-Maths, Pakistan.

Mr. Javed Iqbal Larik
M.Phil.-Pakistan Studies, Pakistan.

Mr. Abdul Saleem Memon
M.Phil.-Maths, Pakistan.

Dr. Sania Qureshi
PhD-Maths, Pakistan.

Ms. Zaib-un-Nisa Memon
M.Phil.-Maths, Pakistan.
(On Study leave)

Mr. Muhammad Urs Jhatial
M.Phil.-Maths, Pakistan.
(On Study leave)

Mr. Ayaz Ali Siyal
M.Phil.-Maths, Pakistan.

Mr. Ali Asghar Sangah
M.Phil.-Maths, Pakistan.

Dr. M. Mujtaba Shaikh
PhD-Maths, Pakistan.

Ms. Sara Mahesar
M.Phil.-Maths, Pakistan.

Mr. Sarfraz Ali Banbhan
M.Sc.-Pakistan Studies, Pakistan.

Mr. Sher Khan Awan
M.Phil.-Maths, Pakistan.

Hafiz Abdul Waheed Channa
M.Phil.-Islamic Culture, Pakistan.

Mr. Prem Kumar
M.Phil.-Maths, Pakistan.

5.2 Bachelor of Business Administration (BBA)

5.2.1 The Institute (Mehran University Institute of Science, Technology and Development)

Mehran University Institute of Science, Technology and Development (MUISTD) is established with the objectives to produce highly qualified and skilled manpower at MS, MBA and PhD degree levels; and to formally train the existing personnel already in-charge in the field. MUISTD helps in conduct research on different aspects of effective and viable. S&T policy framework and their strategic management to achieve these objectives. It is established to be a center of excellence for teaching, training and research required to respond to the modern-day challenges with focus on issues relating to development, management, and resisting the exploitation of human, natural and other resources. The clients of teaching, trainings and research results of this institute are; universities, Research & Development organizations, Government, National and International Business, individuals in public and private sectors.

Mission of the Program

To produce highly skilled professionals equipped with capacity of ***Knowledge creation and transfer*** under relevant degree in the field of Science, Technology, Innovation and Entrepreneurship (STIE) for viable business management, conduct of research and building of triple helix relationship among academics, industry and government to promote fast growth of economy.

Why Bachelors of Business Administration (BBA) at MUISTD?

In the era of corporate competition, the professional managers and decision makers require capabilities to perform exceptionally well and undertake informed, knowledgeable and visionary decisions in consonance with effective policies. MUISTD produces the human resource to respond to such dynamic business environment through Business Administration programs.

BBA at MUISTD aims to produce not only managers but entrepreneurs who can launch their ventures for self-sustaining future and the educational programs offered are designed to produce such qualified manpower with experience of conceiving and designing innovative business models with expertise of managing financial and non-financial issues associated with businesses. The program builds students' potential and enables them to build a balance between targets of economic success and limitations of increasing social and environmental responsibilities.

5.2.2 The Faculty

Co-Director of MUISTD
Prof. Dr. Arabella Bhutto
Phone: 022-2772255 / **Ext.:** 6700 - 04

Professor

Dr. Arabella Bhutto
PhD, UK and Postdoc, USA.

Dr. Zahid Ali Memon
PhD, China.

Dr. Iqbal Panhwar (Adjunct)
PhD, SAU.

Assistant Professor

Dr. Iffat Batool Naqvi
PhD, Austria.

Dr. Kamleshwer Lohana
MS. Australia, PhD, UoS.

Dr. Adnan Pitafi
PhD, China.

Dr. Shah Muhammad Kamran
PhD, China.

Dr. Arifa Talpur
PhD, UoS.

Lecturer

Mr. Waqar Sether
MPA, UoS and MS, MUET.

Ms. Mahvish Khaskhely
MBA, Bahria University.

Mr. Abdul Salam Mallah
MBA, IBA.

Ms. Tooba A. Hashmi
MBA, SZABIST.

Ms. Ghazala Tunio
MBA, SZABIST.

5.2.3 The Courses

1st Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
ENG111	Functional English	03	00
MTH120	Basic Mathematics	03	00
SS111/SS104	Islamic Studies/Ethics*	02	00
PS106	Pakistan Studies	02	00
MGT111	Introduction to Business	03	00
ACT111	Principles of Accounting	03	00
ICT111	Computer Applications in Business	02	01
	Total	**18**	**01**

* Optional for Non-Muslim Students only

2nd Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
MKT121	Principles of Marketing	03	00
ENG122	English Composition	03	00
ECO121	Microeconomics	03	00
MGT122	Principles of Management	03	00
ENT121	Introduction to Entrepreneurship & Creativity	03	00
MTH122	Business Mathematics	03	00
	Total	**18**	**00**

3rd Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
FIN211	Introduction to Business Finance	03	00
ECO212	Macroeconomics	03	00
FLN211	Foreign Language – I (Chinese)	03	00
GEN211	Social Psychology and Personal Development	03	00
ENG213	Business Communication	03	00
MTH225	Statistical Method and Probability	03	00
	Total	**18**	**00**

4th Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
ACT222	Cost Accounting	03	00
MGT223	Organizational Behavior	03	00
ENT222	Business Modeling and Design Thinking	03	00
FLN222	Foreign Language – II (Chinese)	03	00
FIN222	Financial Institutions and Markets	03	00
MTH230	Inferential Statistics	03	00
	Total	**18**	**00**

5th Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
ENT312	Social Entrepreneurship	03	00
HRM311	Human Resource Management	03	00
GEN312	Business Law	03	00
ICT312	Website Design and Application Development	02	01
MKT312	Customer Relationship Management	03	00
ACT313	Auditing	03	00
	Total	**17**	**01**

6th Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
MGT324	Supply Chain Management	03	00
MKT323	Marketing Management	03	00
GEN323	Globalization, Business and Development	03	00
MGT325	Agribusiness	03	00
ENT323	Entrepreneurial Finance & Marketing	03	00
FIN323	Financial Management	03	00
	Total	**18**	**00**

7th Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
MKT414	Marketing Analytics	03	00
MGT416	Business Research Methods	03	00
MGT417	Business Policy and Strategy	03	00
	Elective I (List attached)	03	00
	Elective II (List attached)	03	00
	Total	**15**	**00**

8th Semester			
Course Code	**Subject Name**	**Credit Hour**	
		Theory	**Practical**
GEN424	Corporate Social Responsibility	03	00
	Elective-III (List attached)	03	00
	Elective-IV (List attached)	03	00
MGT428	Business Plan	06	00
	Total	**15**	**00**

- A jury comprising of HoD, Focal Person of Internship, Manager IEC and two senior teachers will evaluate the student's business plan at the end of the 8th semester.
- Students can opt any four courses from their respective specialization.
- Maximum 4 weeks internships at the end of 2nd and 3rd Year.
- Internship at the end of 2nd year may preferably be undertaken in a social enterprise i.e., SOS Village, Edhi Foundation, Salami Welfare Trust, etc.

Finance Elective Courses

Course Code	Subject Name	Credit Hour	
		Theory	Practical
FIN401	Analysis of Financial Statement	03	00
FIN405	Corporate Finance	03	00
FIN410	Financial Risk Management	03	00
FIN415	Investment and Portfolio Management	03	00
FIN425	Venture Capital and Private Finance	03	00

HRM Elective Courses

Course Code	Subject Name	Credit Hour	
		Theory	Practical
HRM401	Career Management and Planning	03	00
HRM410	Compensation Structure Development	03	00
HRM415	Job Analysis and Performance Appraisal	03	00
HRM430	Organizational Development	03	00
HRM440	Personnel Management	03	00

Marketing Elective Courses

Course Code	Subject Name	Credit Hour	
		Theory	Practical
MKT401	Advertising and Promotion	03	00
MKT410	Brand Management	03	00
MKT415	New Product Development	03	00
MKT430	Personal Selling	03	00
MKT440	Marketing Issues in Pakistan	03	00
MKT450	Experiential Marketing	03	00

5.2.4 Laboratory Facilities

The Institute owns two computer labs, Lab – I and Lab – II, which provides high-speed Internet and e-mail facilities to the research students. In addition, these labs also encourage students to use SPSS and Project management software for their research particularly in data analysis.

5.2.5 Seminar Library

The Institute has a seminar library available, which provides the learners with latest books, Journals and Research reports in the relevant field. In addition, students will also be able to use the HEC Digital Library.

5.2.6 Social Space

The Institute has inclusive cafeteria to provide quality food and beverages to students; and are encouraged to self-service and organizing events around social space area.

5.2.7 Career Opportunities

There are thousands of opportunities for candidates with BBA degree and the degree program at MUISTD prepares for careers including Accountants, Financial advisors, Marketers, Commodity traders, Loan officers, Real estate agents, Managers and Entrepreneurs etc. Depending upon aptitude of graduate, options are available to work with national and international organizations including Small and Medium Enterprises and Multinational organizations.

5.3 Bachelor of Studies in English (BSE)

5.3.1 The Directorate (Directorate of English Language Development Center)

In 1988 English Language Development Centre was established in collaboration with the British Council and the University Grant's Commission (Presently the Higher Education Commission of Pakistan) at Mehran University Jamshoro. ELDC was initially run by a British Director Prof Brian Bamber. During this project the faculty members were awarded scholarships to pursue Masters in ELT/TESOL from British and American universities. After Mr. Bamber, Prof. Bodlo M. Hassan took over as Director who received ELT training from UK and administrative training from USA. Mr. Bodlo contributed the best way he could in field of research and development and helped ELDC get going very successfully. He initiated Teachers' Education and staff training courses for School, College and University teachers and officers. The ELDC is relocated to its new state of the art building at MUET Jamshoro. The ELDC was amongst 5 shortlisted institutions in public universities of Pakistan which were considered by English Language Teaching Reforms Project (ELTR) of HEC Pakistan for establishment of National Centre for English Language Teaching and Research. The ELTR Project of the HEC of Pakistan has recently established the state-of-the-art self-access center at the ELDC MUET. This is the first SAC in province Sindh and hub of teachers' training in the province. The SAC offers training on Computer Assisted Language Learning (CALL) and Internet based learning (IML). Catering to the needs of the teacher community, ELDC has successfully started its MS/MPhil and PhD program in field of Applied Linguistics since 2014. ELDC has also successfully started its BS English Program from 2019.

MUET Mission

To equip our undergraduate, postgraduate and doctoral students with advance knowledge through collaborative opportunities emerged from linkages with academia, industry and government.

Vision of ELDC

English Language and Development Center (ELDC) seeks to develop the knowledge through appropriate pedagogues in bridging the gap between research and academics in the fields of Linguistics to be imparted among the students, who will lead the world of academics and research.

Mission of ELDC

ELDC is committed to prepare qualified human resource by advancing, applying, and imparting knowledge in English Language Education and Applied Linguistics through comprehensive educational programs, research in collaboration with industry and government, and dissemination through scholarly products.

Mission of BS Program

To prepare qualified human resource in the field of English linguistics for socio-economic development of the country and engage the learners in a constructive dialogue on linguistic and literary issues and developments nationally and internationally.

Objectives of ELDC:

- To Assist BS English students, understand core concepts of linguistics.
- The BS English program aims to equip students with an understanding of key issues and research finding in methodology, theory and analysis, and the underlying values and principles of the field, and with the skills to make a significant professional contribution to the field
- To assist various departments of the University in terms of teaching English as a compulsory and foundation course as required by HEC curriculum policy, Pakistan.
- To teach technical writing as to give them academic and professional edge in their various composition challenges of their field.
- To arrange various co-curricular activities as to provide the students with ample opportunities to grow dynamically.
- To help improve the research standards in the field of Applied Linguistics by offering MS leading to PhD degree programs.

- To facilitate Teaching and Non-Teaching Staff of the University in coping with academic, professional and language-related challenges by providing them with the congenial training environment.
- To help the students learn effective communication by helping them develop both written and oral skills of communication
- To help them learn and practice different techniques for the improvement of their listening, reading, speaking and writing skills.
- To familiarize the students with the purpose, importance and different types of IELTS &TOEFL tests.
- To familiarize the students with the concept, style and format of GMAT, GRE & GAT and to explain the basic verbal, analytical and quantitative concepts in GMAT, GRE & GAT.

5.3.2 The Faculty

Director of the Center
Dr. Habibullah Pathan
Phone: 022-2771286 / **Ext.:** 6600

Associate Professors:

Dr. Habibullah Pathan
M.Ed. ELT, Glasgow and PhD, Glasgow.
Postdoc (MIT), Cert Higher Ed., Boston.

Dr. Shumaila Aijaz Memon
PhD, England.

Assistant Professors:

Ms. Quratual Ain Mirza,
B.A Hons., M.A, M.Phil., Pakistan and
PhD Scholar, Pakistan.
(On Study Leave)

Ms. Sahib Khatoon,
M.A, M.Phil., Pakistan and
PhD Scholar, Malaysia.
(On Study Leave)

Mr. Shaukat Lohar,
M.A and M.Phil., Pakistan.

Adjunct Faculty:

Dr. Ambreen Shahriar
PhD, UK.

Dr. Shabana Tunio
PhD, Malaysia.

Ms. Rosy Ilyas,
M.Ed. TESOL, UK.

Lecturers:

Mr. Jam Khan Mohammad
B.A Hons., M.A, PgD (TEFL) and
PhD Scholar, Pakistan.

Ms. Sania Sachal Memon
MS English in Applied Linguistics, Pakistan.

Ms. Sadia Aftab Memon
MS English in Applied Linguistics, Pakistan.

Syed Waqar Ali Shah
MS English Linguistics, Pakistan and
PhD Scholar, Finland.

Ms. Um-e-Farwa Thalho
MPhil in English (in progress), Pakistan

Ms. Shazia Muheodin
MS English Linguistics, Pakistan

Mr. Ali Raza Khoso
MS English in Applied Linguistics, Pakistan and
PhD Scholar, Pakistan.

Ms. Shamshad Junejo
MS English in Applied Linguistics, Pakistan.

Research Associates:

Mr. Mansoor Ahmed Memon
MS English in Applied Linguistics, Pakistan and
PhD Scholar, Pakistan.

Mr. Saeed Ahmed Rind
M.Sc. Linguistics, Pakistan and MS English in Applied Linguistics, Pakistan.

5.3.3 Semester-wise Breakup of BS English Courses

First Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Functional English I	Compulsory	3
2	Pakistan Studies	Compulsory	2
3	Introduction to Computers	General	3
4	Islamic Studies/Ethics	Compulsory	2
5	Introduction to Lit. I: (Poetry & Drama)	Major	3
6	Introduction to Linguistics	Major	3
	Total		**16**

Second Semester

Sr. No.	Course Title	Course Code	Credit Hours
1	Functional English II	Compulsory	3
2	Basic Mathematics	Compulsory	3
3	Entrepreneurship	General	3
4	Environmental Sciences	General	3
5	Introduction to Lit. II: (Medieval to Romantics)	Major	3
6	Phonetics & Phonology	Major	3
	Total		**18**

Third Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Academic Reading and Writing	Compulsory	3
2	Communication Skills I	Compulsory	3
3	Statistics and Probability	General	3
4	Organizational Behavior	General	3
5	Short Fictional Narratives	Major	3
6	Semantics	Major	3
	Total		**18**

Fourth Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Communication Skills II	Compulsory	3
2	Human Resource Management	General	3
3	Introduction to Philosophy	General	3
4	Grammar and Syntax	Major	3
5	Introduction to Morphology	Major	3
6	Classical Poetry	Major	3
	Total		**18**

Fifth Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Critical pedagogy	Major	3
2	Introduction to Research Methodology	major	3
3	Computational Linguistics	Major	3
4	Language and education	Major	3
5	Sociolinguistics	Major	3
6	English for specific purpose (ESP)	major	3
	Total		**18**

Sixth Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Language Assessment	Major	3
2	Discourse Studies	Major	3
3	Psycholinguistics	Major	3
4	Issues in applied linguistics	Major	3
5	Pedagogical Grammar	Major	3
6	Language & Gender	Major	3
	Total		**18**

Seventh Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Language Teaching Methodologies	major	3
2	Pragmatics	major	3
3	Second Language Acquisition	major	3
4	Corpus Linguistics	major	3
5	World Englishes	Major	3
	Total		**15**

Eighth Semester

Sr. No.	Course Title	Course Type	Credit Hours
1	Syllabus Designing	Major	3
2	Stylistics	Major	3
3	Anthropological Linguistics	Major	3
4	Genre Analysis	Major	3
5	Research Project	Major	6
	Total		**18**

5.4 Bachelor of Science in Garments Manufacturing (BSGM)

5.4.1 The Department (Department of Textile Engineering)

In the recent decade, the Government of Pakistan has taken an initiative to build three garment cities in the country. The site has already been located in Karachi, Lahore and Faisalabad. Keeping in view the need of garment manufacturing graduates with concrete theoretical concepts and skill personnel who fulfil the requirement of Garment and denim industry, the department of textile engineering is launching 04-year B.S program in Garment manufacturing along with existing programs. This program will provide graduates with specialized knowledge and skill (in the fields of denim manufacturing, garment fitting, comfort requirements, computerized apparel and garment designing, dyeing and finishing of garments) required for Garment and Denim industry.

Mission Statement of the Program

To establish conducive learning environment through excellence in education and industrial experience to produce professionals for garment and denim industries.

5.4.2 The Faculty

Chairman of the Department
Prof. Dr. Zeeshan Khatri
Phone: 022-2771565

Professors:

Dr. Zeeshan Khatri
PhD, Japan.

Dr. Farooq Ahmed
PhD, Pakistan.

Associate Professors

Dr. Mazhar Hussain Peerzada
PhD, England.

Dr. Awais Khatri
PhD, Australia.

Dr. Iftikhar Ali
PhD, South Korea.

Dr. Shamshad Ali Shaikh
PhD, South Korea.

Dr. Samander Ali Malik
D.Eng., Germany.

Assistant Professors:

Dr. Raja Fahad Qureshi
PhD, Pakistan.

Ms. Sanam Irum Memon
PhD, Pakistan.

Dr. Alvira Ayoub Arbab
PhD, South Korea.

Mr. Abdul Wahab Memon
M.E, Pakistan.
(On Study Leave)

Dr. Anam Ali Memon
PhD, South Korea.

Dr. Naveed Mengal
PhD, South Korea.

Dr. Noor Ahmed Sanbhal
PhD, China.

Dr. Abdul Wahab Jatoi
PhD, Japan.

Lecturers:

Dr. Sadaf Aftab Abbasi
PhD, Australia.

Dr. Rabia Almas Arain
PhD, Pakistan.

Engr. Nadir Ali Rind
M.E, Pakistan.

Dr. Umaima Saleem Memon
PhD, Turkey.

Engr. Abdul Khalique Jhatial
M.E, Pakistan.

Lab Engineer:

Dr. Pardeep Kumar Gianchandani
PhD, Italy.

Lab Supervisors:

Dr. Aijaz Ahmed Babar
PhD, China.

Engr. Abdul Rahim Narejo
B.E, Pakistan.

Engr. Aftab Ahmed Kumbhar
M.Phil., Pakistan.

Engr. Rashid Hussain Memon
M.E, Pakistan.

5.4.3 Laboratory Facilities

1. Yarn Manufacturing Lab
2. Weaving Lab
3. Knitting Lab
4. Textile Chemical Processing Lab

5. Color Research Lab
6. Garment Manufacturing Lab
7. Textile Testing and Quality Control Lab
8. Textile Composite lab
9. Nano-materials Lab
10. Functional Materials and Polymer Engineering Lab
11. Smart Organic Materials Research Lab

5.4.4 The Courses

1st Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM111	Textile Manufacturing Processes	03	01
GM112	Applied Chemistry	03	01
ENG101	Functional English	03	00
MATH102	Basic Mathematics	03	00
EL118	Basic Electrical and Electronics	03	01
	Total	15	03

2nd Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM121	Textile Raw Materials	03	00
GM122	Introduction to Garment Manufacturing	03	01
GM123	Applied Physics	02	01
PS106	Pakistan Studies	02	00
IS111/SS104	Islamic Studies/Ethics	02	00
ENG301	Communication Skills	03	00
	Total	**15**	**02**

3rd Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM211	Yarns and Threads Manufacturing	03	01
GM212	Mechanics of Garment Machines	03	01
GM213	Garment Sizing and Pattern Making	03	01
GM214	Personality Development and Character Building	03	00
MATH210	Statistic and Probability	03	00
	Total	**15**	**03**

4th Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM221	Cutting and Sewing Techniques	03	01
GM222	Woven Fabric Manufacturing	02	01
GM223	Operations Management in Garment Industry	03	00
CS220	Introduction to Computers and C++ Programming	02	01
GM224	Organizational Behavior	03	00
	Total	**13**	**03**

5th Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM311	Knitted Fabric Manufacturing	02	01
GM312	Color Science and Coloration	03	01
GM313	Denim Fabric Manufacturing	02	01
GM314	Automation in Garment Industry	02	00
ENG302	Technical and Scientific Writing	03	00
	Total	**12**	**03**

6th Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM321	Garment Dyeing and Washing	03	01
GM322	Nonwoven and Specialty Fabrics	02	00
GM323	Embroidery Techniques	03	01
GM324	Apparel Merchandizing and Sourcing	03	00
GM325	3D CAD for Garments	02	01
	Total	**13**	**03**

7th Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
MGS411	Entrepreneurship	03	00
GM412	Denim Fabric Finishing	03	01
GM413	Textile and Apparel Testing	03	01
GM414	Apparel Costing and Production Planning	03	00
GM499	Final Year Project-I	00	03
	Total	**12**	**05**

8th Semester			
Course Code	**Name of Course**	**Credit Hours**	
		Theory	**Practical**
GM421	Environmental and Social Compliances in Textiles	03	00
GM422	Clothing Comfort	03	00
GM423	Advances in Apparel Production	02	01
GM424	Garment Packing and Pressing	02	00
GM425	Supply Chain Management	03	00
GM499	Final Year Project – II	00	03
	Total	**13**	**04**

5.4.5 Seminar Library

The department has a Seminar Library in addition to the Central Library of the university. The seminar library has enough space to study in learning environment. Seminar contains more 1000 books and Research Journal on Textile and Garments.

5.4.6 Carrier Opportunities

After graduation, the candidate will be:

- able to join any Garment manufacturing and Denim processing industry in Pakistan and abroad as a management trainee or at similar position.
- able to join textile services sector such as testing, merchandising and auditing.

- able to establish his/her own company for garment and related items.
- eligible for admission in postgraduate programs in any reputed university in the country and around the globe. The areas of further study may be expanded to other science, management and applied sectors, such as technical and smart garment, textile value addition and so on.

5.4.7 Eligibility Criteria for Admission

The eligibility criteria for admission in *BS Garments Manufacturing* Program from the Academic Session 2021-22 (21-Batch) will be as follows:

1. **Intermediate** (Pre-Engineering, Pre-Medical and General Science Groups).
2. **A level** (Mathematics and Sciences).
3. Five (5) seats are allowed for **DAE** candidates with (Garments, Textile Dyeing and Printing, Textile Weaving and Textile Spinning Technologies) from Sindh Board of Technical Education, Karachi.

5.5 Bachelor of Science in Computer Science (BSCS)

5.5.1 The Department (Department of Computer Systems Engineering)

Computer Science is a discipline that integrates the study of Computers & Computational Systems. Principle areas of study within computer science includes artificial intelligence, computer systems & networks, security, database systems, human computer interaction, vision & graphics, numerical analysis, programing languages, software engineering and theory of computing.

The problems that computer scientists encounter range from the abstract determining what problems can be solved with computers and the complexity of the algorithms that solve them to the tangible designing applications that perform well on hand-held devices that are easy to use that uphold security measures.

Given the rapid rate of change within technology, computer system engineers need to have a thirst for learning to keep up with the latest developments. Computer science majors must also be curious about the world around them since programs and systems are applied to every possible area of real life and its betterment.

The Department of Computer Science is leaving no stone unturned to achieve its transformation to practice in true spirit the education system based on outcome-based education (OBE) system.

Vision of the Department

Build a strong research and teaching environment that responds swiftly to the challenges of the current era.

Mission of the Department

To produce computer science graduates to design and develop quality software solutions, be able to work successfully within challenging environments and will be good professionals.

Program Educational Objectives (PEOs)

The program educational objectives (PEOs) were prepared by the OBE implementation committee for outcome-based education implementation and approved through the Board of Studies, Board of Faculty and Academic Council. The PEOs were prepared on the basis of stakeholders' needs and linked with ten program learning outcomes. The PEOs has been published on official webpage of the department at Mehran University website and has been displayed at various notice boards of the department. The PEOs of Bachelor of Computer Science describe that our graduates, 3-5 years after graduation, should be able to:

1. Have strong computer science knowledge that will be leading to the development of technical competency and participate in professional practices with appropriate consideration for health and safety, environmental, legal, social and cultural aspects.
2. Attain success in technical careers and demonstrate professional skills in the field of computer science.
3. Become responsible citizens with high ethical and professional standards as well as awareness of the societal impact of computer and information technologies.

5.5.2 The Faculty

Chairman of the Department
Prof. Dr. Shahnawaz Talpur
Phone: 92-2772276, 92- 2772250-73 / **Ext.:** 4200

Associate Professors:

Dr. Shahnawaz Talpur
PhD, China.

Mr. M. Moazzam Jawaid
Ph.D. United Kingdom

Dr. Adnan Ashraf
PhD, Pakistan.

Dr. Sammer Zai
PhD, South Korea.

Dr. M. Ahsan Ansari
PhD, South Korea.

Dr. Bushra Naz
PhD, China.

Lecturers:

Mr. Salahuddin Jokhio
M.E, Pakistan.
(On Study Leave)

Assistant Professors:

Mr. Arbab Ali Samejo
M.E, Pakistan.

Ms. Zartasha Baloch
M.E, Pakistan.

Mr. Rizwan Badar Baloch
M.E, Pakistan.

Dr. Sanam Narejo
PhD, Italy.

Dr. Irfan Ali Bhacho
PhD, South Korea.

Mr. Fawad Ali Mangi
M.E, Pakistan.
(On Study Leave)

5.5.3 Laboratory Facilities

Following state-of-the-art laboratories are available for the students where hands-on experiences provided. These laboratories provide high speed internet services in centralized environment.

1. Computing Lab-I
2. Computing Lab-II
3. Microprocessor Lab
4. Communication Lab
5. Advance Software Engineering & Research Lab
6. Multimedia and Visual Design Studio Lab
7. Data Management and Internet Lab
8. Software Development Lab

5.5.4 The Courses

Course Code	Subject Name	Credit Hours	
1st Semester		**Theory**	**Practical**
CSC-101	Computer Fundamentals	3	1
CSC-102	Computer Programming Concepts	3	1
IS-111/SS-104	Islamic Studies/Ethics	2	0
PS-106	Pakistan Studies	2	0
MATH-108	Applied Calculus	3	0
	Total	**13**	**2**

Course Code	Subject Name	Credit Hours	
2nd Semester		**Theory**	**Practical**
CSC-151	Object Oriented Programming	3	1
ENG-101	Functional English	2	0
ES-112	Basic Electronics	3	1
EL-116	Applied Physics	3	1
MATH-112	Linear Algebra and Analytical Geometry	3	0
	Total	**14**	**3**

Course Code	Subject Name	Credit Hours	
3rd Semester		**Theory**	**Practical**
CSC-201	Digital Logic and Design	3	1
CSC-202	Web Technologies	3	1
CSC-203	Data Structures and Algorithms	3	1
CSC-204	Database Systems	3	1
MATH-228	Discrete Mathematics	2	0
	Total	**14**	**4**

Course Code	Subject Name	Credit Hours	
4th Semester		**Theory**	**Practical**
CSC-251	Computer Organization and Assembly Programming	3	1
CSC-252	Computer Graphics and Animations	3	1
MATH-214	Statistics and Probability	3	0
ENG-206	Communication Skills	2	0
	Elective-I	3	1
	Total	**14**	**3**

Course Code	Subject Name	Credit Hours	
5th Semester		**Theory**	**Practical**
CSC-301	Operating Systems	3	1
CSC-311	Computer Networks	3	1
MGT-122	Principles of Management	2	0
MATH-319	Numerical Analysis	3	0
	Elective-II	3	1
	Total	**14**	**3**

Course Code	Subject Name	Credit Hours	
6th Semester		**Theory**	**Practical**
CSC-351	Software Engineering	3	0
CSC-361	Theory of Automata	3	0
CSC-371	Microcontroller& Embedded Systems	3	0
ENG-000	Technical & Business Writing	3	0
	Elective-III	3	1
	Total	**15**	**1**

Course Code	Subject Name	Credit Hours	
7th Semester		**Theory**	**Practical**
CSC-401	Distributed Computing	3	0
CSC-411	Artificial Intelligence	3	1
CSC-421	Professional Ethics	2	0
	Elective-IV	3	0
CSC-498	Thesis Project	0	3
	Total	**11**	**4**

Course Code	Subject Name	Credit Hours	
8th Semester		**Theory**	**Practical**
CSC-451	Entrepreneurship and Leadership Skills	3	0
CSC-461	Data Sciences	3	1
CSC-471	Human Computer Interaction	3	0
	Elective-V	3	0
CSC-499	Thesis Project	0	3
	Total	**12**	**4**

CQI Mechanisms

The procedures for reviewing and revising the program conduct and attainment of PEOs, PLOs and CLOs and to ensure the correct actions for continuous quality improvement are performed by different committees. **Departmental Management Review Committee (DMRC)** and **Curriculum Revision Committee (CRC)** are responsible to design, update and revise the curriculum of the Department of Computer Science, from time to time depending on need of industry and suggestions given by stakeholders. The establishments and revisions are then approved through Board of Studies, **Board of Faculty and Academic Council. Industrial Liaison Committee (ILC)** is responsible to look after

matters related to student and industry collaborations, such as internships, study visits, obtaining feedback from alumni/industry stakeholders, communicating job opportunities for graduating students, managing job recruitment in industries and other related activities. **Final Year Project Committee (FYPC)** is responsible to facilitate students for creating final year project groups, planning project presentations in different phases, and maintaining, managing theses records and other final year project related activities. **Industrial Advisory Board (IAB)** is responsible to facilitate departmental coordination with industry in order to prepare graduates that are ready for the industry.

5.5.5 Career Opportunities

The computerization of most facets of modern business and industry, together with the great demand for technical manpower creates a multitude of possibilities. As a career option that can allow an individual to be involved in the creation and implementation of a Computer Science, Computer Science graduates are professionals who are actively engaged in the process of matching current technology with the needs of a company. As part of this task, the Computer Systems graduate engages in the evaluation and installation of software, hardware, and other types of support equipment into a workable network that supports a variety of functions within a corporation. The Computer Science graduate may function as an employee of the company, a representative of a computer components and hardware, or as an independent consultant. Moreover, the computer science graduate has a wide range of job opportunities available, including electronic, telecommunication and software engineering fields.

The Computer Science graduate finds employment in a wide variety of computerized environments such as hardware, software, networking, research and development, process or information control systems or a combination of the above mentioned. The engineer might specialize further in any one of these chosen fields. Responsibilities may include maintenance or optimization of such environments. Additional functions could include the design, development, and implementation of additional or new systems, liaison with other departments such as management, production and instrumentation as well as with clients is an important aspect of his job. The dedicated Computer Systems Engineer may seek a senior post such as filling the post of System Administrator, Lead System or Project Manager. Few more opportunities, such as, Computer Systems Analyst, Database Administrator and Manager, Information Security Analyst. The latest trendy disciplines like Machine Learning Engineer and Data scientist.

5.6 Bachelor of Studies in Environmental Science (BSES)

5.6.1 The Center (US-Pakistan Center for Advanced Studies in Water)

U.S.-Pakistan Center for Advanced Studies in Water (USPCAS-W), has been established at Mehran University of Engineering and Technology (MUET) Jamshoro, with the financial support of United States Agency for International Development (USAID) Pakistan under the Cooperative Agreement signed with USAID on Dec.12, 2014 for five years. The Center is dedicatedly training and building up the capacity of a new generation of engineers and water professionals in order to solve the water security challenges of the twenty-first century.

5.6.2 USPCAS-W Main Components

- Reforming curriculum for higher degree programs
- Implementing applied research agenda in water
- Strengthening capacities of faculty, students, and water practitioners
- Improving Center's governance
- Securing Center's sustainability

5.6.3 USPCAS-W Objectives

- Establish governance structures for sustainability and improved capacity of the USPCAS-W
- Improve curricula quality, strengthen use of effective teaching methods, upgrade graduate programs
- Apply relevant research to meet client (industry, civil society, government) needs
- Increases access for talented and economically disadvantaged students

5.6.4 Role of the Directorate/ Center / Section / Office

Academic Programs

The Center offers following courses for Undergraduate Studies:

i. Environmental Science

Center offers following Postgraduate Studies degree program:

Environmental Engineering (MS and PhD Program)

i. Hydraulics, Irrigation and Drainage Engineering (MS and PhD Program)
ii. Integrated Water Resources Management (MS and PhD Program)
iii. Water, Sanitation and Health Sciences (MS Program)

Approved Academic Programs started in 2020-2021

- BS in Environmental Science

5.6.5 BS in Environmental Science at USPCAS-W

USPCAS-W has started four years BS Environmental Science program. The program aims to provide modern scientific knowledge and tools to students in the multidisciplinary field of Environmental Science. The program's students will provide solutions to various fundamental and contemporary environmental issues including pollution monitoring and management, environmental microbiology, groundwater modelling & remediation, application environmental biotechnology, GIS, climate change, environmental economics, water & wastewater treatment processes, and environmental laws & governance, etc. In accordance with the guidelines of Higher Education Commission, the skill development approach adopted for the program considers enhancement of secondary knowledge while providing specific information in the courses. The unique program will produce progressive leaders in the field of environmental science.

5.6.6 The Faculty

Director of the Center
Prof. Dr. Rasool Bux Mahar
Phone: 022-2109148 / **Ext.:** 8002

Meritorious Professor:
Dr. Rasool Bux Mahar
Post Doc, USA, PhD, China, M.E & B.E, Pakistan.

Emeritus Professor:
Dr. Bakhshal Khan Lashari
Post Doc, USA & Australia, PhD, Poland,
M.E & B.E, Pakistan.

Professors:
Dr. Kamran Ansari
PhD. UK, M.E, Malaysia & B.E, Pakistan.

Dr. Abdul Latif Qureshi
PhD, M.E, & B.E, Pakistan.

Dr. Zubair Ahmed
PhD & MS, Korea, M.Sc. & B.Sc., Pakistan.

Dr. Muhammad Munir Babar
PhD, Japan, M.E, Pakistan & B.E, China.

Senior Research Fellow
Dr. Arjumand Zaidi
PhD & MS, USA, B.E, Pakistan.

Assistant Professors
Mr. Ghulam Hussain Dars
MS, USA, B.E, Pakistan.

Mr. Waqas Ahmed,
M.Sc., Germany, B.E, Pakistan.

Dr. Syeda Sara Hassan
PhD, M.Sc., & B.Sc., Pakistan.

Ms. Rakhshinda Bano
M.Sc., USA, B.Sc., Pakistan, PhD (Cont.),
Australia (On study leave).

Mr. Muhammad Ali
M.A, Japan, MBA & BBA, Pakistan.

Ms. Uzma Imran
M.E & B.E, Pakistan, PhD Continued, Pakistan.

Dr. Asmat Ullah,
PhD & M.Sc., Thailand, B.Sc., Pakistan.

Dr. Jamil Ahmed
M.Phil., Norway, MBBS, Pakistan, PhD
Continued, Malaysia (On study leave).

Dr. Naveed Ahmed,
PhD, South Korea, M.Sc. & B.Sc., Pakistan.

Adjunct Faculty
Dr. Muhammad Yar Khuhawar
PhD, UK.

Dr. Najma Memon
PhD, Pakistan.

Dr. Rafique Ahmed Chandio
PhD, UK.

Dr. Qamaruddin Mahar

Dr. Awais Khatri
PhD, Australia.

Dr. Muhammad Saffar Mirjat

Dr. Suhail Ahmed Soomro

Dr. Ashique Ali Jhatial
PhD, UK.

Dr. Zulfiqar Ali Umrani
PhD, France.

Dr. Asif Ali Shaikh
PhD, Pakistan.

Dr. Sheeraz Ahmed Memon
PhD, South Korea.

Dr. Abdul Razzaque Sahito
PhD, Pakistan.

Dr. Zahid Ali Memon
PhD, China.

Dr. Syed Feroze Shah
PhD, China.

Dr. Habibullah Pathan
PhD, UK.

5.6.7 Curriculum Structure

Description	Length
Duration	4 Years
Semesters	8
Courses	46
Total Credit Hours	**136**

4 Years BS Program Layout

Compulsory Courses (The student has no choice)		**General Courses** (To be chosen from courses offered by other departments)		**Foundation Courses** (Discipline Specific)	
11 Courses		**4 Courses**		**11 Courses**	
28 Credit Hours		**12 Credit Hours**		**33 Credit Hours**	
Course	**Credit Hours**	**Course**	**Credit Hours**	**Course**	**Credit Hours**
English I	3	Biology	3	Introduction to Environmental Science	3
English II	3	General Chemistry	3	Environmental Chemistry	3
Pakistan Studies	2	Sociology	3	Environmental Physics	3
Islamic Studies / Ethics	2	Introductory Economics	3	Ecology (Fundamental & Applied)	3
Mathematics I	3	Introduction to Earth Sciences	3	Environmental Microbiology	3
Mathematics II	3	-	-	Environmental Pollution	3
Statistics	3	-	-	Climatology	3
Introduction To Computing & Programming	3	-	-	Environmental Fluid Mechanics	3

First Year

Semester 01

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS101	Introduction to Environmental Science	HSC-II	3 (3+0)
2.	ENS102/ MATH107	Basic Biology/Basic Mathematics	HSC-II	3 (3+0)/ 3(3+0)
3.	ENS103	General Chemistry	HSC-II	4 (3+1)
4.	ENG101	Functional English	HSC-II	3 (3+0)
5.	IS111/ SS104	Islamic Studies/Ethics	HSC-II	2 (2+0)
6.	PS106	Pakistan Studies	HSC-II	2 (2+0)
			Semester Credit Hours	**17 (16+1)**

Semester 02

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	MATH108	Applied Calculus	Basic Mathematics	3 (3+0)
2.	CS146	Introduction to Computing and	HSC-II	3 (3+0)
3.	ENS152	Sociology	Pakistan Studies	3 (3+0)
4.	ENG102	Communication Skills	Functional English	3 (3+0)
5.	ENS153	Environmental Biology	Basic Biology	4(3+1)
			Semester Credit Hours	**16 (15+1)**

Second Year

Semester 03

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	MATH217	Statistics and Probability	HSC-II	3 (3+0)
2.	ENS201	Environmental Chemistry	General Chemistry	4 (3+1)
3.	ENS202	Environmental Physics	Applied Calculus	2 (2+0)
4.	ENS203	Environmental Microbiology	Environmental	3 (2-1)
5.	ENS211	Fundamental & Applied Ecology	Environmental	3 (3+0)
6.	ENS212	Environmental Fluid Mechanics	Basic Mathematics	3 (2+1)
			Semester Credit Hours	**18 (15+3)**

Semester 04

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS251	Environmental Pollution	Environmental Chemistry	3 (3+0)
2.	ENS252	Climatology	Environmental Physics	3 (3+0)
3.	ENS253	Environmental Informatics	Statistics and Probability/Introduction to Computing and Programming	4 (3+1)
4.	ENS261	Watershed Management	Introduction to Earth Sciences	3 (3+0)
5.	ENS262	Energy and Environment	Introduction to Environmental Science	3 (3+0)
6.	ENS263	Environmental Biotechnology	Environmental Microbiology	3 (3+0)
			Semester Credit Hours	**19 (18+1)**

Third Year

Semester 05

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS301	Introductory Economics	HSC-II	3 (3+0)
2.	ENS302	Environmental Toxicology	Environmental Microbiology/ Environmental Chemistry	3 (3+0)
3.	ENS303	Analytical Techniques in Environmental Science	Environmental Chemistry	3 (2+1)
4.	ENS311	GIS and Remote Sensing	Climatology	3 (2+1)
5.	ENS312	Occupational Safety, Health and Environment	-	3 (3+0)
6.	ENS313	Applied Hydraulics	Environmental Fluid Mechanics	3 (3+0)
			Semester Credit Hours	**18 (16+2)**

Semester 06

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS351	Environmental Economics	Introductory Economics	3 (3+0)
2.	ENS352	Environmental Monitoring and Management Systems	Environmental Pollution	3 (3+0)
3.	MES353	Land Degradation, Restoration and Management	Environmental Toxicology/ Watershed Management	3 (3+0)
4.	ENS361	Water and Climate Change	GIS and Remote Sensing	3 (3+0)
5.	ENS362	Solid Waste Management	Environmental Pollution	3 (3+0)
6.	ENS363	Research Methods in Environmental Science	Analytical Techniques in Environmental Science	3 (3+0)
			Semester Credit Hours	**18 (18+0)**

Fourth Year

Semester 07

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS401	Environmental Impact Assessment	Environmental Monitoring & Management Systems	3 (3+0)
2.	ENS402	Natural Resource Management	Fundamental & Applied Ecology	3 (3+0)
3.	ENS411	Air and Noise Pollution	Environmental Monitoring and Management Systems	3 (2+1)
4.	ENS412	Hydrology	Applied Hydraulics	3 (3+0)
5.	ENS499*	Project / Thesis - I	Research Methods in Environmental Science	3 (0+3)
			Semester Credit Hours	**15 (11+4)**

Semester 08

Sr. No.	Course Code	Course Title	Pre-requisite	Credit Hours
1.	ENS451	Environmental Laws and Governance	Environmental Impact Assessment	3 (3+0)
2.	ENS452	Public Health and Environment	Air and Noise Pollution	3 (3+0)
3.	ENS453	Water and Wastewater Treatment Processes	Solid Waste Management/Natural Resource Management	3 (3+0)
4.	ENS461	Soil and Water Conservation	Solid Waste Management	3 (3+0)
5.	ENS499	Project / Thesis - II	Project / Thesis - I	3 (0+3)
			Semester Credit Hours	**15 (12+3)**
			Total Credit Hours	**136 (121+15)**

5.6.8 Laboratory Facilities:

USPCAS-W has following well established laboratory with allied facilitates:

- Advanced Water & Wastewater Quality Control Lab
- Pilot Scale Water & Wastewater Treatment Field Lab
- GIS and Remote Sensing Lab
- Computer & Software Lab
- Soil & Water Analysis Lab
- Hydraulic Lab

5.6.9 Seminar Library

The department has a Seminar Library in addition to the Central Library of the university. The seminar library has enough space to study in learning environment. Seminar contains more than 1000 books and Research Journal on Environmental Science and Water related.

5.7 Affiliated Colleges / Institutes

Following Colleges/Institutes are affiliated with Mehran University:

5.7.1 Government College of Technology, Hyderabad is affiliated with Mehran University which offers courses in B.Sc. Engineering in Civil, Electrical and Mechanical Technologies. Mehran University conducts the examinations of this college and awards degrees. Further information of these courses may be obtained from:

The Principal,
Government College of Technology, Hyderabad.
Phone: 022-9240124 & 022-9240122

5.7.2 The Hyderabad Institute of Arts, Science and Technology, Hyderabad is affiliated with Mehran University which offers course in BS (Computer Science). The Pre-admission Test of the candidates will be conducted by Mehran University of Engineering and Technology, Jamshoro. Mehran University also conducts the examinations of this Institute and award degrees. Further information of these courses may be obtained from:

Justice (Retd.) Abdul Majeed Khanzada
Chairman,
Hyderabad Institute of Arts, Science & Technology,
Auto Bhan Road, Hyderabad
Phone: 022-3821474

5.7.3 Hyderabad College of Science and Technology, Hyderabad is affiliated with Mehran University which offers courses in B.Sc. Engineering in Civil, Electrical and Mechanical Technologies. The Pre-admission Test of the candidates will be conducted by Mehran University of Engineering and Technology, Jamshoro. Mehran University also conducts the examinations of this Institute and award degrees. Further information of these courses may be obtained from:

The Principal,
Hyderabad College of Science & Technology, Hyderabad.
Phone: 022-3820223

6. RESEARCH AND DEVELOPMENT

6.1 Our PhD Faculty

PhD faculty is considered to be the backbone of any educational institute; it not only adds to the university ranking but also works for the betterment of community by focusing and proposing solutions to the current problems of the community.

Mehran UET has a significant number of PhDs, apart from PhDs in the core engineering disciplines, the university has PhD faculty also in the subjects of Basic Sciences and English language. It means that, from day one of your degree, you will be taught by experts at the forefront of their fields.

Your teachers are industry leaders and researchers at the forefront of discovery. At Mehran UET, you will learn from renowned researchers and industry leaders recognized globally for their outstanding achievements. They are passionate, brilliant, and dedicated to sharing their insights and discoveries with you.

6.2 Mehran University Research Journal of Engineering & Technology

The aim of Mehran University Research Journal of Engineering & Technology is to publish referred, well written original research articles that describe the latest research and developments in Engineering, Science & Technology. This journal is being published since 1982, and is registered with ISSN. The journal is included in Web of Science, this is indeed a matter of high prestige as only few research journals of Pakistan are indexed in this prestigious database of the Clarivate Analytics.

Mehran University Research Journal of Engineering and Technology is recognized by the Higher Education Commission (HEC) and is also indexed by a number of international abstracting agencies including Gale/Cengage databases, EBSCOhost, ProQuest, Inspect and Directory of Open Access Journals.

6.3 Conferences, workshops and symposia

International research conferences are aimed to bring together a wide spectrum of international experts to facilitate a creative environment for the promotion of collaboration and knowledge transfer. In particular a research conference facilitates a dialogue between major industry players, entrepreneurs and academia to help create a roadmap for the development of tangible research environment in the country.

Mehran UET is making history amongst the engineering universities of Pakistan by organizing several international conferences in a single calendar year in diversified fields of engineering. In 2018-19 Mehran UET, hosted many international conferences including 1st International Conference on English Language and Linguistics (ICELL'19), 1st International Conference on Computational Sciences and Technologies with the slogan "Engineering, Science and Technology at the Intersection of Solving Problems to Humanity" (INCCSST'19), 1st International Conference on Sustainable Mineral Resources Development and Utilization (SMRDU'19), 1st International Conference on Computational Sciences and Technologies, 5th International Conference on Energy, Environment and Sustainable Development 2018 (EESD'18). In 2017-18 Mehran UET hosted several international conferences including 5th International Multi Topic Conference (IMTIC'18), 2nd International Conference on Chemical Engineering, 1stInternational Conference on Sustainable Development in Civil Engineering (ICSDC'17). In 2015-2016, Mehran UET hosted five international conferences including, 4th International Conference on Energy, Environment and Sustainable Development, 1st International Conference on Science, Technology, Innovation Policy and Management, Global Conference on Wireless and Optical Communications, held

in Spain, 1st International Conference on Industrial Engineering and Management, and Management Accountant Conference on Economy Challenges and Opportunity.

Taking the lead in engineering sector of Pakistan, Mehran UET arranged an international conference at Malaga, Spain. Global Conference on Wireless & Optical Communications GCWOC '16, with the collaboration of University of Malaga.

Beside conferences a number of workshops and symposia of national and international repute were called upon at Mehran UET including, 1st International Training Workshop: Industrial Clusters in Sindh Fostering Research & Development, Comprehensive Training on Garment Engineering, Workshop "Institutional Repository Management (DSpace) IRM-2018", 33rd All Pakistan IEEEP Students Seminar, Mehran University Education Expo 2017, International Seminar and Workshop on Design of Tall Buildings: Trends and Advancements for Structural Performance.

The above organized technical meetings are a tangible proof of the fact that Mehran UET is well aware of the current demands and issues of our society and the university is constantly contributing its share to work for the betterment of the community. This also helps to aware our students of the current market trends and better guide them to be parallel with those trends.

6.4 Office of Research Innovation and Commercialization (ORIC)

Office of Research Innovation and Commercialization (ORIC) is established in MUET to develop linkage with emerging and existing business firms across Pakistan for technological innovation and commercialization of research. It serves an umbrella to coordinate with researchers, on campus incubators and science and Technology Park. It also serves as channel to local, regional and federal partners to ensure research outcomes contributing in the growth of country's economy. ORIC developed its mechanism for research commercialization and established business/technology incubator to promote innovation and entrepreneurship culture.

6.4.1 Role of ORIC

ORIC performs its functioning in three significant capacities.

- Research Operations & Development
- University Industry Linkages and Technology Transfer
- Research Commercialization/Entrepreneurship

ORIC activities revolve around the following research cycle to ensure research impact on economy and society:

The ORIC provides opportunities for the students of the university in getting essential tools to sharpen their skills, such as:

- Trainings exposure and grooming during summer and winter holidays.
- Continuing Professional Development (CPD) courses in collaboration with (PEC)
- Seminars, conferences and workshops
- Chinese Language Courses with native Chinese faculty
- Internships and job trainings
- Industrial visits

This section also arranges job and trade fair to allow students for interaction with industry partners and recruitment drive for fresh graduates of the Mehran University on the basis of their merit. ORIC facilitates entire university, its administrative and academic staff, and students in:

- Capacity building
- Career advancement
- Professional development by providing state-of-the-art trainings as well as certifications.
- International student exchange programs and international summer camps in different countries.

The infrastructure of ORIC is equipped with all modern facilities, having advanced computer labs, conference room, class room, library and auditorium with audio visual systems. ORIC never believes in boundaries, but it excels with the innovation, encourage faculty and students to think out of box and come up with new ideas. ORIC never believes in the boundaries, but it excels with the innovation, encourage our faculty and students to think out of box and come up with new ideas, we will materialize your dreams.

6.4.2 The University has signed Memorandum of Understanding with the following National Industry-Academia:

Sr. No.	Name of Institute	Date of Agreement	Period
1.	Benazir Bhutto Shaheed Youth Development Program, Irrigation & Power Department, Government of Sindh, Pakistan.	12-01-2009	No Limit
2.	Pakistan Atomic Energy Commission (PAEC), Islamabad.	30-03-2009	Ten Years
3.	The United States Educational Foundation in Pakistan, Islamabad.	11-12-2009	No time limit
4.	Isra University, Hyderabad, Sindh, Pakistan.	16-08-2010	No time limit
5.	The Promotion of Education PEF Foundation, USA, Islamabad.	4-03-2013	No time limit
6.	Indus University, Karachi.	10-04-2014	Five Years
7.	Ms. Rafhan Maize Products limited, Kotri.	13-05-2014	No time limit
8.	Pakistan Space & Atmosphere Research Commission (SUPARCO), Karachi, Pakistan.	13-02-2015	Five Years
9.	Ms. Indus Resource Center, Karachi.	23-02-2015	No time limit
10.	Pakistan Steel Mills, Karachi.	25-06-2015	No time limit
11.	Pakistan Council of Research in Water Resources, Islamabad.	03-08-2015	Five Years
12.	Sindh Irrigation & Drainage Authority (SIDA), Hyderabad.	03-08-2015	Five Years
13.	Sindh Agriculture University Tandojam, Tamdojam.	03-08-2015	Five Years
14.	Water and Power Development Authority, Lahore.	21-09-2015	Five Years
15.	Analytical Measuring Systems (Private) Limited, Karachi.	5-11-2015	No time limit
16.	Pakistan Institute of Management (PIM), Karachi.	07-12-2015	Five Years
17.	Institute of Cost & Management Accountants of Pakistan, Karachi.	10-02-2016	Five Years
18.	Pakistan Council for Science and Technology (PCST), Ministry of Science & Technology, Government of Sindh, Karachi.	16-11-2016	Five Years
19.	Eco Science Foundation (ECOSF) & Technology Times, Karachi.	16-11-2016	Three Years
20.	Irrigation Department, Government of Sindh "Capacity Building of Officers / Officials of Sindh Irrigation Department".	23-09-2016	Five Years
21.	NORDTEC, Karachi.	23-12-2016	Five Years
22.	Sustainable Development Policy Institute, Islamabad.	05-05-2017	Five Years
23.	National Textile University, Faisalabad.	01-06-2017	Five Years
24.	Archorma, Textile Chemical Company, Karachi.	1-08-2017	Five Years
25.	Institute of Business Administration (IBA), Karachi.	25-08-2017	Three Years
26.	British Council Pakistan, Karachi.	19-07-2017	Three Years
27.	Sindh Engro Coal Mining Company (SECMC), Karachi.	04-10-2017	Two Years
28.	World Wide Funds for Nature Pakistan, Karachi	22-01-2018	Two Years
29.	Confucius Class Rooms at Cadet College Petaro, Jamshoro.	06-03-2018	Four Years

6.4.3 The University has signed Memorandum of Understanding with the following International Industry-Academia:

Sr. No.	Name of Institute	Date of Agreement	Period
1.	University of Leeds, UK.	28-06-2005	No time limit
2.	Middle East Technical University, Ankara, Turkey.	13-09-2006	No time limit
3.	Aalborg University Esbjerg, Denmark.	09-06-2007	No time limit
4.	University of Bedfordshire, UK.	20-11-2008	No time limit
5.	University of Malaya, Malaysia.	20-09-2011	No time limit
6.	University of Limerick, Limerick, Ireland.	12-10-2013	No time limit
7.	Hacettepe University, Turkey.	12-08-2014	Five Years
8.	University Technology Malaysia, Malaysia.	25-11-2014	Five Years
9.	Faculty of Textile, Science and Tech., Shinshu University, Japan.	22-12-2014	Five Years
10.	China University of Mining and Technology, Xuxhou, China.	26-04-2015	Five Years
11.	University of Utah, USA.	11-08-2015	Five Years
12.	Clothing and Designing Faculty, Minjiang University, China.	21-10-2015	Five Years
13.	Perdana School of Science, Technology & Innovation Policy, University Technology Malaysia, Kuala Lumpur, Malaysia.	16-11-2016	Five Years
14.	Korea Institute of Science & Technology Evaluation & Planning (KISTEP), Republic of Korea.	16-11-2016	Three Years
15.	Charles Sturt University, Australia.	05-05-2017	Five Years
16.	AMC-Metropolitan College-Athens-Greece.	06-10-2017	Five Years
17.	University of Nottingham, UK. (This revised agreement applies to the University of Nottingham's campuses in the United Kingdom, China & Malaysia).	22-02-2018	Five Years
18.	Montan Universitaet, Leoben, Republic of Austria.	22-02-2018	No time limit

Prof. Dr. Inamullah Bhatti

7. CAMPUS LIFE

7.1 Student Teacher Centre

This University has developed befitting and communal facilities for students and staff like, Student Teacher Centre. Student Teacher Centre has Been constructed over an area of 20,000 sft. as per Vision & perspective Plan of the University. The Centre consists of the following facilities for the students and staff.

7.1.1 Indoor Sports & Communal Facilities:

- Information Service
- Students' Advisory Office
- Hostel Provost Office
- Students' Welfare Office
- Dispensary
- Tuck Shop
- Bank Counter
- Cafeteria (for Boys & Girls)
- Debating and Dramatic Society Office
- Indoor Games
- Alumni Office

7.2 MUET Library & Online Information Center, Jamshoro

The Mehran University of Engineering & Technology Library & Online Information Center contains more than **180700** books related to Engineering Science and Technology. The library has online e-resources under Higher Education Commission Digital Library Program. The access **of 29 e-databases** for electronics journals, thesis online e-books available under ebrary program which are accessed within the university campus and outside the campus in full text format.

There are more than **32000** text books in the Book Bank which are loaned to students for one term on nominal rent. The collection of books is updated continuously and new books are acquired on the recommendations of experienced faculty members, which makes collection most suited and beneficial to graduate and under-graduate students. In addition, latest reference and other books are also acquired every year to keep the users of the library abreast with the latest information on Science & Technology specially engineering and its allied subjects.

In addition to providing the readers with in-house collection, services are also provided for inter-library loan and photocopying of literature including technical information centers within and outside Pakistan.

The Mehran University of Engineering & Technology Library & Online Information Center also offers following services:

- **The E-Resources for Online Classes have been established to support the students during COVID-19 and are available on the following link: http://library.muet.edu.pk/ebooks.php**
- MUET Library & Online Information Center offered to service of e-resources to under graduate, post graduate students and faculty members for their research project, assignments online classes through Library Web page during the **COVID-19.**
- The MUET Library provides the facility of Multimedia & Research Development Center, which includes softcopy of books, CD/DVD Writing, Scanning and printing to students, faculty members and researchers. Multimedia & Research Center also provide space for researcher with I-7 Computer (Wireless Headphones; Hi Fi Audio system) connected with Wi-Fi Networks. Full access of HEC Digital Library provided possible assist to create bibliography of work electronically (Endnote, Mendeley, Zotero). In Multimedia & Research development Center research articles and e-books are provided to the faculty members and students on their demands.
- The MUET library offer the trainings program regarding awareness of HEC digital library resources ebrary, science direct and IEEE to the students of all faculties of University.

- There are also a blogs http://muetlfacultycoordination.blogspot.com to give the access of books recommended in teaching plan. Another blog http://www.muetloic.blogspot.com to give the awareness trainings regarding HEC Digital Library, https://muetloiceresources.blogspot.com/ access of E-books, Journals, Tutorials and Thesis's Guidance, video lectures, dictionaries and encyclopedias etc.
- The Catalog of books is computerized and accessible to the library of Congress gateway http://www.loc.gov/z39.50 serving one point access interface for books catalog, full text electronic journals and e-books on web.
- Koha Catalogue also available with check in check out system for library users on http://opac.muet.edu.pk
- The MUET Library & Online Information Center also offered Wi-Fi service in whole Library inside / outside Building.
- The library is opened from 8:00 am to 12:00 Mid-night whole the year heavily used by the undergraduate and postgraduate students, faculty members and researchers.
- Professional staff available at service points to meet the needs of the readers. Besides this under library system program the seminar libraries have been established in various institutes/ departments.

7.3 Student Financial Aid Office (SFAO)

The primary objective is to provide assistance through Scholarships, Financial Assistance /Aid, Zakat and Educational Loans (Qarz-e-Hasna) programs, to the students who are unable to pursue their higher education due to financial barriers. To accomplish the main objective, the office also establishes the following objectives:

- To provide financial relief to the meritorious and needy students.
- To provide quality advising services by addressing individual student needs, responding to student inquiries in a timely manner.
- To use effective procedures to ensure that the funds are provided to students who demonstrate the greatest financial need.
- To comply with all prescribed rules, regulations, and policies of financial aid and scholarship programs as set by the Donor Agency and the University.

- The ISAC Interviews were taken from the students for Ehsaas Undergraduate Scholarship Project Phase-II on 30th March 30 to April 07, 2021.
- MoU was signed between MUET, Jamshoro and Pakistan Bait-ul-Mall on June 17, 202.

7.3.1 List of Donors / Scholarships Opportunities:

Sr. No.	NAME OF SCHOLARSHIP	DONOR
1.	Internal Merit Scholarship	Mehran UET, Jamshoro
2.	Financial Assistance	

Sr. No.	NAME OF SCHOLARSHIP	DONOR
3.	Student Advancement fund Endowment Scholarship	
4.	USAID Merit & Need Based Scholarship	USAID Pakistan with the collaboration of HEC, Islamabad
5.	HEC Need Based Scholarship Program	Higher Education Commission, Islamabad.
6.	OGDCL Need Based Scholarship	OGDCL with the collaboration with HEC, Islamabad.
7.	SSGC Scholarship	Sui Sothern Gas Company limited
8.	BHP (Pakistan) Need Cum Merit Based Scholarship	BHP Billiton (Pakistan)
9.	National ICT Scholarship	PM National ICT R&D Fund, Islamabad.
10.	NBP Loan	National Bank of Pakistan.
11.	Sindhi Association of North America Dr. Feroz A. Memorial Educational (FAME) Scholarships.	Sindhi Association of North America.
12.	PEC Scholarship	Pakistan Engineering Congress, Lahore.
13.	PEC Merit Scholarship	Pakistan Engineering Council, Islamabad.
14.	Balochistan Scholarship	Directorate of Collages Higher and Technical Education Balochistan, Quetta.
15.	PIP Scholarship	Petroleum Institute of Pakistan (PIP), Karachi.
16.	IEP-SAC Scholarship	Institution of Engineering Pakistan, Saudi Arabian Center.
17.	MUTA - Need Cum Merit Scholarship	Mehran University Teachers Association (MUTA), Jamshoro.
18.	Merit Scholarship (formerly called MORA)	All District Zakat & Ushar Committees of Sindh
19.	Endowment Fund Scholarship	Education & Literacy Department, Govt. of Sindh
20.	PEF Scholarship	Professional Educational Foundation
21.	Provision of Higher Education Opportunities for Student of Baluchistan and Fata	Higher Education Commission, Islamabad.
22.	Minority Scholarship	Ministry of Religious Affairs, Islamabad.
23.	PEEF Scholarship	Punjab Education Endowment Fund (PEEF), Lahore.
24.	Scholarship for Foreigner students	Various Embassies
25.	Zila Nazim Khairpur Scholarship	Office of Zila Nazim District Govt., Khairpur
26.	Scheduled Caste (Tharparkar)	Office of Deputy Commissioner, Tharparkar
27.	SEAFA Scholarship	Mr. Tufail A. Memon and Friends from USA
28.	Sain G.M. Sayed Need cum Merit Based Scholarship	Shah Hyder Educational Society SANN (SHESS), SANN UC, District Jamshoro
29.	DIYA Scholarship	Kaneez Fatima Welfare Trust, Rawalpindi
30.	FFC- Scholarship	Fauji Fertilizer Company Limited
31.	Syeda Mubarik Begum Scholarship	Babar Ali Foundation, Pakistan
32.	Quaid-E-Azam Aligarh Scholarship	Quaid-E-Azam Aligarh Trust
33.	Mentoring a Talent	TEXPO, IT consultant Company
34.	FF_ Scholarship	Fauji Foundation, Rawalpindi
35.	(Late) Abdul Qayoom Uqaili Need cum Merit Based Scholarship	Prof. Dr. M. Aslam Uqaili, Vice-Chancellor, MUET, Jamshoro.
36.	(Late) Taj Mohammad Sahrai Need cum Merit Based Scholarship	Prof. Dr. Mujeeb-u-ddin Sahrai, Professor, Mechanical Engineering MUET, Jamshoro.

Sr. No.	NAME OF SCHOLARSHIP	DONOR
37.	Sardar Begum Sehrai Need cum Merit Based Scholarship	
38.	(Late) Master Kishan Chand Chowdhry Need cum Merit Based Scholarship	Prof. Dr. B.S. Chowdhry, Dean FEECE, MUET, Jamshoro.
39.	(Late) Mr. & Mrs. Jhando Khan Lashari Need cum Merit Based Scholarship	Prof. Dr. Bakhshal Khan Lashari, Director, Water Resources Engineering & Management, MUET, Jamshoro
40.	Agha Habibullah Khan, Need Cum Merit Based Scholarship	Prof. Dr. Agha Faisal Habib, Civil Engineering.
41.	Mr. & Mrs. Pyaro Khan Shaikh, Need Cum Merit Based Scholarship	Dr. Ghulam Yaseen Shaikh, Industrial Engineering Department
42.	Dr. Asma Junejo, Need Cum Merit Based Scholarship for a Female Student	Dr. Asma Junejo, Senior Gynecologist, Hyd.
43.	Dr. Khadija Qureshi, Need Cum Merit Based Scholarship	Prof. Dr. Khadija Qureshi, Chemical Engineering.
44.	Mr. Jawed Akhtar Arbab. Scholarship	(Late) Muhammad Khan Arbab, Need Cum Merit Based Scholarship
45.	United Memon Jamat Scholarship	United Memon Jamat of Pakistan
46.	Mrs. Anwar Muhammad Memon.	(Late) Mr. Anwar Mohammad Memon, Need Cum Merit Based Scholarship
47.	Mrs. Noshaba Qabool Muhammad, Need Cum Merit Base Scholarship and Mrs. Sonia Abdul Manan Need Cum Merit Based Scholarship	Mr. Mian Abdul Manan, Team Leader (I & C), Karachi.
48.	Scholarship for Foreigner students	Various Embassies in Pakistan
49.	Other Foundations / Agencies	General Scholarships
50.	Indian Occupied Kashmiri Scholarship / J&K State Financial Assistance	Government of Pakistan Ministry of Inter Provincial Coordination (IPC Division)
51.	Mr. Ilyas Ishqie to a needy female student, Need Cum Merit Based Scholarship.	Madam Rosy Ilyas, Retired Professor ELDC, MUET.
52.	(Late) Mr. Zahid Suleman, Need Cum Merit Based Scholarship.	Mr. & Mrs. Qazi Suleman,
53.	Mr. Muhammad Hassan Laghari, Need Cum Merit Based Scholarship. MUET.	Mr. Muhammad Hassan Laghari, Ex-Chief Security Officer
54.	Engr. Ghulam Ali Mirza Need Cum Merit Based Scholarship.	Mr. Ghulam Ali Mirza, from UK.
55.	93-Batch Need Cum Merit Based Scholarship	Ex-Students of 93 Batch
56.	Mir Hassan Rind Need Cum Merit Based Scholarship	Mir Hassan Rind Former Member of National Highway Authorities (NHA).
57.	2K1- Batch (Civil) Need Cum Merit Based Scholarship Program	2K1-Batch (Civil).
58.	(Late) Mrs. Mahrunish Shaikh Need Cum Merit Based Scholarship	Engr. Arz Mohammad Shaikh, Hyderabad.
59.	Dr. Mir Saad Hussain Sacharvi, Need Cum Merit Based Scholarship	Dr. Mir Saad Hussain Sacharvi, Hyderabad.
60.	Mr. Mir Mahammad Talpur, Need Cum Merit Based Scholarship.	Mr. Mir Mahammad Talpur

Dr. Amir Mahmood Soomro
Focal Person, Student Financial Aid Office
Phone: +92 22 2771274 (Director)
Exchange: +92 22 2772250-72 / Ext. 7715

7.4 Students' Advisory Committee

Mehran University Students' Advisory Committee was formed to bridge the gap between administration, teaching community and students. Committee helps students to organize academic and social activities and to resolve their academic and legal grievances. The committee leads, directs, and administers overall functions of student counseling, hostel residence, student societies and discipline. The important function of Student Affairs Office is to enhance the quality of student life both in and outside of the classroom.

The Student Affairs Office functions as a friend and guide of a student, it administers their needs from the time they step in the University, to their graduation. We provide proactive support and capacity building services to promote co- curricular activities to enhance interpersonal skills of the students. Using the platform of Students' Affairs Office, students can build strong relationships with their peers, faculty, administration and other stakeholders.

The formation of Mehran University Students' Advisory Committee is as under:

Prof. Dr. Tanweer Husssain Phulpoto
Professor, Department of Mechanical Engineering,
Advisor Students' Affairs
Direct: +92 22 2109136
Landline: 0222772251-72 (Ext: 2030)
Email: tanweer.hussain@faculty.muet.edu.pk
asa@admin.muet.edu.pk

Dr. Iftikhar Ali Sahito
Associate Professor, Department of Textile Engineering.
Deputy Advisor Students' Affairs
Landline: 0222772251-72 (Ext: 6116)
Email: iftikhar.sahito@faculty.muet.edu.pk

Dr. Muhammad Shuaib Shaikh
Associate Professor, Department of Chemical Engineering
Deputy Advisor Students' Affairs
Landline:0222772251-72(Ext: 4414)
Email: shuaib.shaikh@faculty.muet.edu.pk

Dr. Ismah Farah Siddiqui
Associate Professor, Department of Software Engineering
Deputy Advisor Student' Affairs
Landline:0222772251-72
Email: isma.farah@faculty.muet.edu.pk

Dr. Faheemullah Shaikh
Associate Professor, Department of Electrical Engineering
Deputy Advisor Students' Affairs
Landline:0222772251-72 (Ext: 2512)
Email: faheemullah.shaikh@faculty.muet.edu.pk

7.5 Quality Enhancement Cell (QEC)

QEC was first established in 2001 under the name of ISO 9000 Cell, as Mehran University of Engineering and Technology (MUET), Jamshoro decided to enhance quality of education by implementing ISO 9000 Quality Management System (QMS). The university has ultimately achieved ISO 9000 certification in 2003 and the course continuous to include additional areas for quality improvement and the directorate was renamed as Quality Enhancement Cell (QEC) in 2007.

Today QEC coordinates between Higher Education Commission (HEC) Pakistan and MUET Jamshoro primarily and also includes quality personnel of different institutes of Pakistan to promote quality at MUET

Jamshoro. The basic activities carried out to cover quality parameters of HEC and ISO 9000 include conduct of Self-Assessment (SA), Institutional Performance Evaluation (IPE), Postgraduate Program Review (PGPR), Internal Quality Audit (IQA), Management Review (MR), Anti-plagiarism, seminars, workshops, conferences and Surveillance.

7.5.1 Key achievements of QEC:

- Implementation of ISO 9001:2015 quality management system requirements and certification for three years from Lloyd's Register Quality Assurance (LRQA) UK
- Successfully implemented HEC quality assurance criteria and secured 93.53% marks in HEC QECs ranking for the year 2017-18
- Mehran University of Engineering & Technology awarded with "Excellent Performance" for the year 2018-19

7.5.2 Future Objectives:

To strive for accreditation of engineering programs through Accreditation Board of Engineering and Technology (ABET)

Contact us:
Quality Enhancement Cell (QEC)
Mehran University of Engineering & Technology, Jamshoro.
Phone: +92-22-2109013 / Ext.: 7712
E-mail: qec@admin.muet.edu.pk
Website Link: http://www.muet.edu.pk/qec

7.6 Information and Communication Processing Centre

ICPC Stands for "Information & Communication Processing Center". It is considered as backbone of the university. ICPC contains different types of networks, i.e. voice & data networks, which facilitates inter departmental communication related to internet & voice communication. It also connects MUET Intranet to the outside world through a bandwidth of 800 Mbps on fiber link.

The ICP Center is having a powerful and scalable switching fabric that carries gigabit traffic on fiber optics backbone and interconnects all buildings of university including administration building, departments and hostels. It is designed on the VLAN infrastructure. Apart from data service, ICPC is also providing voice services through the modern Alcatel-Lucent OmniPCX 4400, EPABX System since 2003. ICPC provides following services as well as facilities in the university:

- Data and Voice Services
- Wireless Connectivity
- Trainings & Internships
- Smart ID Cards
- Security Surveillance System
- SMS Alert Service
- Web Services

7.6.1 Surveillance System

The University has a state-of-the-art surveillance system (a closed-circuit television system) to with a central control room to maintain close observation to the students, visitors and employees of the University within the University premises around the clock to reduce the level of all risks associated with higher education institutions.

Engr. Saleem Ahmed Memon
Director
Phone: (022) 2772250 Ext: 2090
Email: director.icpc@admin.muet.edu.pk

7.7 Medical Assistance

A double-bed clinic located at Students Techers Center provides medical facilities from 4:00 to 6:00 in the evening for residents of boy's hostels and a part-time dispensary has been established in one of the female hostels for the resident of female students, which is manned by a qualified doctor and a dispenser. Adequate quantities of essential medicines are also available in the dispensary for the minor ailments. Major sickness problems are referred to Liaquat University Hospital, which is quite nearby. Besides that, day and night emergencies are attended by the ambulance service and duty vehicle which is available every time for the sick students to take them to the hospital in any emergency.

7.8 Transport Facilities

The university has a fleet of buses to facilitate the students, faculty and staff running on various routes between the campus and Jamshoro, Hyderabad / Qasimabad / Latifabad / Kotri. Students have to pay nominal semiannual transport charges for the use of these facilities. In addition to that, the University has different type of equipment / vehicles, i.e., Mechanical Sweeper, Aerial Platform, Garbage Compactor etc. for cleaning campus to make the environment better. As well as University is planning introduce solar shuttles for the students within university premises.

Engr. Qazi Riaz Hassan Qureshi
Incharge Transport Section/ Director Services
Phone: +92 22 2109073 and 22 2771153 / Ext.: 6800
http://www.muet.edu.pk/transport-section

7.9 Residential Accommodation

Hostel accommodation is an essential service for outstation students at affordable cost. The MUET hostels have rich legacy of academic excellence and responsible community life. It is an affordable, homely and safe accommodation for almost 2100 male and female Pakistani, overseas Pakistani and foreign students. Almost all ten, including three female students', hostels are spacious and airy two-storied buildings, located near to the main academic buildings, with well-furnished rooms to accommodate two to three students with internet facility. Every student is allotted a bed, a cupboard, a study table and a chair. The premises of male and female hostels are separate and the messing system and cleanliness of hostels supervised by male and female wardens respectively.

The University is not bound to provide hostel accommodation to every student, even if he / she is entitled. However, accommodation is provided to the male and female students seeking admission only in undergraduate studies at various departments / institutes of the University subject to availability and according to the merit. The interested students can apply through a prescribed Admission Form available with the Office of the Provost Hostels, at the Student Teacher Center of the University. The seats in the hostels are allotted by allocating the district-wise quota proportional to seats allocated for admission in university. Further the district-wise seats are allotted to the students on first come first served basis, **excluding the districts where the bus service is provided from by the University (like Jamshoro, Hyderabad, Matiari, Tando Allahyar, Tando Muhammad Khan and Mirpurkhas).** The cases of the interested applicants belonging to the above-mentioned districts and far-flung areas thereof may be considered, in case of availability of seats after regular allotment is done. The seats allotment process is fully transparent. The University administration reserves the right to reject any application for allotment or cancel the allotment of any student at any stage without assigning any reason.

Purified drinking water and hot / cold water is available around the clock. Separate canteens / messes with common dining halls are available in each hostel with around to 30 to 40 students siting capacity and offer meals, tea, juice and soft drink at modest prices. The menu and quality of the food are regulated by the students' mess committee. The common halls are well equipped with recreational facilities like large wall-mounted televisions / LCDs, table tennis, badminton and newspapers and magazines. Most of the hostels have outdoors basketball courts and inter-hostels sports events and debate contests are organized regularly. A state-of the-art Gymnasium is located near the hostel buildings to provide health care and fitness facilities from morning till 9:00 PM. An ATM electronic banking service is nearby available around the clock. All the hostels' residents have been provided with

transport facility from morning till 9:00 PM. All hostels offer lush green lawn for the students to sit and relax, beautiful natural surroundings, mango, guava and banana orchard, green environment conducive for studies, calm & quite atmosphere, pollution free and safe & secured environment with 24 hours security surveillance. Security guards have been deployed on main entrances of male and female students' hostels round the clock to ensure the strict security. The CC TV cameras are installed in all the hostels to monitor the activities of staff, visitors and residents of hostels by Provost Hostels.

University hostels are built upon the principles of professionalism, caring and mutual respect to the students. During the stay in the hostels, they maintain high standards of professional ethical values and for development of personal relationship which provides the best grooming facilities to fulfill our mission. The residents of MUET hostels have always demonstrated the ethos of dedication, sincerity and care for others. The hostel inculcates the characteristics like co-operation and respect for different cultures in the residents as they come from diverse cultures. As a part of extended family of the University fraternity, MUET hostels add a dimension of vigor and commitment to the academic and extracurricular ambience of the institution. While providing an opportunity of campus living, MUET hostels look forward residents to shoulder and maintain the best traditions of the University as a whole.

All the students are required to abide by the rules and regulations governing residence and are encouraged to develop community life conducive to healthy growth of the social aspects of their personalities.

7.10 Auditorium

The Auditorium with the capacity for approximately 500 people is the most stunning meeting room with seating for up to 500 and state-of-the-art audio-visual equipment. It promises to make events unforgettable. The acoustics in the auditorium are ideal for musical recitals as well as lectures.

7.11 Sports Facilities

The University has a state-of-the-art Sports Complex in the campus, having a modern Gymnasium and fitness center facilities, equipped with latest fitness machines to provide our students a best possible sporting and healthy activities environment.

A wide range of indoor as well as outdoor sports activities and Fitness / health services are arranged for the university students on regular basis. Highly specialized nature of training techniques, coaching camps and indoor and outdoor sporting events for boarding as well day scholar students are also arranged. Inter-batch, inter-departmental and inter-hostel sporting events for boys & girls are regular feature of our university sports calendar.

The University also hosts/organizes and participates in a number of inter-university sports events under HEC every year regularly. Organizing of Sports Week / Gala event is becoming a very popular annual event at Mehran in which a huge number of students participate in a wide range of indoor as well as outdoor sports and games. The University students manages to win Gold, Silver and Bronze Medals in such events very often. The new batch students are encouraged to participate in inter-departmental, inter-hostel, inter-batch and inter-university events particularly in Athletics, Cricket, Football, Volleyball, Handball, Basketball, Squash, Table Tennis, Tennis, Badminton, Hockey, Tug of War, Chess, Judo, Wushu, Body Building, Weight lifting Swimming, Gymnastics and Boxing etc. every student gets a chance to play, compete and represent Mehran University sports teams.

Abdul Ghaffar Chandio
Director
Phone: 022-2109103, 022-2772250 / Ext.: 2026
Email: dir.sports@admin.muet.edu.pk

7.12 Cafeteria

There are many cafeterias / canteens across the campus which provide provides fresh quality edibles / meals prepared according to hygienic rules at affordable prices. The cafeterias serve almost 7,000 students. A committee is deputed to check and examine quantity, quality and rates of the food at the

university. It also monitors the hygienic conditions of the cafeteria to ensure quality and hygiene of the food. The Committee also looks after the menu selection and quality of service. Taste buds come alive with our vast dining selections. Fast food, lunch, snack bars, baked goods, tea and coffee can be found at our campus.

Cafeteria is a place where students enjoy their favorite meals and have social interaction and they discuss academic and social issues with fellow students. This place is especially very much crowded during lunch or recess time.

8. MEHRAN UNIVERSITY OF ENGINEERING & TECHNOLOGY, SHAHEED ZULFIQAR ALI BHUTTO CAMPUS, KHAIRPUR MIR'S

♦ Introduction

In order to promote Engineering Education in the interior region of the province and to reduce the supply-demand gap of engineering professionals, the Government of Sindh vide notification No. SO(C-IV) SGA & CD/ 4 29/09 dated 2nd April, 2009 established a constituent College of Mehran University of Engineering & Technology, Jamshoro named as Mehran University College of Engineering & Technology, Khairpur Mir's.

The College has been further upgraded as Campus of MUET, Jamshoro vide Notification No. Estt: (Teach:)/30 of 2013 dated 19-02-2013 and named as MUET Shaheed Zulfiquar Ali Bhutto (SZAB) Campus, Khairpur Mir's. The main objectives of the establishment of the College/Campus are as under:

- To provide science and technology education to the people of interior Sindh at their door step.
- To upgrade the technical skills of the people of Sindh.
- To meet the national demand for qualified engineers required for national industrial development.
- To promote the rural talent, enabling it thereby to participate in mainstream of national growth.

The number of students admitted to the First-Year classes in all undergraduate disciplines is 340 out of which 60 candidates are admitted under the self-finance scheme.

The MUET SZAB Campus, Khairpur Mir's offers undergraduate program in six disciplines, viz. Civil Engineering, Mechanical Engineering, Electrical Engineering, Petroleum & Natural Gas Engineering, Electronics Engineering and Software Engineering.

Being a campus of Mehran University of Engineering & Technology, the campus adopts the same teachings system, courses of studies, rules and procedures for admissions, examination system and student conduct and discipline as those of practiced by the university.

The campus headed by the Pro-Vice Chancellor is working under the administrative and academic Supervision of Mehran University of Engineering & Technology, Jamshoro.

♦ Officers of the Campus

Prof. Dr. Abdul Sami Qureshi
Pro-Vice Chancellor, MUET, SZAB Campus, Khp.

Prof. Dr. Syed Hyder Abbas Musavi
Director Academics/
In-charge Postgraduate

Dr. Mujeeb Iqbal Soomro
Director Administration

Dr. Syed Naveed Raza Shah
Chairman, Civil Engineering

Prof. Dr. Hassan Ali Khan Durrani
Chairman, Mechanical Engineering

Dr. Mazhar Hussain Baloch
Chairman, Electrical Engineering

Dr. Muhammad Yakoob Soomro
Chairman, Pet. & Nat. Gas Engineering

Dr. Muhammad Rafique Naich
In-charge Chairman, Electronics Engineering

Mr. Sajjad Ali Memon
Project Director

Syed Shoaib Ali Shah
In-charge Finance

Dr. Bilal Shams Memon
In-charge MIS

Dr. Sajjad Ali Mangi
Additional Director, QEC/ISO

Dr. Mohsin Ali Tunio
Additional Provost Hostels

Mr. Abdul Rasheed Phulpoto
Deputy Director, ICPC

Mr. Shakir Ali Soomro
Convener, SFAO Committee

Pir Syed Asif H. Shah Jilani
Assistant Director Sports

Mr. Imtiaz Ali Solangi
Assistant Registrar Administration & Estate Officer

Mr. Faiq Gul Memon
Assistant Registrar Teaching

Mr. M. Ashraf Soomro
Assistant Registrar/
Secretary to PVC

Mr. Ayaz Ali Memon
Student Welfare Officer

Mr. Imdad H. Talpur
Store & Purchase Officer

Prof. Dr. Rafique Ahmed Memon
Chairman, Basic Sc. & Related Studies.

Dr. Noman Qadeer Soomro
In-charge Chairman, Software Engineering

Mr. Allah Bachayo Memon
Deputy Librarian

Dr. Sajid Hussain Qazi
Focal Person,
Industrial Liaison / ORIC

Mr. Nadeem Ahmed Tunio
Focal Person, Examinations

Mr. Athar Khalique Shar
Assistant Resident Auditor

Mr. Zahid H. Dahot
Assistant Public Relation Officer

Pir Nadeem A. Sarhandi
Security Officer

♦ Fields of Study and Teaching Faculty

Mehran University of Engineering and Technology, SZAB Campus, Khairpur Mir's offers courses leading to Bachelors' degrees in the following disciplines. All the six degrees are in Engineering and are titled Bachelor of Engineering (Name of Field); e.g., B.E Civil.

1. Civil Engineering
2. Electrical Engineering
3. Mechanical Engineering
4. Petroleum & Natural Gas Engineering
5. Electronics Engineering
6. Software Engineering

8.1 Department of Basic Sciences & Related Studies (BSRS)

8.1.1 The Department

The faculty of this department teaches / offers various fundamental compulsory courses including Mathematics, Statistics, English, Pakistan Studies and Islamic Studies/ Ethics. Students are also assisted to understand theoretical work of Mathematics with the help of programming languages such as C++ and MATLAB in well-equipped computer laboratory of the departments. The courses of Mathematics and Computer Sciences are also being taught to the Postgraduate students of the University campus by the faculty of Basic Sciences and Related Studies. In this way, this department is helping students to equip with necessary mathematical expertise to deal with problems being occurred in current technological era. The department also participates in offered short courses on various aspects of computer-oriented courses and Linguistic. The department currently comprises of 06 teachers of Mathematics, 02 teachers of English, 01Research Associate (English),02 teachers of Islamic Studies / Ethics, 01 teachers of Pakistan Studies, 03 on Contract / Visiting Faculty (Mathematics), and 07 non-academic staff.

Role of the Department:

The department has main focus to provide overall knowledge of Mathematics and other subjects to not only students of this university but also other interested public across country and outside. Several faculty members of this department are maintaining their blogs and share academic notes and other things online for interested audience. This way the Department is providing global knowledge sharing and tries to continuously improve it. In addition, some of books on topics courses are also written by our faculty members as author/co-author.

Achievements of the Department:

- The success and the achievement of any academic institution and its departments can be gauged by the success and reputation enjoyed by its faculty members. In this context, department tries to hire position holders in subjects of Mathematics, Islamic studies and Pakistan studies from other universities. All faculty members hired here have strong academic record and mostly departmental and faculty positions to their credit and most of the faculty members are highly qualified with M.Phil. and PhD degrees and engaged in research with various disciplines of mathematics and their research work is published in National as well as International journals.
- Department regularly fulfills ISO objectives every year.

Future objectives of the Department:

The (BSRS) department at MUET SZAB campus Khairpur Mirs, will offer Bachelor of Science in Mathematics (BSM) to provide quality education in the field of Applied Mathematics at the door step of local area.

Vision of the Department:

The department of Basic Sciences and Related Studies aspires to the highest standards of excellence in teaching and service.

Program Educational Objectives (PEOs):

To skill students with the instinctive knowledge in the field of Mathematics, Statistics, English, Pakistan Studies and Islamic Studies / Ethics and its uses in all fields in general and engineering in particular and further to equip them for higher studies and research in different disciplines.

8.1.2 Laboratory Facilities:

The department of Basic Sciences and Related Studies comprises of following one computer laboratory. The labs have latest Corei-7 PCs with high-speed internet connection. Forty PCs for undergraduate students are used for conducting C++ programming practical of students in addition to that same are being used for conducting various short courses related to C++, MATLAB and many others. The lab is extensively used by undergraduate student in order to complete their assignments and projects with the help of various software such as Microsoft Office etc.

8.1.3 The Faculty:

Professor:
Dr. Rafique Ahmed Memon
PhD - Maths, Pakistan.

Assistant Professors:
Dr. Hadi Bux Chhijan
PhD - Islamic Studies, Pakistan.

Mr. Kaleemullah Bhatti
M.S - Maths, Pakistan.
(On Study Leave)

Mr. Jalil Ahmed Chandio
M.Phil. - Pakistan Studies, Pakistan.

Mr. Nek Muhammad Katber
M.S - Maths, Pakistan.

Ms. Quratulain Talpur
M.Phil. - English, Pakistan.

Lecturers:
Mr. Sanaullah Memon
M.S - Maths, Pakistan.

Mr. Abdul Majid Indher
M.Sc. - Maths, Pakistan.

Dr. Baseer Ahmed Dars
PhD - Islamic Studies, Pakistan.

Mr. Masoom Ali Shahani
M.S - Maths, Pakistan.

Mr. Sajid Ali Magsi
M.A - English, Pakistan.

Mr. Ghulam Abbas Memon
MS - Maths, Pakistan.

Ms. Nimra Arain
M.S - Maths, Pakistan.

Visiting Teacher:
Mr. Fayaz Ahmed Khuhro
M.Sc. - Maths, Pakistan.

Research Associate:
Mr. Riaz Hussain Soomro
M.A - English, Pakistan.

8.2 Department of Civil Engineering

8.2.1 The Department

The Department of Civil Engineering of the Mehran University of Engineering & Technology, Shaheed Zulfiqar Ali Bhutto Campus, Khairpur Mir's provides state-of-the-art, essential, and advanced Civil Engineering education to the aspiring Civil Engineering graduates according to the requirements of field in a dynamic learning environment that emphasizes problem solving skills, team-work, communication skills and leadership qualities. The Department also evolves as a research-based solution provider to the construction industry. The Undergraduate program of the Department also offers the selection of the field of interest related to the Civil Engineering to the final year students by assigning them a thesis/project. The thesis/project may be specific to a specialization of Civil Engineering like Structural Engineering, Material Engineering, Geotechnical Engineering, Highway & Transportation Engineering, Hydraulics, Irrigation & Drainage Engineering, Construction Mgt. and Environmental Engineering. After successful completion of the undergraduate program, our graduates acquire great opportunities at entry level positions and finally, recognized as highly competent professionals worldwide.

The Department teaches many courses relevant to the various fields of Civil Engineering. Theory classes of different subject are complemented by tutorials and laboratory works, for which adequate facilities and advanced equipment are available. In addition, the students are taken to field visits of the Civil Engineering projects such as building structures, road construction works, geotechnical works, water treatment plants, dams, steel mills and on-going construction projects. During the summer vacations, the students are encouraged to undertake the internship on various Civil Engineering projects in the industry. The Department also has a Software Laboratory which provides computing facility and opportunity to learn latest software being used globally in the field of Civil Engineering. The Department also offers Master of Engineering in Civil Engineering.

The Department strictly follows the Outcome Based Education (OBE) system to fulfill the requirements of Pakistan Engineering Council (PEC) as per Washington Accord. Evaluation of students through various means strictly follows the OBE criteria and based on specific course learning objectives associated with each course. This student centric approach focuses on outcomes from individual student by the end of the course.

8.2.2 The Staff

Chairman of the Department:
Dr. Syed Naveed Raza Shah
Phone: 0243-9280312 / **Ext.:** 7301

Professor:
Prof. Dr. Kanya Lal Khatri
PhD, Australia.

Associate Professor:
Dr. Syed Naveed Raza Shah
PhD, Malaysia.

Assistant Professors:
Dr. M. Jaffar Memon
PhD, China.

Dr. Ghulam Shabir Solangi
PhD, Pakistan.

Dr. Sajjad Ali Mangi
PhD, Malaysia.

Engr. A. Razzaque Sandhu
M.E, Pakistan.

Engr. Dildar Ali Mangnejo
M.E, Pakistan.
(On Study Leave)

Engr. Rabia Soomro
M.E, Pakistan.
(On Study Leave)

Lecturers
Engr. Abdul Qayoom Memon
M.E, Pakistan.

Engr. Hemu Karira
M.E, Pakistan.

Engr. Touqeer Ali Rind
M.E, Pakistan.

Engr. Dhanesh Kumar
M.E, Malaysia.

Engr. Sanghaar Bhutto
M.E, Malaysia.

Engr. Mudasar H. Janwery
M.E, Pakistan.

Laboratory Engineers
Engr. Tajik Mustafa Shah
M.E, Pakistan

Engr. G. Rasool Siddiqui
M.E, Pakistan.

8.2.3 Laboratory Facilities

The Department of Civil Engineering, MUET, SZAB Campus, has nine fully functional laboratories equipped with advanced equipment for academics and research purposes. The list of the laboratories is given below:

1. Concrete Laboratory
2. Fluid Mechanics & Hydraulics Laboratory
3. Surveying Laboratory
4. Highway Engineering Laboratory
5. Soil Mechanics Laboratory
6. Environmental Engineering Laboratory
7. Computer Laboratory
8. Software Laboratory
9. Engineering Drawing Hall

8.2.4 The Courses

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
1st Semester	CE 102	geometrical engineering	02	01
	CE 106	civil engineering materials	03	01
	CE 116	engineering mechanics	03	01
	FE 101	functional English	03	00
	CS 146	introduction to computing and programming	02	01
		Total	**13**	**04**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
2nd Semester	CE 112	Surveying-I	02	01
	MTH 108	Applied Calculus	03	00
	SS111/	Islamic Studies/Ethics	02	00
	PS 106	Pakistan Studies	02	00
	CE 122	Civil Engineering Drawing	02	01
	CE 125	Engineering Geology	03	01
		Total	**14**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
3rd Semester	CE 202	Surveying II	03	01
	CE 207	Transportation Engineering	03	00
	CE 211	Strength of Materials I	03	00
	MTH 204	Differential Equations, Fourier Series and Laplace Transforms	03	00
	CE 227	Fluid Mechanics and Hydraulics	03	01
		Total	**15**	**02**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
4th Semester	CE 221	Theory of Structures	03	00
	CE 241	Applied Hydraulics	03	01
	CE 231	Construction Engineering	03	00
	CE 250	Strength of Materials II	03	00
	MTH 206	Complex Analysis, Statistical Methods and Probability	03	00
	CE 246	Architecture and Town Planning	02	00
		Total	**17**	**01**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
5th Semester	MTH 303	Linear Algebra and Numerical Methods	03	01
	CE 306	Structural Analysis	03	00
	CE 345	Plain and Reinforced Concrete	03	01
	CE 350	Environmental Engineering -I	02	01
	CE 355	Project Management	02	00
	ENG 311	Communication Skills	02	00
		Total	**15**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
6th Semester	CE 361	Hydrology	02	01
	CE 326	Soil Mechanics	03	01
	CE 336	Reinforced and Pre-Stressed Concrete	03	01
	CE 316	Steel Structures	03	00
	CE 366	Geometric Design of Highways and Airports	02	00
	----	Entrepreneurship	02	00
		Total	**15**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
7th Semester	CE 406	Structural Design and Drawing	03	01
	CE 411	Geotechnical Engineering	03	01
	CE 416	Irrigation Engineering	03	01
	CE 445	Quantity Surveying and Estimation	03	00
	CE 498	Final Year Project (FYP)- I	00	03
		Total	**12**	**06**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
8th Semester	CE 426	Foundation Engineering	03	00
	CE 431	Environmental Engineering-II	03	00
	CE 436	Construction Planning & Management	03	00
	CE 442	Drainage Engineering	02	00
	CE 451	Traffic Management and Pavement Design	02	01
	CE 499	Final Year Project (FYP)- II	00	03
		Total	**13**	**04**

8.2.5 Career Opportunities

The knowledge provided at the Civil Engineering Department, MUET, SZAB Campus enables our students to join the Civil Engineering industry as fresh graduate, educational institutions as entry level instructors, or set up their own businesses. Typical employment sectors for Civil Engineering include public sector departments (Buildings, Highways, Railways, Airports, Irrigation, Water and Power, Ports), consultation companies, contractors, local authorities, and non-profit organizations. Due to the equivalent focus on research and academics from initial level, many of our graduated students have chosen various Universities as an academician or researcher and achieved good fame in their relevant field. The B.E program at MUET, SZAB Campus provides clear route to a professional career in Civil Engineering.

8.3 Department of Electrical Engineering

8.3.1 The Department

The Department of electrical engineering at Mehran University of Engineering and Technology (MUET) is one of the pioneer and prestigious department. The department was established in 2010. The department is equipped with qualified faculty and state of the art laboratories. These laboratories serve not only undergraduate and postgraduate students but also provide services to the public and private sectors in the context of training, equipment testing calibration and consultancy services. Besides the academic activities, the faculty and students are involved in research and development activities in collaboration with industries.

8.3.2 The Faculty

Chairman of the Department:
Dr. Mazhar Hussain Baloch
Phone: 0243-715365 / **Ext.:** 7401

Associate Professor:
Dr. Mazhar Hussain Baloch
PhD, China, Post.Doc., Malaysia.

Assistant Professors:
Engr. Shakir Ali Soomro
M.E, Pakistan.

Engr. Nadeem Ahmed Tunio
M.E, Pakistan.

Dr. Mohsin Ali Tunio
PhD, Malaysia.

Dr. Touqeer Ahmed Jumani
PhD, Malaysia.

Engr. Irfan Ahmed Bajkani
M.E, Pakistan.

Engr. Ahsanullah Memon
M.E, Pakistan.
(On Study Leave)

Dr. Sajid Hussain Qazi
PhD, Malaysia.

Lecturers:
Engr. Kalsoom Baghat
M.E, Pakistan.
(On Study Leave)

Engr. Shafqat Hussain Memon
M.E, Pakistan.

Engr. Rasool Akhtar Alias Osama
M.E, Pakistan.

8.3.3 Laboratory Facilities

The Department of Electrical Engineering is equipped with state-of-the-art labs to cater the practical/ experimental requirements to supplement the course work of the B.E Electrical Program.
Following Laboratories have been established in the department:

1. Power System
2. Instrumentation & Control
3. Basic Electrical Engineering
4. High Voltage Engineering
5. Basic/Applied Electronics Engineering
6. Communication System
7. Electrical Machines
8. Power Electronics
9. Computer Lab
10. Software Lab
11. Project Lab
12. Seminar Library

8.3.4 Laboratories Staff

Laboratory Engineers:
Engr. Muhsan Ali Mari
(On Study Leave)
Engr. Asif Ali Solangi
(On Study Leave)
Engr. Zeeshan Anjum
Engr. Musavir Hussain
Engr. Basheer Ahmed
(On Study Leave)

Laboratory Supervisors:
Mr. Noman Khan Pathan
Mr. Fida Mangi

8.3.5 Course Outline

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
1st Semester	EL-111	Electrical Workshop Practice	0	1
	EL-112	Applied Physics	3	1
	EL-113	Linear Circuit Analysis	3	1
	CS-104	Introduction to Computing and	3	1
	ENG-101	Functional English	2	0
	MTH-102	Applied Calculus	3	0
		Total	**14**	**04**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
2nd Semester	EL-122	Electrical Network Analysis	3	1
	CE-118	Applied Mechanics	3	1
	MTH-112	Linear Algebra and Analytical Geometry	3	0
	PS-106	Pakistan Studies	2	0
	IS-111 /	Islamic Studies / Ethics	2	0
	ENG-102	Communication Skills	2	0
	EL-127	Engineering Drawing	0	1
		Total	**15**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
3rd Semester	EL-211	Electronic Devices & Circuits	3	1
	EL-214	Electrical Machines	3	1
	EL-215	Theory of EMF	3	0
	MTH-212	Differential Equations & Fourier series	3	0
	ME-271	Applied Thermodynamics	3	0
		Total	**15**	**02**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
4th Semester	EL-223	Applied Electronics	2	1
	EL-224	Digital Logic Design	3	1
	ES-264	Introduction to Embedded Systems	3	1
	ENG-304	Technical and Scientific Writing	3	0
	MTH-213	Complex Variables & Transforms	3	0
		Total	**14**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
5th Semester	EL-313	Instrumentation & Measurement	3	1
	EL-314	Power Generation Systems	3	0
	TL-311	Communication Systems	3	1
	MTH-336	Numerical Analysis & Computer Applications	3	1
	ES-266	Signals & Systems	3	1
		Total	**15**	**04**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
6th Semester	EL-322	Advanced Electrical Machines	3	1
	EL-323	Electrical Power Transmission	3	1
	EL-325	Power Economics & Management	3	0
	ES-325	Linear Control Systems	3	1
	MTH-311	Statistics and Probability	3	0
		Total	**15**	**03**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
7th Semester	EL-411	Power System Analysis	3	1
	EL-415	Power Electronics	3	1
	EL-499	Senior Design Project	0	3
	SS-416	Professional Ethics	3	0
		Total	**09**	**05**

	Course Code	Name of Subject	Credit Hours	
			Theory	Practical
8th Semester	EL-423	Power System Protection	3	1
	EL-424	High Voltage Engineering	3	1
	EL-425	Power Distribution & Utilization	3	1
	EL-499	Senior Design Project	0	3
		Total	**09**	**06**

8.3.6 Career Opportunities

Electrical Engineers have vast career opportunities in wide range of industries and organizations depending on their respective specializations. In Pakistan industries and organizations both Public and Private sector, such as, Pakistan Atomic Energy Commission, Pakistan International Airlines, Civil Aviation Authority (CAA), Pakistan Steel Mills, PEPCO, NTDC, GENCOs, DISCOs, K-Electric, PTCL, NTC, IPPs, Fertilizer and chemical industries such as OGDCL, SNGPL, Engro, FFC and various other national and international industries and organizations hire Electrical Engineers for design, control, operation and managerial jobs. Electrical Engineers are generally encouraged to attend continual professional development course (CPD) and acquire skills required in the job market to secure attractive and challenging career opportunities. This department also conducts such CPD courses which help in career development of the young engineers.

8.4 Department of Electronic Engineering

8.4.1 The Department

Electronic Engineering has played a very vital role in modern industrial and human development since decades that is why it is growing field with the passage of every passing time. Continuous advancement in Electronic Engineering in terms of fabrication processes including material, devices, circuit and control has led it to have significant importance in emerging technologies for its use in all major industrial applications. Thus, it has as a strong share in the market, which needs such quality programs to be initiated regarding educating the youth of society to create highly skilled individuals in this important and most challenging discipline of engineering at both the undergraduate as well as post graduate levels.

Electronic Engineering has revolutionized the standard of mankind, living style and industrial growth using modern electronics and microprocessor technology, therefore its significance cannot be denied. The Department of Electronic Engineering offers quality degree program at undergraduate level i.e., B.E (Electronic Engineering). The focus of this program is to produce sound technical manpower to further strengthen planning, designing of innovative projects in this particular area. The students during the entire degree program will learn different subjects on diversified field including Microprocessors & Microcontrollers, Mechatronics Applications, Analog & Digital Communication, Signal Processing, Power Electronics, Artificial Intelligence, Measurements & Instrumentation, FPGA-Based System Design, Sequential Circuit Design, Optoelectronics, Computer Communication & Networking etc.

The Department initially offers Undergraduate Program. The courses of the program have been drawn from the curriculum guidelines of HEC/PEC and duly approved by the Academic Council of the University.

Vision of Department:
To provide the highest quality of learning and research opportunities for the students in the field of Electronic Engineering as well as make them competent professionals with high professional ethics to compete on a global scale.

Mission of Program:
To produce Quality Electronic engineers with high intellect and broad vision who can meet current needs and foresee future needs of the nation in the field of Electronics by serving research and professional practice.

Program Educational Objectives (PEOs):

1. Apply in-depth electronic engineering knowledge and analytical skills to initiate innovative solutions for the society.
2. Quest for learning, establishing collaborations and engaging in continuous professional development nationally and internationally.
3. Adaptive in multidiscipline and multicultural environment and work effectively as a team lead or team member possessing strong soft skills and high moral ethics.

8.4.2 The Faculty

In-Charge Chairman of the Department:
Dr. Muhammad Rafique Naich
Phone: 0243-686074 / **Ext.:** 7701

Professor:
Prof. Dr. Hyder Abbas Musavi
PhD, Pakistan.

Lecturers:
Mr. Maroof Panhwar
M.E, Pakistan.

Engr. Saleemullah
M.E, China.
(Contract Basis)

Assistant Professors:
Dr. M. Rafique Naich
PhD, China.

Ms. Bushra Shaikh
M.E, Pakistan.

Lab Engineer:
Ms. Shadab Soomro
M.E, Pakistan.

Mr. Halar Haleem Memon
M.E, Pakistan.
(On Study Leave)

Ms. Kaneez Fatima
M.E, Pakistan.

Ms. Darshna Tulsi Das
M.E, Pakistan.

Engr. Rashid Hussain
M.E, Pakistan.
(Contract Basis)

Research Associates:
Engr. Nauman Memon
M.E, Pakistan.

Engr. Falak Naz
M.E, Pakistan.

8.4.3 Laboratory Facilities

The Department of Electronic Engineering is equipped with the latest equipment ranging from basic electronic devices, simulators and trainers to more advanced FPGA trainers & development boards. Excellent course work and due practical experience, provide ample job opportunities to over graduates and both public and private sector organization, national and multinational companies. The Department of Electronic Engineering facilitates its students with the following 12 laboratories:

1. Applied/Basic Electronics Lab
2. Communication Systems Lab
3. Instrumentation and Control Lab
4. Electrical Machines Lab
5. Software Lab
6. Computer Lab
7. Basic Electrical Engineering Lab
8. Power Electronics Lab
9. Digital Electronics & Microprocessor Lab
10. Signal Processing and FPGA Lab
11. Industrial Automation and Robotics Lab
12. Advanced Electronics Lab

8.4.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	ENG-101	Functional English	3	0
	MTH-102	Applied Calculus	3	0
	CS-150	Introduction to Computing	2	1
	EL-116	Applied Physics	3	1
	SS-107	Professional Ethics	2	0
	ES-102	Electronics Workshop	0	1
		Total	**13**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
2nd Semester	MTH-112	Linear Algebra & Analytical Geometry	3	0
	CS-113	Computer Programming	2	1
	ES-112	Basic Electronics	3	1
	EL-107	Electrical Circuits	3	1
	PS-106	Pakistan Studies	2	0
	SS-104	Islamic Studies/Ethics	2	0
		Total	**15**	**03**

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
3rd Semester	ES-203	Electronic Circuit Design	3	1
	ES-213	Digital Electronics	3	1
	ES-223	Measurements & Instrumentation	3	1
	MTH-201	Differential Equations & Fourier Series	3	0
	INM-291	Engineering Management	2	0
	CS-215	Computer Aided Engineering Design	0	1
		Total	**14**	**04**

4th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	ES-243	Electromagnetic Fields	3	0
	ES-253	Integrated Electronics	3	1
	EL-202	Electrical Machines	2	1
	MTH-211	Complex Variables & Transforms	3	0
	ENG-201	Communication Skills	2	0
		Total	**13**	**02**

5th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	ES-304	Signals & Systems	3	1
	ES-314	Introduction to Embedded Systems	3	1
	SS-338	Sociology for Engineers	2	0
	EL-319	Power Electronics	3	1
	MTH-310	Numerical Methods	3	1
		Total	**14**	**04**

6th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	TL-385	Communication Systems	3	1
	ES-353	Control Systems	3	1
	ES-324	Probability and Random Signals	3	0
	ES-373	FPGA-Based System Design	3	1
	TL-397	Optoelectronics	2	1
		Total	**14**	**04**

7th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	TL-416	Computer Communication & Networking	3	1
	ES-413	Digital Control System	3	1
	ES-423	Embedded Systems Design	3	1
	ENG-401	Technical Report Writing & Presentation Skills	2	0
	ES-499	Electronic Engineering Project-1	0	3
		Total	**11**	**06**

8th Semester	Course Code	Subject Name	Credit Hours	
			Theory	Practical
	ES-451	Mechatronic Systems and Applications	3	0
	SS-411	Entrepreneurship	3	0
	ES-433	Digital Signal Processing	3	1
	CS-490	Artificial Intelligence	3	1
	ES-499	Electronic Engineering Project-2	0	3
		Total	**12**	**05**

8.4.5 Career Opportunities

An Electronic Engineer can find lucrative jobs in well reputed private and public sector organizations such as: PTCL, KE, SUPARCO, Fertilizer Industry, Petrochemical sector, CAA, WAPDA, Pharmaceutical companies, Research & Development Organizations, Mobile Operators and Telecom Sectors, Electric Utility companies (MEPCO, HESCO, SEPCO etc.), Petroleum companies (PPL, OMV), Manufacturing Industries (Engro, Lucky Cement, Nestle etc.) and various other national and multinational organizations.

8.5 Department of Mechanical Engineering

8.5.1 The Department

Mechanical Engineering emerged in the 19th century as a result of developments in the field of physics. The field has continually evolved to incorporate advancements in technology, and mechanical engineers today are pursuing developments in such fields as composites, mechatronics, and nanotechnology. Mechanical Engineering overlaps with aerospace engineering, metallurgical engineering, civil engineering, electrical engineering, petroleum engineering, manufacturing engineering, chemical engineering, and other engineering disciplines. Mechanical engineers may also work in the field of Biomedical engineering specifically with biomechanics, transport phenomena, bio-mechatronics, bio-nanotechnology, and modeling of biological systems, like soft tissue mechanics. To put it simply, Mechanical Engineering deals with anything that moves, including the human body, a very complex machine. Mechanical engineers learn about materials, solid and fluid mechanics, thermodynamics, heat transfer, control, instrumentation, design, and manufacturing to understand mechanical systems. Specialized Mechanical Engineering subjects include, cartilage-tissue engineering, energy conversion, and laser-assisted materials. The American Society of Mechanical Engineers (ASME) currently lists 36 technical divisions, from advanced energy systems and aerospace engineering to solid-waste engineering and textile engineering. Mechanical Engineering field requires an understanding of core concepts including mechanics, kinematics, thermodynamics, materials science, structural analysis, and electricity. Mechanical engineers use these core principles along with tools like computer-aided engineering, and product lifecycle management. These tools are used to design and analyze manufacturing plants, industrial equipment and machinery, heating and cooling systems, transport systems, aircraft, watercraft, robotics, and medical devices.

The Department of Mechanical Engineering, MUET, SZAB Campus Khairpur Mir's intends to become a hub of high-quality engineering education and research to produce skilled, innovative, entrepreneurial mechanical engineers who meet the ever-changing engineering demands. Mechanical Engineering Department, MUET, SZAB Campus Khairpur Mir's always strives hard to produce engineers and researchers with sound knowledge of traditional and emerging areas of engineering together with innovative design abilities to achieve sustainable national development. This department also intends to develop the skills of the students to make them among the globally competitive engineers and researchers by providing quality education and research facilities, organizing-conferences, seminars and workshops, the opening of students' chapter, and technical lectures

The courses of the program have been drawn from the curriculum guideline of HEC/PEC and duly approved by the Academic Council of the University.

Vision

Mechanical Engineering Department intends to become a hub of high-quality engineering education and Research so as to produce skilled, innovative, entrepreneurial mechanical engineers who meet the ever-changing engineering demands.

Mission

Mechanical Engineering program strives to produce engineers and researchers with sound knowledge of traditional and emerging areas of mechanical engineering together with the ability of having critical and innovative thinking and make them globally competitive.

Program Education Objectives (PEOs)

PEO 01 To produce graduates with clear concepts about fundamentals of Mechanical Engineering discipline and allied subjects.

PEO 02 To produce engineers with analytical and problem-solving abilities.

PEO 03 To produce responsible engineers with high level of professionalism and integrity.

PEO 04 To produce graduates with sound communication and leadership abilities along with the desire of continuously improving their knowledge and skills.

8.5.2 The Faculty

Chairman of the Department:
Prof. Dr. Hassan Ali Khan Durrani
Phone: 0243-715365 / **Ext.:** 7401

Professor:
Dr. Hassan Ali Khan Durrani
PhD, Pakistan.

Associate Professor:
Dr. Sadiq Ali Shah
PhD, United Kingdom.

Assistant Professors:
Dr. Muhammad Ali Abro
PhD, South Korea.

Dr. Mujeeb Iqbal Soomro
PhD, South Korea.

Dr. Aqeel Ahmed Bhutto
PhD, Malaysia.

Engr. Bilawal Ahmed Bhayo
M.E, Malaysia.

Engr. Ali Nawaz Sanjrani
ME, Pakistan.

Engr. Jahanzaib Soomro
M.E, Pakistan.
(On Study Leave)

Engr. Majid Ali Wassan
M.E, Malaysia.

Engr. Qadir Nawaz Shafiq
M.E, Pakistan.
(On Study Leave)

Lecturers:
Dr. Danish Ali Memon
PhD, Malaysia.

Dr. Zaheer Ahmed
PhD, Turkey.

Engr. Ali Anwar Brohi
(On Study Leave)

Engr. Aurangzaib Wadho
M.E, Pakistan.

Engr. Abdul Ahad Noohani
M.E, Pakistan.

Engr. Talib Hussain Ghoto
M.E, Pakistan.

Engr. Muhammad Haris Khan
M.E, Pakistan.

Engr. Awais Junejo
M.E, Pakistan.

8.5.3 Laboratory Facilities

Following labs are established in this department to cater the practical/ experimental requirements of the program offered:

1. Auto-Mobile Laboratory
2. Aerodynamics Laboratory
3. CAD/ CAM Laboratory
4. CNC Laboratory
5. Engineering Statics Laboratory
6. Fluid Mechanics Laboratory
7. Heat Transfer Laboratory
8. Heating Ventilation & Air Condoning Laboratory
9. Material Testing Laboratory
10. Mechanics of Machine Laboratory
11. Mechanical Vibrations Laboratory
12. Mechatronics Laboratory
13. Solar Energy Laboratory
14. Thermodynamics Laboratory
15. Fitting Shop
16. Machine Shop
17. Welding Shop
18. Wood Workshop

8.5.4 The Courses

	Course Codes	Name of Subject	Credit Hours	
			Theory	Practical
1st Semester	SS 111 / SS 104	Islamic Studies / Ethics	2	0
	(PS 106)	Pakistan Studies	2	0
	(MTH 108)	Applied Calculus	3	0
	(ME 102)	Engineering Drawing & Computer Graphics	2	2

8.5.5 Career Opportunities

The breadth of the Mechanical Engineering discipline allows graduates a variety of career options. Their education enables them with the creative thinking that allows them to design an exciting product or system, the analytical tools to achieve their design goals, the ability to overcome all constraints, and the teamwork needed to design, market, and produce a system.

Mechanical engineering graduates are sought by employers in almost all sectors of the engineering industry. These include:

- Aerospace industry – Research, Design, Manufacturing and Maintenance of Aerospace Equipment.
- Automotive industry – Designs, Manufactures, and Maintenance of Automobiles.
- Defense industry – Design Fabrication and Maintenance of Defense Equipment.
- Electronics industry – Design and Manufactures of components from automotive to medicine and military.
- Fast moving consumer goods industry – Manufacturing of products such as household cleaning items, personal hygiene goods and convenience foods.
- Marine industry – Design, Fabrication and Maintenance of Marine Systems.
- Materials and metals industry – Material Specimen Testing, Selection of Material, and Evaluation.
- Power Generation Industry- Operation, repair and maintenance of pressure vessel equipment.
- Rail industry – Design, Manufacturing and Maintenance of rail system components from trains and tracks to electrical power systems and train control system.

8.6 Department of Petroleum and Natural Gas Engineering

8.6.1 The Department

In recent years, Petroleum and Natural Gas Engineering has gained considerable importance due to the vital role of oil & gas sector in the economy of the country. Considering the fact that province of Sindh is very rich in oil and gas reserves and also plays an important role in country's energy development, consumption and economic growth, the **Department of Petroleum & Natural Gas Engineering** was established at the campus in the year 2010.

The department supported and equipped with highly qualified faculty and technical staff. Every faculty member is actively involved in research activities within their areas of interest either individually or in groups. The department is also supported by a strong system of committees. It has established various committees to facilitate students as well as to govern, manage and improve different functional aspects within the department. The basic motivation, behind the transformation of various Engineering Programs according to the Outcome Based Education (OBE) system, was the decision taken by PEC to make Pakistan a member of the Washington Accord (WA). In this regard, the department also commenced its journey towards OBE from 2017 and recently, K-F16 batch has been re-accredited under the Level-I. Up to now, eight undergraduate batches have successfully been graduated.

The key feature of the Department is to provide basis for better learning of theoretical concepts and up-to-date practical knowledge, for that the Department organizes oil/gas field visits along with internships (during summer vacation to the third and final year students) as per scheduling with industrial linkages and coordination of national and international oil and gas / Exploration & Production companies that operating in Pakistan.

The Department promotes technical and professional development/learning activities for which a platform is provided to the students that interconnects professionals and undergraduate students of the department. The fifth (in Pakistan) student chapter of Society of Petroleum Engineers (SPE)-Mehran University College of Engineering & Technology was established on March 25th 2012 at the department; with hardworking it has achieved the title of Golden student chapter in its following year soon after its establishment (i.e., 2014). The chapter has also achieved Student Chapter Excellence Award in 2019. Moreover, SPE chapter promotes and uphold the educational activities and creates healthy environment for young petroleum engineers to harness their strength and collaboration with the industry.

A good number of simulators are available at the Department that help the students in learning and understanding the conceptual models and behavior of simple to complex structure and phase behavior reservoirs, production and processing systems, and drilling engineering. This facility also provides strong basis for research development activities. In the recent years, the Campus management has arranged the software of Integrated Production Modeling (IPM) sponsored by Petroleum Experts Limited. The Department has arranged One Petro Subscription that is granted by One Petro grant program sponsored by the Society of Petroleum Engineers. Due to this facility all the faculty members, students and research/thesis groups can freely access One Petro sponsored e-publications; One Petro is worldwide one of the industry's largest online technical content library that allow to search and download more than 90,000 technical documents and publications from multiple professional societies/linkages. The seminar library (air-conditioned) also exists at the Department that contains more than 220 petroleum text books, thesis and monographs available for students to study with easy access.

Vision of the Department

The visionary approach of department is concentrated in petroleum and natural gas engineering education at international standard, technical achievements through research and producing competent engineers to serve petroleum industry at home and abroad.

Mission of the Program

The mission of Petroleum and Natural Gas Engineering Department is to provide student focused excellent teaching and educational environment that nurtures the intellectual and professional growth of students, who will become leading human resource in upstream / downstream petroleum industry.

Program Educational Objectives (PEOs)

The Program Educational Objectives (PEOs) were prepared by the OBE committee for Outcome Based Education implementation and approved through the DBoS, BoF and academic council. The PEOs of B.E. Petroleum & Natural Gas Engineering degree program are:

PEO-01: To produce dynamic petroleum graduates capable of practicing advanced knowledge to promote oil and gas industry.

PEO-02: To provide the leadership and communication skills to promote teamwork for strengthening the petroleum industry.

PEO-03: To provide quality research for innovative strategies to enhance environmentally sustainable oil and gas production to meet the global fuel demand.

8.6.2 The Faculty

Chairman of the Department:
Prof. Dr. Muhammad Yakoob Soomro
Phone: 0243-715364-65 / **Ext.:** 7601

Professor:

Prof. Dr. M. Yakoob Soomro
PhD, UK.
(On Contract**)**

Assistant Professors:

Dr. Asadullah Memon
PhD, China.

Dr. Bilal Shams Memon
PhD, China.

Engr. Imran Ali Memon
M.E, Pakistan.

Engr. Faisal Hussain Memon
M.E, Pakistan.

Engr. Ghulam Abbas Qambrani
M.E, Malaysia.

Lecturers:

Engr. Adnan Aftab Nizamani
M.Phil., Malaysia.

Engr. Abdul Samad Shaikh
M.E, Pakistan.

Engr. Sundar Sham Jeswani
M.E, Pakistan.

Engr. Shoaib Ahmed Memon
M.E, Pakistan.

Engr. Zaheer Hussain Zardari
M.E, Pakistan.

Eng. Waseem Mumtaz Kalwar
M.E, Pakistan.

Engr. Temoor Muther
M.E, Pakistan.
(On Study Leave)

Lab Engineers:

Engr. Abdul Wajid Shaikh
M.E, Pakistan.

Engr. Umaid Ali Uqaili
M.E, Pakistan.

Engr. Sohail Ahmed Shaikh
M.E, Pakistan.

Engr. Faheem Mumtaz Kalwar
B.E, Pakistan.

8.6.3 Laboratory Facilities

Well-equipped laboratories have been established to conduct experimental work and measuring rock properties, reservoir fluid properties, drilling fluid properties and interfacial properties. The computer labs feature software for reservoir simulation (Exodus V90 & Sendra), Drilling Engineering (Drilling & work over simulator) and Production Engineering (IPM suits).

The following Laboratories are available at the department:

1. Oil Testing Laboratory
2. Drilling and Production Laboratory
3. Reservoir Engineering Laboratory
4. Gas Engineering Laboratory
5. Core Analysis Laboratory
6. Petroleum Software Lab
7. General Computer Lab

8.6.4 The Courses

	Course Code	Subject Name	Credit Hours	
			Theory	Practical
1st Semester	PG-101	Fundamentals of Petroleum Engineering	3	0
	HU-101	Functional English	3	0
	PS-106	Pakistan Studies	2	0
	IS-111/ SS-104	Islamic Studies / Ethics	2	0
	MTH-108	Applied Calculus	3	0
	EL-112	Applied physics	3	1
		Total	**16**	**1**

	PG-491	Final Year Project	0	3
		Total	**11**	**5**

8.6.5 Career opportunities

A petroleum engineer is involved in nearly all of the stages of oil and gas field evaluation, development and production. The aim of their work is to maximize hydrocarbon recovery at minimum cost while maintaining a strong emphasis on reducing environmental impact. The various opportunities are available in oil and gas sector during the exploration, drilling and production phases. After graduation, our graduates will be able to work with national and multinational E&P and service companies such as OGDCL, PPL, Eni, OMV, UEP, Schlumberger and Weatherford.

8.7 Department of Software Engineering

8.7.1 The Department

Software Engineering is the field of technology, which is related to the application of theoretical approaches to the development, operation and maintenance of software. It is not only about the simple stereotypical knowledge of only writing code for programs. However, it is also the study of how these approaches work in the real world based on different factors and engineering them accordingly to reach the desired goals. Software Engineering is about creating the software that is of higher quality, more affordable, maintainable, and quicker to build.

Software Engineering is normally subdivided into the following sub-disciplines:

1. Software Requirement
2. Software Design
3. Software Development

Software Engineering is an important aspect of technology and it brings significant changes as well as be a major factor in future developmental periods of the world. The department offers undergraduate degree program i.e., B.E (Software Engineering), which provides in-depth knowledge of the subject, wherein students can develop all the skills regarding the design and implications of modern Software Engineering through integrated courses. The courses are revised from time-to-time keeping in view of the software needs of the emerging market at national & international level.

The department initially offers an undergraduate program. The courses of the program have been drawn from the curriculum guidelines of HEC/ PEC and duly approved by the Academic Council of the university.

8.7.2 The Faculty

In-charge Chairman of the Department:
Dr. Nouman Qadeer Soomro
Phone: 0243-715365 / **Ext.:** 7801

Assistant Professors:
Dr. Nouman Qadeer Soomro
PhD, China.

Lecturers:
Engr. Munazza Zaib
M.E, Pakistan (On Study Leave)

Engr. Muzamil Hussain
M.E, Pakistan.

Dr. M. Qasim Memon
PhD, China.

Engr. Sajida Raz Bhutto
M.E, Pakistan.
(On Study Leave)

Engr. Irfanullah Memon
M.S, Pakistan.
(On Study Leave)

Engr. Eman Shahid
M.E, Pakistan.

Engr. Qamar-U-Nisa Kamal
M.E, Pakistan.

Engr. Bakh Shaikh
M.S, Pakistan.

Engr. Soonh Taj
M.E, Pakistan.

Engr. Hafeez Babar
M.E, Pakistan.

Research Associates /Lecturers:

Engr. Nazia Pathan
M.E, Pakistan.

Engr. Sana Fatima
M.E, Pakistan.

Engr. Waqar Ahmed
M.E, (In Progress)

8.7.3 Laboratory Facilities

To meet the latest trends in software and hardware technology, the department has the following state-of-the-art laboratories. Where students are trained to meet the future needs of the technology.

1. Visual Informatics and Image Processing Laboratory
2. Software Quality Assurance and Testing Laboratory
3. Software Research and Development Laboratory
4. Data Warehousing and Management Laboratory
5. Parallel Programming and Cluster Computing Laboratory
6. Grid Research and Storage Management Laboratory
7. 3DModeling and Visualization Laboratory

8.7.4 The Courses

	Course Code	Subject Name	Credit Hours

8.7.5 Career Opportunities

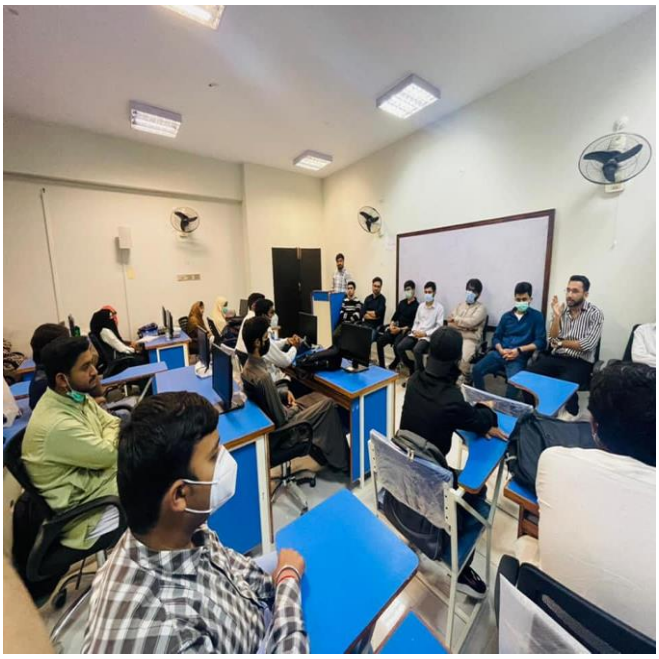
A Software Engineer can find lucrative jobs in well-reputed private and public sector organizations such as PTCL, K-Electric, Fertilizer Industry, Petrochemical sector, CAA, WAPDA, Pharmaceutical, Research Organizations, Mobile Operators, Software Houses, CAA, PSO, PPL, Telecom Sectors and various other national and multinational organizations. The employers of Software Engineers cover startup companies to established industry leaders.

Due to the emerging use of the internet, e-mail, communications systems, firms from electronics to engineering as they are traditionally associated with unrelated disciplines, that in turn, allows the software engineers hiring more and more in engineering firms specializing in building bridges and power plants. For example, software engineers designated in designing and developing advanced geographic data systems and automated drafting systems. Communication industries also require software engineers, which indeed help the personal communications market as well. The major communications companies have many job opportunities for both software engineers and computer systems engineers. A growing number of Software Engineers are also employed on a temporary or contract basis (with many being self-employed) who work on their own as consultants. Some of these consultants work for firms that specialize in the development and maintenance of Web sites and intranets of client companies.

A Software Engineering Degree will also open doors for careers in Research, Software Development, and Business analysis with companies such as Microsoft, Oracle, Systems Limited, Hewlett Packard Enterprise, and IBM.

By getting a degree in Software Engineering, graduates can work in any number of fields creating Video Games, developing Internet Applications, running Computer Networks or implementing Computer Security measures for an organization.

Career opportunities are not limited to technology. The problem-solving, innovative and personal skills you learn on this course will be sought after in many organizations.



9. RULES AND PROCEDURES FOR ADMISSION

A(I). For Engineering, B.Arch. and B.CRP Programs under Regular Scheme

9.1 Admission

(i) Admissions to the First Year for all the degree courses are made according to the policies and rules, framed by the authorities of the University from time to time. The rules mentioned in this prospectus are subject to revision by the competent authority as and when deemed necessary and without any notice. The number of seats has been fixed as shown in **Table-9.6.1**. There are other categories of candidates who are also eligible for admission, which are described in detail in the subsequent clauses.

(ii) The candidates who have been allowed admission previously with any batch by this University shall not be considered for fresh admission. Their admission forms, if received by the University shall be rejected without any notice and their admission will be cancelled at any stage later on. However, if any of the admitted students desires to seek admission in any discipline under Self-Financing Scheme or University Support Program, he/she may apply for the same for which he/she will be required to submit an undertaking on the stamp paper to the effect that he/she will not claim admission under Regular Scheme. Similarly, if any of the students admitted under SFS or USP, applies for admission under Regular Scheme, he/she may apply for the same for which he/she will be required to submit an undertaking on the stamp paper to the effect that if he/she is admitted in the desired discipline he/she will not claim the refund of the money whatsoever, he/she has paid with the previous batch.

(iii) The candidates who apply for admission on the basis of fake certificates/documents (detected before or after their admission) shall be prosecuted under criminal law and their admission shall be cancelled. Additionally, they may also be debarred for a period of three years for future admission and all payments made to the University shall be forfeited in favor of the University.

9.2 Eligibility for Admission

(i) The candidates who have passed their Higher Secondary School Certificate (HSC Part-II) Annual Examination of 2021 under Pre-Engineering Group or equivalent with Physics, Chemistry and Mathematics or have passed their HSC Part-II Annual Examination earlier up to 2018 under Pre-Engineering Group or equivalent with Physics, Chemistry and Mathematics and have secured at least 60% marks **(Grace marks shall not be considered)** from any recognized Board of Intermediate and Secondary Education in Pakistan or from foreign countries, are eligible to apply for admission.

In addition, the candidates who have passed their HSC Part-II Annual Examination of 2021 under General Science Group or equivalent and have passed their HSC Part-II Annual Examination earlier up to 2018 under General Science Group and have secured at least 60% marks **(Grace marks shall not be considered)** are also eligible to apply for admission only in Computer Systems Engineering, Software Engineering, Electronic Engineering and Telecommunication Engineering and they will not claim their admission in any other discipline.

The candidates who have passed their HSC Part-II Annual Examination of 2021 under Pre-Medical Group or have passed their HSC Part-II Annual Examination earlier up to 2018 under Pre-Medical Group **or equivalent** and have secured at least 60% marks **(Grace marks shall not be considered)** are eligible to apply for admission only in Bio-Medical Engineering and they will not claim their admission in any other discipline.

(ii) The candidates who have passed their HSC Part-II Annual Examination before 2018 under any of the above-mentioned groups or equivalent shall not be eligible to apply for admission. The provisional admission of all the candidates (admitted on the basis of SSC Part-II with Science

Group), who would not be able to secure 60% marks **(Grace marks shall not be considered)** in their HSC Part-II Annual Examination of 2021 under all groups, will be cancelled immediately and their tuition fee will be reimbursed in full without any deduction. Besides that, all the students of BS Programs of the University are eligible to apply for admission in any of the Engineering, B.Arch. and CRP Programs, if they meet the eligibility criteria under **Clause 9.2**.

(iii) The candidates who have passed their Diploma of Associate Engineer (DAE)* from any recognized Board of Technical Education in Pakistan (domicile as per **Category-B** of **Table-9.6.3**) in any approved discipline (i.e., Civil, Electrical, Mechanical, Electronics, Chemical, Glass & Ceramics, Petroleum and Architecture Technology) or have passed their DAE Annual Examination earlier up to 2018 **(their result must be declared at least 10 days before pre-admission test)** and have secured at least 60% marks **(Grace marks shall not be considered)** are also eligible to apply for admission under Category-B in the same discipline only under the Regular Scheme. The candidates who have passed their DAE before Annual Examination of 2018 shall not be eligible for admission.

* **Diploma of Associate Engineer (DAE)** is a three **years** post-secondary program of instruction in various **engineering** disciplines. It includes regular **studies** with classroom lectures, workshop assignments, laboratory experiments, industrial projects and industrial tours.

(iv) Those students, who were admitted to any other institutes/universities before applying for admission in Mehran University and were rusticated, debarred or their admissions were cancelled, shall not be considered for admission in the University. Additionally, if the students withhold information regarding such a disciplinary action and they were granted admission; their admission will be cancelled immediately after ascertaining such facts. Those candidates who have been convicted involving of moral turpitude shall also be refused admission in the University.

9.3 Admission Form

Call for admissions is advertised in the prominent newspapers of national and regional repute as well as on the University website **www.muet.edu.pk**. The candidates who intend to apply for admission must follow the guidelines mentioned on the Directorate of Admissions website **admissions.muet.edu.pk**. A valid email address is mandatory to complete the registration process. The candidates are required to deposit the admission processing fee in any branch of Habib Bank Ltd. The candidate has to upload the scanned copies of all the required documents and paid copy of bank challan as indicated. The Mehran University authorities after receipt of application and admission processing fee will email admit slips to candidates for pre-admission test. The candidate has to print the admit slip and bring the same on the day of pre-admission test along with original CNIC/B-Form. The appearance / passing in the pre-admission test does not mean the candidate is eligible for admission. The eligibility of candidate for admission is decided by the admission office of the University after scrutinizing the documents provided by the candidates. The eligibility criteria for admission are given here above in **Clause 9.2**. Since the admission form is a legal document, any wrong information provided therein or tampering it in any other way is illegal and may result in rejection of the form out rightly

9.4 Pre-Admission Test

In accordance with the policies adopted by the Federal as well as Provincial Governments, all the eligible candidates applying under all categories except nominees are required to appear in the Pre-admission Test organized by the University. Candidates having secured less than 40% score in the Pre-admission Test shall not be eligible for the admission in this University.

The final merit list of the candidates for each district/category is prepared by calculating their overall merit, based on the marks obtained in each of the following examinations, multiplying them with the respective weightage and adding the result to calculate the "Composite Percentage Number" (CPN*) as described below:

Sr. No.	Percentage of Marks in	Multiplying Weightage
A.	Secondary School Certificate - Matriculation:	**0.30**
B.	Pre-admission Test Score:	**0.70**

For example, if a candidate has secured 70% marks in SSC and 60% marks in Pre-admission Test; his / her CPN would be: **(70×0.3) + (60×0.7) = 21+ 42 = 63.0000**

* Adjusted marks means marks secured in HSC examination plus additional marks if any, as defined in **Clause 9.11**, minus marks to be deducted as defined in **Clause 9.12**.

* The CPN of the candidates on the merit list may be calculated with four digits after decimal point. The following steps may be taken, in case of tie of CPN even after exercising the above action:

i. The candidate having higher pre-admission test marks will be higher in merit.
ii. The candidate having higher HSC marks will be higher in merit.
iii. The candidate having higher SSC marks will be higher in merit.
iv. The candidate having higher HSC Math-II marks will be higher in merit.
v. The candidate having higher HSC Math-I marks will be higher in merit.

Note: All local / foreign nominees are required to submit the result of HEC, SAT, UETs, NUST, officially approved National / International Organization or other International-Level Test which they have passed for their admission purpose or appear in the Pre-admission Test of this University and clear the same. In case they do not clear the test, they would not be considered for admission at this University.

9.5 Interviews

After the receipt of the result of Pre-admission Test, a comprehensive merit list is prepared for each district/category and a number of candidates roughly equivalent to the reserved seats of concerned category is called for interview before the Admission Committee.

The candidates must be accompanied with his/her guardian declared in his/her admission form during interview. The interviews are held at Mehran University, Jamshoro on the dates as announced in the newspapers and also on MUET website: **www.muet.edu.pk**.

The candidates will also be required to bring their original documents as mentioned below for verification:

(i) Marks Certificate of SSC – (Matriculation).
(ii) Marks Certificate of HSC Part-II (Pre-Engg. / General Science / Pre-Medical Group - in case of change of group from Pre-Medical to Pre-Engg., marks certificate of Pre-Medical Group)*.
(iii) Marks Certificate of DAE (if applicable)
(iv) Domicile Certificate of candidate.
(v) PRC on 'C' Form of candidate.
(vi) National Identity Card / B-form (as applicable).
(vii) Medical Certificate on prescribed proforma**.
(viii) Undertaking Certificate on prescribed proforma**.

* The candidates whose result is not declared up to the date of interview are required to submit the same soon after the declaration of the result.

** Proformas can be downloaded from **www.admissions.muet.edu.pk**.

It is mandatory for the candidates to appear before the Admission Committee for interview. If any candidate fails to produce all or any of the above-mentioned documents, he / she shall not be allowed to appear in the interview and will be disqualified from the process of admission.

The admission in any of the disciplines shall be allowed on the day of interview; and if admitted, all the above original documents would be retained by the University for at least **one entire year**. The candidates are advised to keep a photocopy of all the documents with them. The candidate has to deposit the fees as mentioned in **Clause 9.21** at the time of interview.

9.6 Distribution of Seats

The distribution of seats for admissions is strictly made according to the rules framed for the purpose by the authorities of the University on population basis among the rural and urban areas for Hyderabad, Mirpurkhas, Larkana and Sukkur Divisions. Twenty-one (21) seats have also been reserved for the candidates of Karachi Division. The admission in various districts/ categories at Mehran University of Engineering & Technology, Jamshoro and Mehran University of Engineering & Technology, SZAB Campus, Khairpur Mirs' is given on quota basis for the urban and rural areas. However, the award of discipline shall be given on the interview day as per availability of seats of the district / category. Any saving from the urban areas seats of any district is given to the rural areas of the same districts and vice-versa. The number of seats allocated to each district, discipline and category at MUET, Jamshoro is given in **Table-9.6.1**, while the distribution of seats among urban and rural areas of Sindh Province is given in **Table-9.6.2** and the description of the seat under **Category-B** and **C** is given in **Table-9.6.3**.

The number of seats allocated to each district, discipline and category at MUET, SZAB Campus, Khairpur is given in **Table-9.6.4**, while the distribution of seats among urban and rural areas of Sindh Province is given in **Table-9.6.5**.

The distribution and description of discipline-wise extra seats reserved for nominees are given in **Table-9.6.6** and **Table-9.6.7**.

Table-9.6.1: Distribution of Seats Discipline-wise for various Districts, Disciplines and Categories at Mehran University of Engineering and Technology, Jamshoro.

Table-9.6.3: Description of Categories B and C of Candidates Seeking Admission.

Category	Description	Seats
(B)	Candidates who have passed Diploma of Associate Engineers (DAE) in Civil, Mechanical, Electrical from Government College of Technology/Polytechnic Institute/Govt. Habib College of Technology and are domiciled in the districts of **Categories A.3** and **A.4**. Candidates who have passed DAE in Electronics, Petroleum, Chemical/Glass & Ceramics and Architecture Technology from above mentioned colleges/ institutes and are domiciled in the districts of **Categories A.1**, **A.2**, **A.3** and **A.4.**	**13**
(C)	Real sons/daughters/brothers/sisters of Mehran University employees (serving or retired, deceased, on lien or working on deputation with other Institutions) shall be considered for admission to first year class against the reserved seats on the following criteria: i. First preference is given to real sons/daughters of employees who are confirmed in the University service and have at least three years continuous university service at their credit. ii. Second preference is given to real sons/daughters of employees who are not confirmed in the University service but have at least three years continuous university service at their credit. iii. Third preference is given to real brothers/sisters of employees who are confirmed in the University service and have at least three years continuous university service at their credit. iv. Fourth preference is given to real brothers/sisters of employees who are not confirmed in the University service and have at least three years continuous university service at their credit. v. Fifth preference is given to real sons/daughters of employees who are confirmed in the University service and have less than three years continuous university service at their credit. vi. Sixth preference is given to real sons/daughters of employees who are not confirmed in the University service and have less than three years continuous university service at their credit. vii. Seventh preference is given to real brothers/sisters of employees who are confirmed in the University service and have less than three years continuous university service at their credit. viii. Eighth preference is given to real brothers/sisters of employees who are not confirmed in the University service and have less than three years continuous university service at their credit. **Note:** ▪ The merit with regard to the **Category-C** is determined as per policy of the University. A copy of the appointment order, confirmation order and Affidavit regarding relationship of the candidate with the employee be attached with the admission form. ▪ The students of the University who had already availed MUE Quota (under **Category-C** of the Prospectus) shall not be eligible to apply again under the same quota in any program (BE or BS).	**44**

9.7 Designation of Urban Areas of Sindh Province

The Urban areas designated in each district are given below.

MUNICIPALITIES WITHIN DISTRICTS	
1 **Sukkur District** a) Sukkur Municipality b) Rohri Municipality	13 **Tando Muhammad Khan District** a) Tando M. Khan Municipality
2 **Ghotki District** a) Ghotki Municipality b) Mirpurmathelo Municipality	14 **Tando Allahyar District** a) Tando Allahyar Municipality
3 **Khairpur District** a) Khairpur Municipality b) Gambat Municipality c) Pirjogoth Municipality	15 **Dadu District** a) Dadu Municipality b) Mehar Municipality c) K.N. Shah Municipality
4 **Shaheed Benazirabad District** a) Nawabshah Municipality	16 **Jamshoro District** a) Kotri Municipality
5 **Naushahro Feroze District** a) Moro Municipality	17 **Thatta District** a) Thatta Municipality
6 **Larkana District** a) Larkana Municipality b) Ratodero Municipality c) Naudero Municipality	18. **Sujawal District** No Urban Areas
7 **Kambar Shahdadkot District** a) Shahdadkot Municipality b) Kambar Municipality	19 **Badin District** a) Badin Municipality b) Matli Municipality
8 **Shikarpur District** a) Shikarpur Municipality	20 **Mirpurkhas District** a) Mirpurkhas Municipality
9 **Jacobabad District** a) Jacobabad Municipality	21 **Umerkot District** No Urban Areas
10 **Kashmore District** a) Kandhkot Municipality	22 **Tharparkar District** No Urban Areas
11 **Hyderabad District** a) Hyderabad Municipality b) Tandojam Municipality	23 **Sanghar District** a) Sanghar Municipality b) Shahdadpur Municipality c) Tando Adam Municipality d) Sinjhoro Municipality
12 **Matiari District** a) Hala Municipality	24 **Karachi District** No Rural Areas

9.8. Award of Discipline

The award of discipline/technology is made on the day of interview. The candidates have to opt discipline/technology from their own respective districts/categories. However, if any candidate has applied in more than one category, he/she has to select/decide on any one of them on the day of interview. On the contrary, if he/she is not interested in any of them, he/she has to withdraw from admission in writing and his/her name shall be deleted from the list(s). The candidates shall have to pay the admission fees on the same day and obtain roll number accordingly.

The candidates who are selected but do not get the discipline of their choice they may give up to five (5) choices of their desired disciplines/technologies. They are considered on merit, in accordance with the order of their choices, for their desired discipline/technology if later on it becomes available.

The candidates who after selection cancel their given choices by exercising their retaining / freezing option of the system (freeze their selected discipline) but later on withdraw from their admission for any reason, they will not be entitled for refund of their paid fees.

9.9 Rectification of Mistakes

The Admission Merit Lists / Call Lists announced by the University are provisional and if any mistake is detected, it is rectified accordingly.

9.10 Admission of Candidates Who Fail to Deposit the Admission Fees on the Interview Day

If any of the candidates fails to deposit admission fees on the day of interview, his/her seat will be allotted to the following candidate on the merit list.

9.11 Additional Marks

The candidates, who have produced certificates of Hafiz-e-Quran on printed form from registered Madressahs and clear the test of Hifz taken by the University, are also considered to have additional 15 marks to be added to the marks of SSC Part-II.

9.12 Deduction of Marks Due to Gap in Education

In case of a gap or repetition of SSC / Diploma Examinations, the merit is determined as described below:

One percent of the aggregate marks is deducted for each gap of one academic year after Matriculation examination from the total marks of SSC/Diploma examination or equivalent for the purpose of determination of merit in each District/Category. This deduction is applicable whether the SSC/Diploma Examination had been repeated or the gap had occurred owing to any other reason.

9.13 Selection Procedure against various Categories

All the candidates who have applied for admission against the seats reserved under **Category-C** are considered first for admission against the seats reserved for their respective districts under **Category-A**. If a candidate who is selected against the district quota but does not get the discipline of his/her choice, his/her seat and discipline of that district may be transferred to the category applied for and he/she is given priority on merit basis in that category.

9.14 Closing of Admissions Process

The admissions process for the session is made up to the end of **FOURTH week** from the date of start of the classes. After this period, no new admissions are made. However, any change of discipline on merit is made up to seven (7) days after the closing date of admissions. The seats fallen vacant are not filled-up.

9.15 Transfer on Reciprocal Basis

There is a provision for transfer of students admitted in Mehran University with some other Institutions of Pakistan as described below:

Three candidates, two in Chemical Engineering and one in Civil Engineering having the domicile of **Categories-A.1** to **A.4** are nominated for admission in the *University of Engineering & Technology, Lahore,* on reciprocal basis.

One candidate in Civil Engineering having the domicile of **Categories-A.1** to **A.4** is nominated for admission in the *University of Engineering & Technology, Taxila* on reciprocal basis.

Three candidates, one in Civil Engineering, one in Mechanical Engineering and one in Architecture having the domicile of **Categories-A.1** to **A.4** are nominated for admission in the *University of Engineering & Technology, Peshawar, Khyber Pakhtunkhwa* on reciprocal basis. They are required to pay Rs. 38,000/- as educational expenses in addition to admission and other normal user charges at the time of admission in the University of Engineering & Technology, Peshawar, Khyber Pakhtunkhwa. Similarly, the nominees from the University of Engineering & Technology, Peshawar, Khyber Pakhtunkhwa on reciprocal basis are required to pay Rs. 38,000/- as educational expenses in addition to admission and other normal user changes at the time of admission in Mehran University of Engineering & Technology, Jamshoro.

The candidates desiring to be considered for this nomination are required to give their intent in writing at the time of interview. The final selection for this purpose is made by the Mehran University authorities as per merit. Similarly, the UET, Lahore is authorized to nominate three candidates, UET, Taxila is authorized to nominate one candidate and UET, Peshawar is authorized to nominate three candidates for admission in Mehran University in the same disciplines as mentioned above.

9.16 NOC and Study Leave Order for Candidates already in Service

The candidates who are already in service at the time of submission of admission form should attach NO OBJECTION CERTIFICATE from their employers for their admission. After selection to the First Year Class, they are required to submit study leave order and relieving order from their employers for study purpose at the University because the Bachelor's Degree Program is a regular full time and day program and no student admitted in this University is allowed to engage himself / herself in any employment during his/her studies.

9.17 Admission in any Other Institute

Being a full-time program of studies, no student of this University is allowed to enroll in any other full time or part time courses of studies in any other educational institution without prior permission of the authorities of the University. Violation of the above may lead to the cancellation of his / her admission.

9.18 Identity Card

The students, after getting admission at the University, are issued university smart identity cards by ICPC. It is necessary for the students to keep their valid identity cards with them while attending the classes, traveling in the point buses or staying on the campus.

9.19 Re-Admission Policy

Those students who are eligible for any semester of any year and remained absent from their classes and examinations for any reason, are considered for re-admission in the appropriate semester where they left their studies with the appropriate batch subject to application of other relevant rules by the Re-admission Committee, provided that their absence is not more than **two calendar years**. However, their attendance to determine their eligibility to appear in the semester examination is considered from the date of issuance of re-admission order. Such admissions may be made **within four weeks** from the date of start of classes of particular session.

9.20 Enrolment Card

Each student is required to enroll himself / herself in the University after the finalization of the discipline in the First Semester of First Year and obtain smart enrolment card accordingly. In case of failure, he/she is not allowed to appear in the examination of the First Semester of the First Year.

9.21 Fees

(1) Fees payable at the time of admission:

a)	Admission fee (Per Year)	14,000.00
b)	Subject Society / PERN fee (Per Year)	1,200.00
c)	Enrolment fee (Once)	1,000.00
d)	HSC Marks Certificate Verification fee (Once)	2,000.00
e)	Smart Identity Card fee (Once)	1,000.00
	Total:	**Rs. 19,200.00**

University Caution Money Deposit – Refundable (Once)* **Rs. 5,000.00**

* Refundable only after Completion of Degree Course, in case of cancellation of admission at any stage Caution Money will not be refunded.

(2) Fees and Charges payable at the start of each semester:

a)	Tuition fee (Per Semester)	14,000.00
b)	Games fee (Per Semester)	500.00
c)	Development charges (Per Semester)	1,000.00
d)	Examinations fee - for Regular Examinations (Per Semester)	2,000.00
e)	Transport charges (Per Semester)	5,000.00
	Total:	**Rs. 22,500.00**

(3) Fees payable at the time of hostel allotment:

a)	Admission fee (Once)	5,000.00
b)	Allotment Processing fee (Once)	500.00
	Total:	**Rs. 5,500.00**

Room Deposit – Refundable (Once) **Rs. 2,500.00**

(4) Fees to be charged at the start of each semester (For Boarders):

a)	Hostel Identity Card fee (Per Semester)	200.00
b)	Room charges (Per Semester)	6,000.00
c)	Medical charges (Per Semester)	500.00
d)	Sports charges (Per Semester)	500.00
e)	Utility charges (Per Semester)	2,000.00
	Total:	**Rs. 9,200.00**

Note: The foreign students are charged USD 1,000.00 per year (USD 500.00 per semester) as room charges. The other fees are the same as given above.

A(II). For Engineering, B.Arch. and B.CRP Programs under Self Financing Scheme

9.22 Admission

The admission under Self-Financing Scheme is made on the basis of district quota as per **Table-9.22 (a)** and **(b)** at Mehran University of Engineering & Technology, Jamshoro and Mehran University of Engineering & Technology, SZAB Campus, Khairpur Mirs' respectively and further explained in **Clause 9.1** of Regular Scheme.

The saving seats are filled up on overall open merit basis of the Province of Sindh. Following rules have been framed for admissions under the Self-Financing Scheme. These rules are subject to revision by the competent authorities of the University at any time and without any prior notice.

9.22.1 Eligibility for Admission

The eligible candidates under Self Financing Scheme should have:

i. Secured at least 60% marks in the HSC Part-II (Pre-Engineering Group for all disciplines) or (General Science Group for only four disciplines viz. Computer Systems Engineering, Software Engineering, Electronics Engineering and Telecommunication Engineering) or (Pre-Medical Group for only one discipline, i.e., Bio-Medical Engineering) or equivalent as recognized by the University and further explained in **Clause 9.2** under Regular Scheme.

ii. Appeared in Pre-admission Test and secured at least 40% score.

iii. Produced domicile of Sindh Province.

9.22.2 Pre-admission Test

As prescribed in **Clause 9.4** under Regular Scheme.

9.22.3 Interviews

As prescribed in **Clause 9.5** under Regular Scheme.

9.22.4 Available Seats

Under this scheme the disciplines have been distributed in three categories, i.e., **Category-I**, **Category-II** and **Category-III** as mentioned below:

The number of seats for each discipline is reserved on district basis and given in **Table-9.22(a)** and **Table-9.22(b)**.

Category-I

a. Civil Engineering
b. Electrical Engineering
c. Mechanical Engineering
d. Computer Systems Engineering
e. Software Engineering
f. Civil Engineering (at Khairpur Mirs')

Category-II

1. Electronics Engineering
2. Mechatronics Engineering
3. Electrical Engineering (at Khairpur Mirs')
4. Mechanical Engineering (at Khairpur Mirs')

Category-III

1. Petroleum & Natural Gas Engineering
2. Environmental Engineering
3. Chemical Engineering
4. Industrial Engineering & Management
5. Textile Engineering
6. Architecture
7. Bio-Medical Engineering
8. Telecommunication Engineering
9. City & Regional Planning

9.22.5 Admission fee under Self-Financing Scheme

Following fees are payable to the University by the candidates applying for admission under Self-Financing Scheme:

Category-I

Admission fee of Rs. 900,000/- (Rupees Nine Hundred Thousand Only) + Applicable Tax *currently 5%** (Total Rs. 945,000/-) in the form of Demand Draft prepared by any branch of Bank, in favor of "Director Finance, Mehran University of Engineering & Technology, Jamshoro". The draft in original must be submitted in the office of Director Admissions, MUET, Jamshoro before closing date.

Category-II

Admission fee of Rs. 700,000/- (Rupees Seven Hundred Thousand Only) + Applicable Tax *currently 5%** (Total Rs. 735,000/-) in the form of Demand Draft prepared by any branch of Bank, in favor of "Director Finance, Mehran University of Engineering & Technology, Jamshoro". The draft in original must be submitted in the office of Director Admissions, MUET, Jamshoro before closing date.

Category-III

Admission fee of Rs. 400,000/- (Rupees Four Hundred Thousand Only) + Applicable Tax *currently 5%** (Total Rs. 420,000/-) in the form of Demand Draft prepared by any branch of Bank, in favor of "Director Finance, Mehran University of Engineering & Technology, Jamshoro". The draft in original must be submitted in the office of Director Admissions, MUET, Jamshoro before closing date.

All other fees as payable under regular scheme shall also be payable after the admission has been granted to the candidate under this scheme.

***** **Advance Tax on payment of fee to Educational Institutions (Section 2361)**
As per newly inserted **Section 2361** every educational institution is required to collect advance income tax at the rate of 5% on the amount of fee paid to an educational institution. The person responsible for preparing monthly, bimonthly or quarterly fee voucher or challan shall also charge withholding tax in case the fee exceeds Two Hundred Thousand Rupees annually.

9.23 Admissions under University Support Program (USP)

For this scheme **62** seats in Civil, 10 seats in Electrical and 13 seats in Software Engineering disciplines have been reserved for the candidates having the domicile of Sindh Province as shown in **Table-9.23**. The basic requirement for admission is the same as approved for admission under Regular Scheme. For Civil Engineering the candidates are required to pay Rs. 1,600,000/- (Rupees One Million Six Hundred Thousand Only) + Applicable Tax *currently 5%* (Total Rs. 1,680,000/-), whereas for Electrical and Software Engineering, the candidates are required to pay Rs. 1,400,000/- (Rupees One Million Four Hundred Thousand Only - once) + Applicable Tax *currently 5%* (Total Rs. 1,470,000/-) in the form of Demand Draft prepared by any branch bank, in favor of "Director Finance, Mehran University of Engineering & Technology, Jamshoro". The draft in original must be submitted in the office of Director Admissions, MUET, Jamshoro before closing date. All other fees as payable under regular scheme shall also be payable after the admission has been granted to the candidate under this scheme.

	Umerkot	03			
	Tharparkar	03			
	Sanghar	03			
A-5	**Karachi**	02	00*	00*	02
	Total Seats	**62**	**10***	**13***	**85**

* Seats reserved for respective divisions.

The refund of admission fee is only allowed to every unsuccessful/withdrawing* candidate who has applied for admission under Self-Financing Scheme and University Support Program through special cross cheque mentioning the name of refundee with bank account, the name of bank and branch. Therefore, in case of refund of the fee candidates are required to download the fee refund application proforma (from **admissions.muet.edu.pk**), fill-in and submit the same at Directorate of Admissions.

* Conditions apply as mentioned in **Clause 9.27**.

9.24 Admissions of Foreign Candidates under Self-Financing Scheme at Mehran University of Engineering & Technology, Jamshoro.

Maximum five (5) seats in each discipline are reserved for foreign candidates at main campus under this Self-Financing Scheme who are otherwise eligible for admission as described in **Clause 9.22.4**. The foreign candidates must apply for admission through their Embassies, via Higher Education Commission, Islamabad.

The foreign candidates are required to pay admission fee in US$ 13,000/- (Dollars Thirteen Thousand Only) along with the admission form. They are also charged the usual fees as payable by other students under regular scheme.

The saving seats, if any, may be allocated to the candidates of Sindh Province under University Support Program (USP) on open merit.

9.25 Admission of Overseas Pakistani Candidates under Self-Financing Scheme at Mehran University of Engineering & Technology, Jamshoro.

Maximum five (5) seats in each discipline are reserved for Overseas Pakistani Candidates under this Self-Financing Scheme who are otherwise eligible for admission. They are required to pay admission fee ~~in~~ of US$ 13,000/- (Dollars Thirteen Thousand Only) along with the admission form. They will also be charged the usual fees as payable by other students.

The saving seats of the above Self-Financing Schemes, if any, may be allocated to the candidates of Sindh Province under University Support Program (USP) on open merit.

9.26 Admission of Candidates from Azad Jammu & Kashmir under Self-Financing Scheme at Mehran University of Engineering & Technology, Jamshoro.

Maximum ten (10) seats in the following disciplines are reserved for the candidates domiciled in Azad Jammu and Kashmir under this Self-Financing Scheme:

Sr. No.	Name of Technology	Number of Seat Allocated
1.	Civil Engineering	2 seats
2.	Electrical Engineering	1 seat
3.	Mechanical Engineering	1 seat
4.	Computer System Engineering	1 seat
5.	Telecommunication Engineering	1 seat
6.	Software Engineering	1 seat
7.	Architecture	1 seat
8.	City & Regional Planning	1 seat
9.	Environmental Engineering	1 seat
	Total Seats	**10 seats**

The candidates are required to apply directly to the Directorate of Admissions in response to the advertisement. All the other conditions concerning eligibility and fees are same as described in **Clauses 9.2** and **9.22.5** also apply.

The saving seats of the above scheme, if any, may be allocated to the candidates of Sindh Province under Self-Financing Scheme (SFS) on open merit.

9.27 Other Information

- Admission fee is payable once in the beginning of every year.
- Candidates once admitted under these schemes shall not be allowed to change the discipline unless ~~except~~ the seats in the desired disciplines are available.
- The University follows the National Level Fee Refund Policy at Higher Education Institutions of Pakistan which is as under:

% of Tuition Fee	Timeline for Semester
Full 100% fee refund	Up to 7th day of convene of classes
Half 50% fee refund	Up to 15th day of convene of classes
No Refund 0%	From 16th day of convene of classes.

- The candidates applying under these schemes is also considered for admission under Regular Scheme, if they are in merit against their districts.

- The University also follows the Fee Refund Policy for the students admitted against Self-Financing Scheme which is as under:

% of Self-Finance Fee	Timeline for Refund
20% Penalty	Up to 7th day of convene of classes
40% Penalty	From 8th to 15th day of convene of classes
100% Penalty – No Refund	From 16th day of convene of classes.

9.28 Migration / Transfer

- Migration is only allowed to and from any Public Sector University accredited by PEC and Foreign University recognized by Higher Education Commissions (HEC).

- Migration / Transfer is not allowed to the students in the first and final years with less than 50% Credit Hours required for the degree.

- Migration / Transfer is not allowed to the students admitted on reciprocal basis.

- Migration / Transfer is allowed only in the cases of extreme hardship for the students or if it is considered in the best interest of the University by the competent authority. The decision of the University is final and binding in this regard.

- The students failing in previous semesters (i.e., less than 50% marks) shall not be eligible for admission on migration / transfer basis.

- The migration / transfer of the local students would be allowed on the payment of Rs. 800,000/- (Rupees Eight Hundred Thousand Only) + Applicable Tax *currently 5%* (Total Rs. 840,000/-) to the Mehran University; while foreign students would be required to pay Rs. 1,200,000/- (Rupees One Million Two Hundred Thousand Only) + Applicable Tax *currently* 5% (Total Rs. 1,260,000/-) as migration fee. The nominees are required to submit NO OBJECTION CERTIFICATE (NOC) of the nominating agency.

- Admission on migration basis is made up to fourth week of the start of the classes of particular session.

B. BS Programs

9.29 Admission

As prescribed in **Clause 9.1** under Regular Scheme.

9.30 Eligibility for Admission

(i) The candidates who have passed their Higher Secondary School Certificate (HSC Part-II) Annual Examination of 2021 under any of the following group or equivalent ~~and~~ or have passed their HSC Part-II Annual Examination earlier up to 2018 and have secured at least 60% marks **(Grace marks shall not be considered)** from any recognized Board of Intermediate and Secondary Education in Pakistan or from foreign countries, are ~~only~~ eligible to apply for admission in the disciplines mentioned against them in the table given below. Besides that, all the students of Engineering, B.Arch. and CRP Programs of the University can also apply for admission in any of BS programs, if they meet the eligibility criteria under **Clause 9.30.**

Name of Degree Program	Name of Group of Studies Eligibility for Admission
Bachelor of Science in Mathematics.	• Pre-Engineering Group. • General Science Group.
Bachelor of Computer Science.	• Pre-Engineering Group. • General Science Group.
Bachelor of Science in Garment Manufacturing.	• Pre-Engineering Group. • Pre-Medical Group. • General Science Group. • DAE in Garments, Textile Dyeing and Printing, Textile Weaving and Textile Spinning Technologies from any recognized Board of Technical Education in Pakistan.
Bachelor of Business Administration.	• Pre-Engineering Group. • Pre-Medical Group. • General Science Group. • Commerce Group.
Bachelor of Studies in English.	• All groups.
Bachelor of Science in Environmental Science.	• Pre-Engineering Group. • Pre-Medical Group.

(ii) The candidates who have passed the above examinations or equivalent before Annual Examination 2018 shall not be eligible for admission. The provisional admission of any candidate, who would be unable to secure 60% or above marks in his / her Intermediate (HSC Part-II) will be cancelled immediately and his / her tuition fee will be reimbursed in full without deduction.

(iii) Those students, who were admitted to any other institutes / universities before applying for admission in Mehran University and were rusticated, debarred or their admissions were cancelled, shall not be considered for admission in the University. Additionally, if the students withhold information regarding such a disciplinary action and they were granted admission; their admission will be cancelled immediately after ascertaining such facts. Those candidates who have been convicted involving moral turpitude shall also be refused admission in the University. Since the admission form is a legal document, any wrong information provided therein or tampering it in any other way is illegal and may result in rejection of the form out rightly.

9.31 Admission Form

As prescribed in **Clause 9.3** under Regular Scheme.

9.32 Pre-Admission Test

As prescribed in **Clause 9.4** under Regular Scheme.

9.33 Interviews

After the receipt of the result of Pre-admission Test, a comprehensive merit list is prepared for each district/category and a number of candidates roughly equivalent to the reserved seats of concerned category are called for interview before the Admission Committee.

The candidates must be accompanied with his/her guardian declared in his/her admission form during interview. The interviews are held at Mehran University, Jamshoro on the dates as announced in the newspapers and also on MUET website: **www.muet.edu.pk**.

The candidates will also be required to bring their original documents as mentioned below for verification:

(i) Marks Certificate of SSC – (Matriculation).
(ii) Marks Certificate of HSC Part-II (relevant to the BS program applied for as per **Clause 9.30**)*.
(iii) Marks Certificate of DAE (if applicable)
(iv) Domicile Certificate of candidate.
(v) PRC on 'C' Form of candidate.
(vi) National Identity Card / B-form (as applicable).
(vii) Medical Certificate on prescribed proforma**.
(viii) Undertaking Certificate on prescribed proforma**.

* The candidates whose result is not declared up to the date of interview are required to submit the same soon after the declaration of the result.

** Proformas can be downloaded from **www.admissions.muet.edu.pk**.

It is mandatory for the candidates to appear before the Admission Committee for interview. If any candidate fails to produce all or any of the above-mentioned documents, he / she shall not be allowed to appear in the interview and will be disqualified from the process of admission.

The admission in any of the disciplines shall be allowed on the day of interview; and if admitted, all the above original documents would be retained by the University for at least **one entire year**. The candidates are advised to keep a photocopy of all the documents with them. The candidate has to deposit the fees as mentioned in **Clause 9.21** at the time of interview.

9.34 Distribution of Seats

The distribution of seats for admission are strictly made according to the rules framed for the purpose by the authorities of the University on population basis among the rural and urban areas for the Hyderabad, Mirpurkhas, Larkana and Sukkur Divisions. Five (5) seats have also been reserved for the candidates of Karachi Division. The admission is given on quota basis among various districts/ categories at Mehran University of Engineering & Technology, Jamshoro. However, the award of discipline shall be given on the interview day as per availability of seats of the district / category. Any saving seats from any district are given on open merit basis. The number of seats allocated to each district in various disciplines is given in the **Table 9.34.1** and the description of the seat under **Category-B** and **C** is given in **Table-9.34.2**.

Table-9.34.1: Distribution of Seats Discipline-wise for various Districts, Disciplines and Categories at Mehran University of Engineering & Technology, Jamshoro.

BBA Bachelor of Business Administration.
BSC Bachelor of Computer Science
BSM Bachelor of Science in Mathematics.
BSGM Bachelor of Science in Garment Manufacturing
BSE Bachelor of Studies in English.
BSES Bachelor of Science in Environmental Sciences

***** The students of the University who have been selected on MUE Quota (under **Category-C** of the Prospectus) shall not be eligible to apply again in any program (BE or BS) of the University under MUE Quota.

Table-9.34.2: Description of Categories B and C of Candidates Seeking Admission.

Category	Description	Seats
(B)	Candidates who have passed Diploma of Associate Engineers (DAE) in Garments, Textile Dyeing and Printing, Textile Weaving and Textile Spinning Technologies from any recognized Board of Technical Education in Pakistan are domiciled in all districts of Sindh Province.	**5**

(C)	Real sons/daughters/brothers/sisters of Mehran University employees (serving or retired, deceased, on lien or working on deputation with other Institutions) shall be considered for admission to first year class against the reserved seats on the following criteria: ix. First preference is given to real sons/daughters of employees who are confirmed in the University service and have at least three years continuous university service at their credit. x. Second preference is given to real sons/daughters of employees who are not confirmed in the University service but have at least three years continuous university service at their credit. xi. Third preference is given to real brothers/sisters of employees who are confirmed in the University service and have at least three years continuous university service at their credit. xii. Fourth preference is given to real brothers/sisters of employees who are not confirmed in the University service and have at least three years continuous university service at their credit. xiii. Fifth preference is given to real sons/daughters of employees who are confirmed in the University service and have less than three years continuous university service at their credit. xiv. Sixth preference is given to real sons/daughters of employees who are not confirmed in the University service and have less than three years continuous university service at their credit. xv. Seventh preference is given to real brothers/sisters of employees who are confirmed in the University service and have less than three years continuous university service at their credit. xvi. Eighth preference is given to real brothers/sisters of employees who are not confirmed in the University service and have less than three years continuous university service at their credit. **Note:** ▪ The merit with regard to the **Category-C** is determined as per policy of the University. A copy of the appointment order, confirmation order and Affidavit regarding relationship of the candidate with the employee be attached with the admission form. ▪ The students of the University who had already availed MUE Quota (under **Category-C** of the Prospectus) shall not be eligible to apply again under the same quota in any program (BE or BS).	**6**
	Total Seats (B+C)	**11**

9.35 Award of Discipline

As prescribed in **Clause 9.8** under Regular Scheme. Whereas, the saving seats of the above scheme, if any, may be allocated to the candidates of Sindh Province on open merit.

9.36 Rectification of Mistakes

As prescribed in **Clause 9.9** under Regular Scheme.

9.37 Admission of Candidates Who Fail to Deposit the Admission Fees on the Interview Day

As prescribed in **Clause 9.10** under Regular Scheme.

9.38 Additional Marks

As prescribed in **Clause 9.11** under Regular Scheme.

9.39 Deduction of Marks Due to Gap in Education

As prescribed in **Clause 9.12** under Regular Scheme.

9.40 Selection Procedure against Various Categories

As prescribed in **Clause 9.13** under Regular Scheme

9.41 Closing of Admissions Process

As prescribed in **Clause 9.14** under Regular Scheme

9.42 NOC and Study Leave Order for Candidates already in Service

As prescribed in **Clause 9.16** under Regular Scheme

9.43 Admission in any Other Institute

As prescribed in **Clause 9.17** under Regular Scheme

9.44 Identity Card

As prescribed in **Clause 9.18** under Regular Scheme

9.45 Re-Admission Policy

As prescribed in **Clause 9.19** under Regular Scheme

9.46 Enrolment Card

As prescribed in **Clause 9.20** under Regular Scheme

9.47 Roll Numbers

The roll numbers assigned to the successful candidates shall be as under:

i.	21BBA	iv.	21BSC
ii.	21BSM	v.	21BSGM
iii.	21BSE	vi.	21BSES

9.48 Fees

FEES PAYABLE AT THE TIME OF ADMISSION:

Sr. No.	Description	Amount
a).	Admission Fee (Per Year)	20,000
b).	Tuition Fee (Per Quarter)*	30,000
c).	Marks Certificate Verification Fee (Once)	2,000
d).	Enrollment Card Fee (Once)	1,000
e).	Smart Identity Card Fee (Once)	1,000
	Total Fee Payable:	**54,000**
	University Caution Money Deposit – Refundable (Once)**	**5,000.00**

* Tuition fee and other package fee per month is Rs. 10,000 which is payable quarterly (10,000 x 3 = 30,000). The deserving students are provided financial support for the payment of tuition fee.

** Refundable only after Completion of Degree Course, in case of cancellation of admission at any stage Caution Money will not be refunded.

Note: Examinations or any other fee, if applicable will be charged as per existing other undergraduate programs.

10. Regulations for Semester System

MEHRAN UNIVERSITY
OF
ENGINEERING AND TECHNOLOGY

Regulations (Revised) regarding **the General Scheme of Studies for the Bachelor's Degree Programs (including B.E, B.Arch., B.CRP., BS and BBA)** of the Mehran University of Engineering and Technology, under Section 47(1) (n) of the Act 1977.

1. **Short Title.** These Regulations may be called the Mehran University of Engineering and Technology Bachelor of Degree Courses Regulations 2019, repealing such regulations framed by the University authorities (if any).

2. These Regulations shall be subject to the Mehran University of Engineering and Technology General scheme of Studies for the Bachelor's degree courses Statutes 2012.

3. **Commencement.** These Regulations shall be deemed to have come into force with effect from **19-Batch.**

4. **Definitions.** In these Regulations unless otherwise expressly stated,

i. "University" means the Mehran University of Engineering and Technology, Jamshoro.
ii. "Academic Year" means the Academic Year of the University.
iii. "Spring / Fall Semester" means a Period of 21 weeks out of an academic year for teaching and evaluation and /or guidance of the students of the University.
iv. "Summer Semester" means a Period of 08 weeks out of an academic year for teaching and evaluation and /or guidance of the students of the University.
v. "Vice-Chancellor", "Pro Vice Chancellor", "Dean", "Director", "Chairman / Chairperson" "Teacher" and "Controller of Examinations" means respectively the Vice-Chancellor, the Pro Vice Chancellor, the Dean of Faculty, the Director of Institute, the Chairman/ Chairperson of Teaching Department, the Teacher and the Controller of Examinations of the University.
vi. "Departmental Committee". Each Department/ Institute will have a Departmental Committee consisting of three senior most teachers of the Department / Institute including Chairman/ Chairperson / Director as convener.
vii. "Credit Hours (C.H.)" have been defined in section 6.
viii. "Quality Point (Q.P.), Grade Point Average (G. P.A.), and "Cumulative Grade Point Average (C.G. P.A.) has been defined in section 17.

Approved by Academic Council in its 95th Special meeting held on 30th July, 2019, vide resolution No.95.2 and approved by the Syndicate in its 148th meeting held on 30thAugust, 2019, vide Resolution No.148.8 (iii).

5. Undergraduate Structure of Bachelor's Degree Course in Engineering, City & Regional Planning, Architecture, Business Administration, Mathematics, Computer Science and English is given below Table 5.1

Table-5.1

Total No. of Credit Hrs. (Minimum)	124
Total No. of Credit Hrs. (Maximum)	140
Semester Duration	Minimum of 16 weeks of teaching excluding examinations
Course Duration	Minimum of 8 semesters Maximum time limit of 6 years, further extendable for one year with the approval of Statutory Bodies

Summer Session	For deficiency / failure, repetition of courses up to 9 credit hours (08 Weeks duration)
Course Load per Fall/Spring Semester for Regular Full-Time Students	15-18 Credit Hours (In special cases 15 - 19 Credit Hours)
Minimum of 160 and Maximum 180- Credit hours for 5-year degree program	

6. Credit hours for undergraduate degrees

6.1 A credit hour means teaching/learning a theory course for one hour each week throughout the semester.

6.2 One credit hour in laboratory or practical work/project would require lab contact of three hours per week throughout the semester.

6.3 The credit hours are denoted by two digits within brackets with a plus in between. The first digit represents the theory part while the second (right side) digit represents the practical. Below Table 6.1 gives the possible distribution of Theory and Practical Credit hours.

Table 6.1 Distribution of Theory and Practical Credit Hours

Credit Hours	Distribution in Theory and Practical Hours
01	(0+1)
02	(2+0) / (0 + 2)
03	(3+0) / (2 + 1) / (0 + 3)
04	(3+1) / (0 + 4)

7. Course layout for undergraduate students

7.1 All undergraduate degree programs are composed of 124-140 Credit Hours in which 124 represents the minimum and 140 represents the maximum credit hours required to be completed.

7.2 5-year undergraduate degree program (Bachelor of Architecture) is composed of 160-180 Credit Hours in which 160 represents the minimum and 180 represents the maximum credit hours required to be completed, subject to meeting the requirements of the respective Accreditation Councils.

7.3 For Engineering Programs:

The courses for the Engineering programs will consist of 65 – 70 % of curriculum towards the discipline specific areas of concentration as required by Accreditation council. Non-Engineering courses will be of 30 – 35 %.

For Social and Basic Sciences:
The courses for Social and Basic Sciences disciplines will consist of 60-65% of curriculum towards the discipline specific areas and 35-40% minor/elective

7.4 Project: Every student should write a thesis project report / Business Plan in the final year, of 06 credit hours individually on an approved research.
[to be adopted from F-16 Batch, max. 03 students in a group, further review will be made to reduce the no. of student].

7.5 **Internship:** Students should be encouraged to do internship in industry/ research/ business organization.

8 Fall / Spring Semester

8.1 There will be two regular semesters (Fall, Spring) in an academic year. Following is the breakup:

i.	Teaching duration of Fall semester	16 Weeks
ii.	Conduct of Mid Semester Exam	01 Week
iii.	Preparation of final Fall Semester Exam	01 Week
iv.	Conduct of final Fall Semester Exam	02 Weeks
v.	Semester Break	01 Week
vi.	Teaching duration of Spring Semester	16 Weeks
vii.	Conduct of Mid Semester Exam	01 Weeks
viii.	Preparation of final Spring Semester Exam	01 Week
ix.	Conduct of final Spring Semester Exam	02 Weeks
x.	Semester Break	01 Week
xi.	Summer Break / Summer Semester	08 Weeks
xii.	Winter Break	02 Weeks
		Total: 52 Weeks

9 Summer Semester

9.1 Summer semester will be offered as an optional semester of 08 weeks duration. Students will be offered courses to remove deficiencies and can register up to 09 credit hours for summer semester.

9.2 Moreover, a student who has either failed or has been stopped to take the examination due to shortage of class attendance or wishes to improve his/her grade is allowed to register in summer semester.

9.3 The contact hours per week during the Summer Semester will be doubled to ensure that the course is completely taught in a summer session with half of the duration as compared to a regular (Fall/Spring) semester.

9.4 All the qualifying rules for Fall / Spring semester will be applicable to summer semester.

9.5 There will be no supplementary / special examination after the adoption of summer semester (for the batch with which it is going to be adopted).

9.6 The course in summer semester will be offered with the minimum course registration of 05 students (where intact of students is small, minimum course registration should be 50 % failure students)

10 Academic Calendar

10.1 The calendar will include the following information: to be adopted from next academic year.

a. Date of start of classes
b. Conduct of mid semester
c. Date of suspension of classes
d. Schedule of examination
e. Display of sessional marks
f. Examination preparation up to
g. Conduct of final semester exam
h. Announcement of results
e. Mark sheet / Transcript issues dates.

The academic calendar will be prepared for Fall semester and Spring semester of each academic year.

10.2 In case a university is closed due to unusual circumstances, then makeup classes must be arranged converting weekends or holidays or evening classes to working days or evening classes to cover the lapsed period of the students**.**

11 Withdrawal of Courses from Fall / Spring Semester

11.1 Students may be allowed to withdraw from a course during first 6 week of the semester. In such a case the transcript shall record that the student enrolled in the course and withdrew. Consequently, grade W will be awarded to the student which shall have no impact on the calculation of the CGPA of the student**.**

11.2 A student withdrawing after the 6th week shall be automatically awarded "F" grade which shall count in the GPA and stay on the transcript.

12 Repeating courses / improvement of CGPA

12.1 If a student gets 'F' grade, she/he will be required to repeat the course. However, "F" grade obtained earlier will also be recorded on the transcript.

12.2 Undergraduate students may be allowed to repeat a course in which she/he has obtained grade "C" & below. In such a case both the previous and new grade obtained will be recorded on the transcript, however, only the better grade shall be used in the calculation of CGPA.

12.3 In case of CGPA improvement, it would be recorded with (Imp) on the transcript.

13 Attendance

Minimum 75 % attendance in a course is required to appear in the examination of that course. (Condonation may be limited to 70%)

14 Examination

14.1 In each semester, students may be required to appear in quizzes, tests, mid semester, final semester examinations, presentations (individual/group), group discussion, and submit projects/ assignments/ lab reports etc. These assessment marks (to be determined by the teacher concerned) will have different weightage contributing towards the overall assessment in percent marks.

This weight age may be determined on the basis of following table:

THEORY

Sr. No.	Description	Theory of Maximum 100 marks	Theory of Maximum 50 marks
i.	Quizzes / Test(s)	**10**	**05**
ii.	Assignments / Project / Presentation	**10**	**05**
iii.	Mid Semester Exam: (with No Option)	**20**	**10**
iv.	Final Semester Exam:	**60**	**30**
	Total Marks	**100**	**50**

PRACTICAL
Max. Marks (100%)

i.	Lab Rubric	30%
ii.	Mini Project / Open ended lab	10%
iii.	Semester Lab Exam	60%

(a) Objective type test (30%)
(b) Conduct of Pr/Viva voce (30%)

PROJECT

Semester	Thesis Credit Hours	Thesis Credit Marks	Maximum Sessional Marks (By Supervisor)	Maximum Marks for Thesis Viva Voce / Exam		
				Internal	External	Chairman
7th	3	100	25	25	25	25
8th	3	100	25	25	25	25

14.2 In the beginning of a semester, the instructor of each course should hand out a syllabus providing information to the students about assessment criteria, paper specification, schedule of material to be taught (TTP and Lesson Plan), take home assignment policy, recommended reading materials and any other information important for the successful completion of the course and its requirements.

14.3 To implement semester system effectively the subject teacher must display his/her provisional result within five days after the conduct of final exam of that subject and submit the same to the controller of examination for final announcement.

14.4 External examination system will be only for Project/Thesis / Business Plan Examination.

15 Grade Equivalent

GRADE	GRADE POINT	PERCENTAGE OF MARKS
		THEORY / PRACTICAL / PROJECT
A+	4.0	> 90%
A	3.5	90% - 83%
B+	3.0	82% - 75%
B	2.5	74% - 65%
C+	2.0	64% - 60%
C	1.0	59% - 50%
F	0.0	< 50%

Note: *The results will be prepared on the basis of Grade Point Average (G.P.A). Fraction is to be considered as a whole number.*

16 Computation of semester grade point average (GPA) and cumulative grade point average (CGPA)

16.1 Quality Point (Q.P.)

For computation of the (G.P.A.) the quality point (Q.P) is first determine by the multiplying the value of the grade earned by the students with the Credit Hours of the that course, e.g., if a student obtain "A+" grade for a three credit hours course then this quality point will be calculated as follows: (Q.P.) = 4 x 3 = 12

16.2 Grade Point Average (G.P.A).

Grade point Average is an expression for the average performance of a student in the course he/she has been offered during a particular semester. This is calculated by adding the quality points of all the courses taken, divided by the total number of Credit hours offered:

$$\textbf{(G.P.A)} = \frac{\text{Sum of Quality Points}}{\text{Sum of the Credit Hours}}$$

16.3 Cumulative Grade Point Average (C.G.P.A)

The Cumulative Grade Point Average (C.G.P.A) is the expression describing the performance of a student in all semesters is determined by the following way:

$$\textbf{(C.G.P.A)} = \frac{\text{Sum of Quality Points for all the courses appeared}}{\text{Sum of the Credit Hours for all the courses appeared}}$$

17 CGPA required for the completion of undergraduate

17.1 For completion of the degree, the minimum qualifying CGPA for BE/BS Students is 2.00.

17.2 In case a student secures less than 2.00 CGPA (minimum qualifying CGPA) at the end of final Semester, she/he may be allowed to get re-admission in one or more courses, in which his/her Grade is below C, provided that she/he is not debarred under the CGPA Improvement (as defined in Section 12) and time duration specified for the program (as defined in table 5.1)

18 Transfer of credit hours for undergraduates

18.1 Credits are transferred on course-to-course basis i.e., a person taking course A at University X is allowed to transfer his/her credits to University Y provided that course A is equivalent to course B taught at the Y University.

18.2 No credit hour of a course will be transferred if the grade is less than C for undergraduate.

18.3 Credit hours may only be transferred between duly recognized HEIs and Internationally recognized Universities.

19 Format of final transcript

The final transcript for the award of degree includes following information:

Front Side:

- Name of Student
- Father's Name
- Surname/Last Name
- Date of Birth
- Roll No.
- Enrolment No
- Name of the Program
- Date of Admission into Degree Program
- Semester Wise Break-up
- Subjects Name along with Credit Hours
- Type of Enrolment – Full Time
- Picture of the Applicant be Printed on Transcript
- Date of Completion of Degree Requirements
- Mode of Study – Regular
- Medium of Instruction- English
- Online Result Verification Key/ID (Front Side at the End of the Transcript)
- GPA/CGPA (at the End of the front side of Transcript)

Back Side:

- Basic Admission Requirement of the Program
- Previous Degree held by the student along with Institution Name
- Credit Hours Exempted/Transferred if any/applicable.
- CNIC No. for Pakistani and Passport No. for Foreign Students
- Grading System must be mentioned on Back Side of the Transcript
- Charter Date of the University/DAI may be mentioned
- Name of Campus/College be mentioned along with HEC Permission Date
- Signature of Issuing Officer(s) (Front and Back Side at the end of the Transcript)
- The transcript must have the water-mark seal on it.
- For equivalence of CGPA to percentage, for Transcript purpose only, below Table be placed

CGPA	4.00	3.5–3.99	3.3–3.49	2.5–2.99	2.0–2.49	1.0–1.99
Equivalent %age	95	87	79	70	62	55

20 Departmental Committee

Each Department/ Institute will have a Departmental Committee consisting of three senior most teachers of the Department / Institute including Chairman/ Director to assess the progress of the students during the semester and the results of all the examinations including the final semester examination. In case of any discrepancy in the results, during scanning process, the concerned committee will assign a subject expert (other than the Subject teacher) for rechecking the Scripts. The final recommendations of the Departmental Committee concerning the results will be submitted through the concerned Dean and Pro Vice Chancellor / Vice Chancellor for consideration and approval.

21 Course file

Maintaining the Course File is compulsory for all faculty members. It should have complete record of every activity that happens during the course. The course file should contain:

(For Theory)

1. Academic Calendar
2. Course contents with defined CLOs, taxonomy level and linking to PLOs
3. Tentative Teaching Plan
4. Lesson Plan
5. Classes Time Table and student counselling hours including record of makeup classes (if any)
6. Semester Progress Report
7. Student's attendance register
8. Teaching material
9. Class sessional activities and record (Tests/ Assignments / etc. with solutions)
10. Mid Semester and Final Exams Question papers and solutions
11. Sample of best, worst and average answer sheets of Tests / Assignment / Exams
12. Award Lists
13. Assessment Sheet conforming to the CLOs and PLOs
14. Course Evaluation Report

(For Practical)

1. Academic Calendar
2. List of Experiments
3. Tentative Teaching Plan
4. Laboratory Time Table
5. Student's attendance register
6. Laboratory Manual / Workbook
7. Rubrics Sheet
8. Sample of Objective type paper with solution
9. Sample of Best, Worst, and average Objective type test
10. Award Lists
11. Assessment Sheet conforming to the CLOs and PLOs
12. Course Evaluation Report

22 Freezing of Semester

22.1 If a student freezes a semester(s), she/he will resume his/her studies from the same stage where she/he left (froze). No freezing during the semester will be allowed. The maximum duration of the degree program shall remain the same.

22.2 The duration of Freezing is one year; a candidate who gets a semester freeze can get readmission next year with upcoming session.

23 Indiscipline in Examinations

23.1 Any candidate found guilty of following matters; his/her case will be submitted to Unfair Means Cases Committee constituted by the University. This committee will be constituted of 02 senior faculty members, Director of student's affairs, headed by senior Professor of the University.

i Removes a leaf from his/her answer book, the answer book shall be cancelled.
ii Submits forged or fake documents in connection with the examination.
iii Commits impersonation in the examination.
iv Copies from any paper book or notes.
v Mutilates the Answer Book.
vi Possesses any kind of material, which may be helpful to his/her in the examination.
vii Does anything that is immoral or illegal in connection with the examination and which may be helpful to him/her in the examination.
viii Refuses to obey the invigilation staff or refuses to follow the instructions issued by the University in connection with the examination.
ix misbehaves or creates any kind of disturbance in or around the examination center
x Uses abusive or obscene language on the answer script.
xi Possesses any kind of weapon in or around examination center.
xii Possesses any kind of electronic device which may be helpful in the examination

His/her case shall result in penalties keeping in view the nature and intensity of offence.

i. Cancellation of paper*.
ii. Suspension from program for one semester.
iii. Heavy and light Fine
iv. Expulsion forever from the University.
v. Any other.

* Unfair Means Cases Committee will decide that the student will have to appear in summer semester / with regular semester for the cancelled paper.

24. Appeal against the decision of the Unfair Means Cases Committee

If a student is not satisfied with the decision of the Unfair Means Cases Committee, she/he can submit his/her appeal within a week after the decision of the Committee to the Vice Chancellor. No appeal shall lie against the decision of the Syndicate.

25. Probation

Probation is a status granted to the student whose academic performance falls below the minimum University standard.

i. The students acquiring less than **2.00**/4.00 GPA in a semester but passing in all papers will be promoted with the condition to achieve more than 2.00 GPA in the next semester and she/he will be put on probation for the next semester. **In this case, the registration in summer semester is optional.**
ii. The students acquiring GPA 1.7 and above but failing in any paper(s) will be placed on probation and promoted to the next semester conditionally. They will have to be registered for summer semester to improve the grade.
iii. Students acquiring GPA less than 1.7 in two consecutive semesters and failing in any paper(s) even after attending summer semester for one academic year will have to seek re-admission. Re-admission will be allowed only twice during 4 years undergraduate degree program. Re-admission will be allowed after the payment of full admission fee.

26 Permission of writer for special students

26.1 A visually impaired student may be allowed to attempt the Mid/Final Examinations of the University on Braille/ Computer/any other means of facilitation.

26.2 In case a student is physically handicapped/visually impaired, she/he may apply to the Chairperson of the respective department (with medical certificate as proof of her/his disability) for permission to engage a writer in Tests/ Examinations of the University two weeks before the start of Tests/ Examinations. She/he will be allowed 45 minutes (maximum) extra time to solve the question paper.

26.3 The qualification of the person who acts as writer of a handicapped student must be at least one step lower than that of the student. (e.g., for level 6 student, the writer should be at the most of level 5).

27 Damaged / Lost Answer Script

In an exceptional case where an answer script is damaged, lost or destroyed due to unavoidable circumstances, then the student may be given the following options:

i Average marks shall be awarded to the student in that subject/course.

ii In case of Final Year Examination, if the candidate so desires, she / he shall be given another chance as a special case to take the Examination in that subject/course in the next examination and no examination fee shall be charged from the student.

28 Awards and Distinctions

i. Medals / Positions will be awarded to the students passing their courses / papers in Semester System in the first attempt only.
ii. In the Semester System, Letter Grades will be awarded on the basis of GPA / CGPA and Positions would be given on the basis of CGPA. In case two or more students are acquiring same CGPA only then the Positions will be shared among those students.
iii. No medal and position will be granted to candidates who passed the examination in 2nd attempt.
iv. No Medal / Roll of Honor will be awarded in the case of improving CGPA.
v. The disciplines where number of students is less than 05, no position will be awarded in semester system.

11. Students Conduct and Discipline Regulations

The Regulations regarding the conduct and discipline of students of Mehran University of Engineering and Technology, under section 47(1) of the Act, 1977, as amended on 17.9.1986 and further amended on 06.07.2006 are given below:

11.1 Short Title

These Regulations may be called the Mehran University of Engineering & Technology Students Conduct and Discipline Regulations, 1978 as amended up to 6.7.2006.

11.2 Commencement and Applications

These Regulations shall come into force with immediate effect, and shall apply to all the students of the University, Centre of Excellence and the Colleges/Institutes constituted/ affiliated to the University.

11.3 Definitions

i. "University" means the Mehran University of Engineering and Technology at Jamshoro.

ii. "Campus" means the Mehran University Engineering and Technology, Khairpur Mir's Campus, and all areas and building structures including Academic Block/teaching departments, hostels or halls of residence of students, Administration Block, sports grounds-gymnasium and any staff residential area, recreational areas for students and staff and any other such areas, buildings or facilities created within the specified boundary of the University and likewise areas of affiliated/constituted colleges/ Institutes/ Center of Excellence.

iii. "Syndicate" means the Syndicate of the University.

iv. "Vice-Chancellor" means the Vice-Chancellor of the University.

v. "Discipline Committee" means the Discipline Committee of the University constituted under the First Statutes appended to Mehran University Act, 1977, and/or constituted separately for the constituent or affiliated colleges/Institutes/Center of Excellence by the Governing Body or management of that college/ Institute/Center of Excellence with the approval of the Vice- Chancellor, Mehran University of Engineering & Technology.

vi. "Dean", "Director of an Institute/Chairman of the Department", "Teacher Incharge of the Class", "Workshop Superintendent", "Provost", "Deputy Provost", "Warden", "Director Sports", "Games Incharge", "Officer Incharge of Students Affairs", and "Principal"/"Director" of the Constituted/Affiliated College/Institute/Center of Excellence. respectively, means the Dean, Director of Teaching Institute / Chairman of a Teaching Department, Teacher Incharge of the class, Workshop Superintendent, Provost, Deputy Provost, Warden, Director Sports, Games Incharge, Director Students' Affairs, Students Welfare Officer, Students Advisor appointed as such by the competent authority and mutatis-mutandis officers / teachers in the affiliated college/Institute/Center of excellence.

11.4 Every student shall observe the following:

a) He / She must be faithful in his / her religious duties and respect the convictions of other in matters of religion and customs.

b) He / She must be loyal to his / her country and refrain from doing anything which might lower its honor and prestige.

c) He / She shall be truthful and honest in his / her dealings with all people.

d) He / She must respect the elders and be polite to all specially to the women, the children, the old people, the weak and the helpless.

e) He / She must respect his / her teachers and others in authority in the University / College.

f) He / She must keep his / her mind clean and be clean in speech, sports and habits.

g) He / She shall help his / her fellow beings especially those in distress.

h) He / She must devote himself / herself faithfully to his / her studies and obey and follow the rules, instructions, and guide lines issued by the University authorities from time to time.
i) He / She must observe thrift and protect property.

11.5 No Student Shall:

a) Smoke in his/her class room, laboratory, workshop, library, examination hall or convocation hall and during any academic functions.
b) Consume alcoholic liquor or other intoxicating drugs within the University /College or during the instructional, sports or cultural tours or survey camps or enter any such place or attend any such tour or camp while under the influence of such intoxicants.
c) Organize or take part in any function within the University/College, organize any club or society of students without permission of the University authorities.

i) Bring, keep or use any kind of weapon or fire arms within the University/College.
j) Use or occupy fully or partially any room or any building of the University/ College un-authorized.
k) Organize or take part in procession or meeting within the University/College, prejudicial to the peaceful atmosphere of the University.
l) Stage, incite, or participate in or abet any walk-out, strike, or any other form of agitation against the University/College or its teachers or officers.
m) Collect any money or receive donations or pecuniary assistance for or on behalf of the University or any organization except with the written permission of the Vice-Chancellor or any other person authorized by him in this regard.
n) Bring, keep, or use mobile phone with built-in camera and digital dictionary within the Academic and Examination buildings of the University/College.
o) Snatch mobile phones, use mobile phone during examination/ class/practical or in the library.
p) Tease the girl/boy students; demonstrate indecent or immoral gestures/attitude towards girl/boy students on the University/College.
q) Abuse/violate IT policies framed or to be framed from time to time

11.6 The teachers and officers of the University/College or committees formed under them for the purpose and others concerned with the students in the University/College are responsible for the maintenance of discipline and order among the students, while under their charge, and for dealing with any disorderly behavior promptly in the manner prescribed by these regulations.

11.7 The Discipline Committee shall deal with serious cases of indiscipline requiring such actions as prescribed by Regulation 10.

11.8 A teacher or an officer in whose presence or in relation to whom an act of indiscipline is committed or who obtains knowledge of such an act on report or otherwise, shall deal with the case himself/herself as he/she may be competent as provided under the Regulation 10 below, and in other case, he/she shall inform and recommend the case to the higher authorities/bodies for necessary action as prescribed.

11.9 Any one or more of the penalties mentioned in Regulation 10 may be impose on a student who is guilty of one or more of the following acts:

a) commits breach of any of the clauses specified in Regulations 4 or 5 above; or
b) disobeys the lawful order of a teacher or other person in authority in the University; or
c) habitually neglects his/her work or habitually absents himself/herself from the class without reasonable cause; or
d) willfully damages University/College property or the property of a fellow student or any teacher or any employee of the University/College; or
e) does not pay the fees, fines or other dues livable under the University Regulations; or
f) does not comply with the Regulations relating to the residence in the hostels or halls of residences.; or
g) uses indecent language, wears immodest dress, makes indecent remarks or gestures or behaves in a disorderly manner; or
h) commits any criminal, immoral or dishonorable act (whether committed within the University/ College or otherwise) which brings bad name to the University/College. Any one or more of the penalties mentioned in Regulation 10 may be imposed on a student who is guilty of one or more of the above acts/charges.
i) The penalty or penalties imposed shall be appropriate and proportional to the nature and gravity of the above act or acts.

11.10 The penalties which may be imposed and the authority or authorities competent to impose each kind of penalty are specified below:

PENALTY		**AN OFFICER OR AUTHORITY COMPETENT TO IMPOSE THE PENALTY**
(a)	(I) Exclusion from class room / Laboratory / Field work / workshop up to four classes from his / her own classes.	Class Teacher / Workshop Instructor
	(ii) Impose fine up to Rs. 1000/-	-do-
(b)	Exclusion from the games or the field for the day.	Games Incharge
(c)	Exclusion from Instructional or sports tour or survey camp.	Teacher / Officer Incharge
(d)	(I) Exclusion from the department / Institute for a period not exceeding one week.	Chairman of the Teaching Department/ Director of the Teaching Institute.
	(ii) Impose fine up to Rs. 2000/-	-do-
(e)	Exclusion from the Department / Institute for a period not exceeding two weeks.	Dean of the concerned Faculty / Principal of the College on the recommendations of the concerned Departmental Committee
(f)	Fine not exceeding Rs.1000/-	Teacher Incharge, or Superintendent of Workshop
(g)	Fine not exceeding Rs.10000/-	Dean of the Faculty Concerned / Principal of the College on the recommendation of the Concerned Departmental Committee.
	(i) Fine not exceeding Rs.20,000/-	Vice-chancellor on the Recommendations of the Dean concerned and concerned Departmental Committee

	(ii) Exclusion from the department/ Institute for a period not exceeding 3 weeks	-do-
	(iii) Fine up to Rs. 40,000/-	Vice-chancellor on the recommendations of the Discipline Committee.
(h)	With-holding of issue of character certificate	Chairman of the Teaching Department/ Director of the Teaching Institute.
(i)	Cancellation of examination or part there-of, or debarring from appearing in any examination or part there-of.	Vice-Chancellor on the recommendations of the Discipline Committee
(j)	Cancellation of remission of fee or University Scholarship	Vice-Chancellor on the recommendations of the Dean of the Faculty concerned / Principal of the College.
(k)	Suspension or removal from position of authority in the University Sports.	Vice-Chancellor on the recommendations of the Executive Committee of the University Sports Board.
(l)	Suspension of admission from the University for a period specified or unspecified pending the final decision.	Dean / Principal of the concerned Faculty on the recommendations of the Departmental Committee.
(m)	Rustication / Expulsion from the University for a period not exceeding one year.	Vice-Chancellor on the recommendations of the Discipline Committee
(n)	Rustication / expulsion from the University for a period exceeding one year.	Syndicate on the recommendations of the Discipline Committee.
(o)	Cancellation of admission from the University.	Syndicate on the recommendations of the Discipline Committee.
(p)	With-holding issuance of any degree.	Syndicate on the Recommendations of the Discipline Committee.

Provided that the superior authorities shall be equally competent to impose lighter penalties with the competence of inferior authorities as prescribed above.

11.11 No student shall be rusticated or expelled from the University unless he/she has been allowed a reasonable chance of defending the accusation against him/her provided that if the competent authority is satisfied it may take such an action under emergency to avoid any grave consequences.

11.12 (i) An appeal against imposition of the penalties shall lie with the Vice- Chancellor, provided that where the penalty has been imposed by the Vice-Chancellor, himself, an appeal shall lie with the Syndicate.

Provided that when a penalty has been imposed by the Syndicate, an application for review can be made to the Syndicate.

(ii) No appeal by a student under these Regulations shall be entertained unless it is presented within two weeks from the date on which the decision is communicated to him/her, provided that the Vice-Chancellor may for valid reasons condone delay in any individual case.

11.13 The Vice-Chancellor or any teacher or officer duly authorized by the Vice Chancellor/Principal/ Director of the Constituted/ Affiliated Colleges/Institutes/Center of Excellence may direct a student to pay compensation for any loss or damage to property belonging to the University or to fellow student or to an employee of the University/College, caused by willful act or gross negligence of the student and if the student does not pay such compensation within a reasonable time, competent authority, as the case may be, may take suitable action against him/her for indiscipline and impose upon him/her any of the penalties prescribed by Regulation 11.10 above.

MEHRAN UNIVERSITY OF ENGINEERING & TECHNOLOGY, JAMSHORO

PRE-ADMISSION TEST 2021-22

GENERAL INSTRUCTIONS

In order to conduct the test efficiently and transparently, the candidate must follow the following instructions and the instructions given by the Invigilators.

1. The Pre-admission Test is a one-hour (60 minute) computer-based test (CBT) consisting of 100 multiple choice questions and is divided into four parts as follows:

   - **Pre-Engineering group:**
     Physics, Chemistry, Mathematics and English (25 questions each)
   - **Pre-Medical group:**
     Physics, Chemistry, Biology and English (25 questions each)
   - **General Science group:**
     Physics, Computer Science, Mathematics and English (25 questions each)
   - **Commerce / Humanities / Other groups:**
     General Science (25 questions), General Mathematics (30 questions), Intelligent Quotient (20 questions) and English (25 questions)

2. The request of group change (Pre-Engineering, Pre-Medical, General Science or Others) will not be allowed on the Test Day.

3. There is only one correct answer for each question and each correct answer carries one mark. There will be no negative marking on wrong answer.

4. The credentials for CBT shall be provided to the candidate.

5. The candidate shall follow the instructions by Invigilators for login and commencement of the Test.

6. All rough work must be done only on the provided rough-work sheet. The rough work sheet is the property of university, and each candidate will have to return the rough work sheet at the end of the Test. **If any candidate takes away the rough work sheet for any reason, he/she will be treated according to the law and his/her name will be removed from the list of the candidates for admission.**

7. The selected answer can be changed any time before termination of the Test.
8. Opening of any other website or software is strictly prohibited.

9. During the Test, if any candidate terminates the test intentionally or unintentionally, he/she will not be allowed to continue the Test.

10. During the Test, do not talk, whisper, or turn eyes away from your dedicated screen. Candidate(s) found doing so will be removed from the list of the candidates for admission.

11. Any evidence of impersonation, cheating or non-compliance with instructions will disqualify the candidate(s) and will be removed from the list of the candidates for admission.

12. The candidate is not allowed to leave his/her seat unless and until allowed.

PRE-ADMISSION TEST
SAMPLE TEST PAPER

(A) FOR PRE-ENGINEERING, PRE-MEDICAL AND GENERAL SCIENCE GROUPS

General Instructions

The test is divided into following four parts and sub-parts:

Part I: English 25 Questions

- Vocabulary
- Grammar
- From Text
- Sentence correction

Part II: Physics 25 Questions

- All chapters (XI and XII)

Part III: Mathematics/Biology 25 Questions

- All chapters (XI and XII)

Part IV: Chemistry/Computer Science 25 Questions

- All chapters (XI and XII)

Part I
English

Vocabulary

1. A week before the MUET exam, Ahmad started to _____ vocabulary, which he had not studied yet.

a) Underscore
b) Betroth
c) Inundate
d) Martinet

Grammar

2. I _____ tennis every Sunday morning.

a) playing
b) play
c) am playing
d) am play

From Text

3. How were Quaid's feelings even though he drove through the unceasing shouts of People?

a) Gay and Gaiety
b) Calm and serene
c) Quite happy
d) Quite gloomy

4. Who wrote the novel "The Prisoner of Zenda"?

a) Shakespeare
b) Words Worth
c) Anthony Hope
d) John Milton

Sentence Correction

5. Jeans *was* not permitted in out college.

a) were
b) had
c) will
d) have

Part II

Physics

1. The product of mass and velocity is called:

a) Acceleration
b) Moment Arm
c) Negative Accelerations
d) Momentum

2. The production of X-Rays can be regarded as an inverse of:

a) Electromagnetic effect
b) Photoelectric effect
c) Compton's effect
d) Photon effect

Part III

Mathematics

1. If $\sqrt{\sqrt{cos}\emptyset\ \sqrt{cos}\emptyset\ \sqrt{cos}\emptyset\ \ldots\ldots} = 1, then\ \ \emptyset =$

a) $n\pi/2$
b) $2n\pi$
c) $n\pi$
d) $2n\pi/3$

2. If y =f (x), then $\frac{dy}{dx}$ *is defined as*_____

a) $\frac{dy}{dx} = \lim_{\delta x \to 0} \frac{f(x+\delta x) - f(x)}{\delta x}$

b) $\frac{dy}{dx} = \lim_{\delta x \to 0} \frac{f(x-\delta x) - f(x)}{\delta x}$

c) $\frac{dy}{dx} = \lim_{\delta x \to 0} \frac{f(x-\delta x) + f(x)}{\delta x}$

d) $\frac{dy}{dx} = \lim_{\delta x \to 0} \frac{f(x+\delta x) + f(x)}{\delta x}$

Biology

1. Presence of one of the followings made evolution of respiration possible.

a) Carbon dioxide
b) Oxygen
c) Nitrogen
d) Inert gasses

2. If non-protein part is covalently bonded, it is known as:

a) Co-enzyme
b) Activation
c) Prosthetic group
d) Product

Part IV

Chemistry

a. The Chemistry of Carbon is Called:

i. Organic Chemistry
ii. Inorganic Chemistry
iii. Physical Chemistry
iv. Pharmaceutical Chemistry

b. How many moles of Sulphur are there in 64 grams of the element?

i. 1
ii. 2
iii. 3
iv. 4

Computer Science

1. Keyboard is a:

a) Input device
b) Output device
c) Important device
d) Plastic device

2. Personal Computer consist of:

a) Central Processing Unit
b) Input
c) Output
d) All of the above

----------GOOD LUCK----------

(B) FOR COMMERCE / HUMANITIES / OTHER GROUPS

General Instructions

The test is divided into following four parts and sub-parts:

Part I:	**English**	**25 Questions**

- Vocabulary
- Grammar
- Comprehension
- Sentence correction

Part II:	**General Mathematics**	**30 Questions**

- Sets and series problems
- Algebraic problems
- Arithmetic problems
- Geometric and trigonometric problems

Part III:	**General Science**	**25 Questions**

- Physics
- Chemistry
- Biology
- Computer Science

Part IV:	**Intelligence Quotient (IQ)**	**20 Questions**

Part I
English

Vocabulary

1. A week before the MUET exam, Ahmad started to _____ vocabulary, which he had not studied yet.

a) Underscore
b) Betroth
c) Inundate
d) Martinet

Grammar

1. I _____ tennis every Sunday morning.

a) playing
b) play
c) am playing
d) am play

Comprehension

A man is known by the book he reads as well as by the company he keeps; for there is a companionship of books as well as of men and one should always live in the best company, whether it be of books or of men.

A good book may be among the best of friends. It is the same today that it always was, and it will never change. It is the most patient and cheerful of companions. It does not turn its back upon in times of adversity or distress. It always receives us with the same kindness; amusing and interesting us in youth, comforting and consoling us in age.

1. Which of the following would be the most appropriate title for the given passage?

a) Books show the reader's character
b) Books as man's abiding friends
c) Books are useful in the youth
d) The importance of books in old age

Sentence Correction

1. Jeans *was* not permitted in out college.

a) were
b) had
c) will
d) have

Part II

General Mathematics

Sets and Series Problems

1. If A = {a, b, c, d} then how many subsets of A can be formed?

a) 16
b) 32
c) 12
d) 8

Algebraic Problems

2. If P(x) = 3x2+(k-1)x+9 and P(3) = 0; then k = ?

a) – 13
b) 11
c) 13
d) – 11

Arithmetic Problems

3. If the ratio of two numbers is 8:3, and their difference is 25. Then what are the two numbers?

a) 15 and 40
b) 17 and 42
c) 20 and 45
d) 22 and 47

Geometric and Trigonometric Problems

4. In a right-angle triangle, the highest possible measure of an angle is ___ degrees.

a) 90
b) 180
c) 60
d) 180

Part III

General Science

Physics

1. The product of mass and velocity is called:

a) Acceleration
b) Moment Arm
c) Negative Accelerations
d) Momentum

Chemistry

2. The Chemistry of Carbon is Called:

a) Organic Chemistry
b) Inorganic Chemistry
c) Physical Chemistry
d) Pharmaceutical Chemistry

Biology

3. Which blood cells are called 'Soldiers' of the body?

a) WBC
b) Platelets
c) RBC
d) All of the above

Computer Science

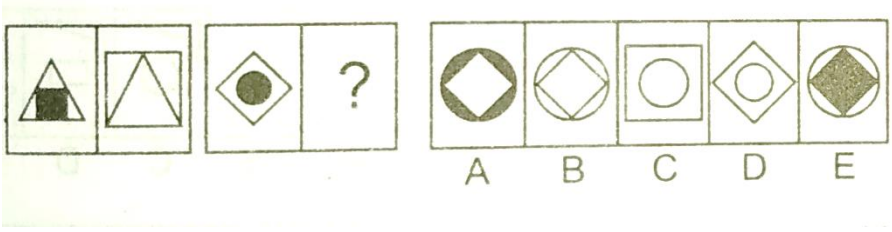
4. Keyboard is a:

a) Input device
b) Output device
c) Important device
d) Plastic device

Part IV

Intelligence Quotient (IQ)

1. Find the missing pattern in the next pair.



2. Which three words have the same meaning?

i. Information; ii. Indoctrinate; iii. Brainwash; iv. Convince; v. Class

a) ii; iii; iv
b) i; iii; iv
c) iii; iv; v
d) i; ii; iv

----------GOOD LUCK----------

MEHRAN UNIVERSITY OF ENGINEERING & TECHNOLOGY, JAMSHORO

INSTRUCTIONS & ADMISSION SCHEDULE SESSION 2021-22

Undergraduate Program (21-Batch)

All the candidates who have qualified the Pre-admission Test of this University, are hereby advised in their own interest to **read the following INSTRUCTIONS very carefully**. Those having their names appear in the Interview Call List / First Provisional Merit List should also note down the schedule for their personal appearance to submit their original documents, interview and admission.

1. Merit-wise **Data Record** (Provisional General Merit List) of all the candidates has been displayed on the website of the Directorate of Admissions (www.admissions.muet.edu.pk) on **25-09-2021**. If any of the candidates wants to make **corrections(s)** in his / her Data Record; he / she may contact Admissions Office on or before **22-11-2021 up to 3:00 p.m.**

2. The Interview Call Lists / First Provisional Merit List for each category under Regular and Self-Finance Schemes will be notified on **September 28, 2021** and displayed on the University website(s) (www.admissions.muet.edu.pk; www.muet.edu.pk).

3. Each candidate would then be required to appear before the Admission Committee for an interview on specific date and time as per schedule to choose the discipline from the available seats in their respective category. The interviews shall be conducted from **01-10-2021** at Mehran University, Jamshoro (District-wise schedule shall be displayed on the University website). **Each candidate according to the order of Interview Call List should personally report for an interview along with a parent / a guardian (Please note that only one parent / guardian will be allowed to enter the premises with the candidate due to COVID-19 SOPs).**

4. All the candidates must bring **ALL** the following **ORIGINAL** documents (including previous and improved/changed group marks certificates, if available) along with photocopies of the documents as mentioned on the date and time according to the schedule. Candidate should come prepared to choose the discipline. No candidate in any circumstances will be entertained with short of the any of the following documents:

f)	**CNIC / B. Form**	**Original** and one attested photocopy
g)	**Affidavit and Physical Fitness Certificate***	**Original – (to be retained)**
h)	**Hifz-e-Quran Sanad** (*for Hafiz*)	**Original – (to be retained)** and one attested photocopy

* The specimen of the Affidavit and Physical Fitness Certificate proformas can be downloaded from Admissions Website.

5. If any of the candidates is unable to attend the interview in case of ***exceptional circumstances*** **e.g., *being COVID-19 positive***' should contact the Directorate of Admissions at least 24 hours prior to his / her interview date. He/she will be required to present the proof of his absence i.e., result

of COVID-19 test. The candidate if allowed, must authorize (authority letter) any one of his parents/ guardians to appear and carryout all decisions/formalities in the interview on his / her behalf. The authority letter must contain specimen signature of the candidate and a copy of CNIC.

6. All the candidates/parents shall bear in mind that they are appearing in the interview with their own consent and they are expected to follow the SOPs while traveling to / from the university, during interview, and after they leave the university premises.

7. **All the candidates must comply with the following COVID-19 SOPs:**

   a) All the candidates and parents should get their hand sanitized at the entryways of the interview venue.
   b) Face mask is mandatory for the all the candidates, parents, faculty and staff.
   c) The candidates, parents, faculty and staff are required to carry their own mask and pocket-sized hand sanitizers.
   d) The candidates, parents, faculty and staff are required to maintain social distancing protocols (at least 6 feet) distance from each other and avoid handshaking, physical contact, spitting and touching faces.
   e) The temperature of the candidates, parents, faculty and staff will be checked with an infrared thermal gun/gadget before entering interview hall / venue.
   f) All the candidates, parents, faculty and staff who have symptoms of COVID-19 are required to undergo the COVID-19 test.
   g) An ambulance will be available during interviews to transfer the COVID-19 positive cases to the nearby hospital.
   h) Maximum 140 candidates will be allowed during the conduct of interviews.
   i) Failure to comply these SOPs will lead to disciplinary action.
   j) All the candidates / guardians are strictly advised to follow COVID-19 SOPs issued by the Health Departments, Govt. of Sindh / Pakistan from time to time.

8. If any of the candidates reports after his / her scheduled final reporting time, University authority may consider him / her for admission on merit against leftover seats under respective category at the end of the day.

9. If any of the candidate does not report on his / her scheduled day, the University authority may consider him / her for admission on merit against leftover seats in subsequent lists of respective categories.

10. The candidates who do not appear for interview on the specified schedule dates for any category shall not be considered for admission and his / her name shall be deleted from the Merit List.

11. All candidates should bring **CASH (Payment shall be made on spot)** to deposit the following fees (whichever applicable) on the day of interview:
